C. 2482/c, from the D.P.S., R.O.P. 12/25-26, N/14.8.25

The fore-cast of Europe Stores for 1926-27 submitted by the Director calls for the following remarks: --
Revised Estimate for 1925-26.

The Revised estimate exceeds the Budget Estimate for the year by Rs. 1,968. This is due to the fact that certain liabilities in respect of the Engineering College, Guindy, incurred in 1924-25 are likely to come up for payment in the current year.

The revised estimate may be accepted.

Budget Estimate for 1926-27-

2 The Director of Public Instruction has provided a sum of £ 132 or Rs. 1,760 on account of the Muhammadan College. It is said that this includes the cost of the equipment required for opening the Intermediate Science classes in the college next year. From the linked file it will appear that the scheme is yet to be considered by the Finance Committee as Part II Scheme and that the necessary provision for science apparatus is to be made in the High Commissioner's Budget only after the scheme has been approved by the Govt. In the previous years no provision was made for the purchase of Europe Stores for this college. The amount entered against this college may be deleted for the present. If this alteration is made, the demand for 1926-27 will amount to Rs. 47,760 against the budget estimate of Rs. 41,224 for the current year.

3. Draft letter forwarding the fore-cast to the High Commissioner is submitted. It may be sent to Finance for acceptance.

Expenditure in England - Stores - 31. Education -
Transferred.

Please see the forecast on p. 2 C.F. The Director of Public Instruction has given the figures in columns 3-5 of the forecast in Rupees. All the figures should be given in sterling, and Law (Education) may be requested to modify the figures in cols. 3-5 accordingly.

2. Budget for 1925-26

Remarks.

(Expenditure in England - Transferred.)

The budget figure is Rs33,800, and the sterling equivalent is £3,380. The Director of Public Instruction has in col. 3 on p. 2 C.F. put down the budget at Rs46,524, including loss by exchange. This is the original provn. proposed by him in Sept. 1924 vide p. 3 of G.O. No. 1499-1500, Law (Edn.) dated 23-9-24. The final figure adopted in the C.B.E. for 1925-26 is however £3,380. Law (Edn) may be informed that £3,380 may be entered against the total budget provision for 1925-26 in col. 3 on p. 2 C.F. as details by colleges are not available.

Revised Estimate for 1925-26.

£3,637

The Director of Public Instruction has proposed Rs48,500. This converted at Rs13 1/3 per £ works out to £3,637.

Increase £ 257

(The foregoing figures do not include provision for the Reformatory and Certified Schools which have since been transferred to the control of the Inspector General of Prisons for which in the current year there is a provision of Rs 600.).

The increase of £257 noted above is due to liabilities of the previous year likely to accrue during 1925-26. The revised estimate of £3,637 may be accepted.

Remarks.

3. Budget estimates 1926-27.

Figures proposed by the Director of Public Instruction. £ 3,732

Figures proposed by Law (Education) 3,582

Law (Edn.) propose to delete the provision of £132 for stores and £18 for fluctuation charges provided by the D.P.I. for the Muhammadan College, as the scheme for opening science classes in the college is to be treated as a Part II Scheme. Provision will be included later on, after approval of the scheme by the Finance Committee and the Cabinet.

Figures for the last 4 years.

	£
1922-23	1,949
1923-24	3,296
1924-25 (R.E)	2,600
1925-26 (B.E)	3,380

The figure (£3,582) proposed by Law (Education) may be accepted. [Figures for recent years are given in the margin].

4. Reformatory and Certified Schools. The control

of these schools has been transferred to the Inspector General of Prisons and the stores forecast for these schools should be sent by him. The Inspector General of Prisons has not included stores required for these schools in his forecast received separately. Law (Genl) Have been asked to call for the forecast from the Inspector General of Prisons.

5. With these remarks, the case may be returned to Law (Education).
