To

The Secretary, to the Government of Fort Saint George,

(Educational Department) M A D R A S.

The Director of Public Instruction has recognised this Educational Institution as a secondary school under certain conditions one of which is the registration of the Governing Body of the Institution under the Indian Companies' Act. The Act makes it a pre-requisite that a license should be obtained from Government for such registration.

A Union called the "Somasundara Patasala Union" has just been formed as a company which should work "without profits". The school has been struggling hand to mouth to maintain itself, and I pray that you will be pleased to exempt it from the payment of any fees that may be due for a license etc. The Conditions of the Director in the matter of finance etc. are already too heavy to bear by this Institution. At present the addition of only the Ist Form has been made to the Patasala which has existed for over the past ten years under its present name and for about 20 years before it under a different name. Praying for an early reply.

I have the honour to be,

Sir,

Your most obedient servant,

Manawami Patti
Correspondent.

To The Secretary to the Government of Madras,

LAW (GENERAL)

Department.

Sir,

REF: Endorsement No. 4190 C-1, dated 6th August 25.

The request of the applicant is that the Somasundara Patasala Union should be exempted "from the payment of any fees that may be due for a license etc." in the matter of its registration pursuant to section 26 of the Indian Companies Act, 1913, as an "Association not for profit".

No fee is payable for the issue of a license, and the fee payable is only for the registration of the association under the Companies Act. This fee has by a general Notification of the Government of India, been reduced to a maximum of Rs.50/- (Notification No.3991 S.R. dated 20th July 1888), and the filing fee for the registration of the subsidiary documents would come to Rs.18. The maximum fee payable would not therefore exceed Rs.68 in all, and the recurring charges in the coming years will be only ~~Rs.3~~ Rs.3, for the filing of the annual balance sheet. Societies similarly placed i.e. which were also "associations not for profit" and which are intended to manage schools e.g. The Hindu Union Committee School Association, Choolai (G.O. No.143 Home (Judicial), 19th January 1917) and Sivakasi Hindu Nadars Girls' School Committee (G.O. No.123, Law (General), 15th January 1923) got themselves registered as licensed associations, only after paying the prescribed fee, and this association also should find it possible to procure this small sum, in case it desires to secure the legal status and privileges of a registered company.

In the circumstances, the correspondent will have to be informed that no fee is payable for obtaining the license and that the fee for the registration of the institution under the Indian Companies Act, 1913, has already been reduced by a general notification to the maximum of Rs.50/- and that no further reduction can be made.
