Law (Education) Department.

Sir,

(W) :

With reference to para 5 of G.O.No. 753 Law (Education) dated 12th May 1924, I have the honour to submit herewith a statement showing the unspent balances remaining with the local bodies on 1-4-24 out of the subsidies coming under item (iv) of para 3 of the G.O.

2. Early in the month of June, the local bodies were requested to furnish a statement showing the unspent balances standing to their credit on 1-4-24 out of the subsidies sanctioned in 23-24 under item (iv) referred to above. Despite repeated reminders, replies are still due from the eight Taluk Boards and three Municipal Councils noted in the margin. The attention of these local bodies was also invited to para 7

3. The unspent balances remaining with the local bodies as reported by them are shown in column 3 of the statement. The Taluk boards, Tindivanam, Vridhachalam and Nannilam request that the unspent balances may not be adjusted. The total unspent balance remaining with the Taluk Board, Tindivanam on 1-4-24 was Rs.3,388 and the President requests that the entire subsidy may be sanctioned irrespective of the unspent amount, which the Taluk Board proposes to spend on repairs to school buildings. Of the sum of Rs.3,388 only a sum of Rs.819 relates to the unspent balance accruing out of the post Act subsidies, the balance (Rs.2,569) relates to the contribution payable under the proviso to Section 37 of the Act. The sum of Rs.819 will alone be adjusted, so that the Board can still utilise the remaining amount (Rs.2,569) as proposed by it. There is a balance of Rs.300 with the Taluk Board, Vridhachalam which has accrued out of the amount paid in 23-24 for the maintenance of Government Girls schools transferred to the Boards management. The Board has appropriated this amount for the maintenance of schools opened prior to 1-4-21. This is not permissible and the unspent balance of Rs.300 is included in the statement.

noted
non-noted

Out of the sum of Rs.1,358 paid in 23-24 for the maintenance of Government Girls School transferred to the Taluk Board, Nannilam, there remains a balance of Rs.385 with the Taluk Board. The Board proposes to utilise this amount, for the payment of capitation allowance for 21-22 to the teachers employed in the Girls' School, on the ground

ground that the subsidy sanctioned in 22-23 did not include the amount required for the payment of capitation allowance

M A sum of Rs.751 was paid in 22-23 in G.O.No.1132 Law(Education) dated 23-9-22, for the maintenance of this school and this amount includes Rs.144 on account of capitation allowance. Hence the request is inadmissible.

4. The Taluk Board, Bellary incurred an excess expenditure of Rs.1,774 on Elementary Schools maintained from Provincial funds and the amount was met by the Board, from its own funds. The President requests the payment of Rs.1,774/- to make good the expenditure incurred from the Board's own funds. The request is not recommended, especially in view of the fact, that according to the Budget Estimate for 24-25 of the Elementary Education fund approved in G.O.No.1474 Mis Law(Education) dated 17-9-24 there was no deficit in 23-24 in the Elementary Education fund -the receipts and charges under 'Ordinary' for 23-24 having been Rs.27,137 and Rs.27,137 respectively.

F The President, Taluk Board, Jammalmadugu reports that the Elementary Education account for 23-24 closed with a minus balance of Rs.2,626 and hence requests the payment of an additional subsidy to wipe off the deficit. This minus balance is due to 'expenditure incurred under pre-Act subsidies', and not under post-Act subsidies. The President's request for an additional subsidy of Rs.2,243 to wipe off the deficit of 22-23 was rejected in sub-para (IV) of G.O.No.1201 Law(Education) dated 22-7-24. The year 23-24 has not closed with a minus balance, the receipts and charges under 'Ordinary' for that year being Rs.15,282 and Rs.14,820 respectively. The request is not recommended.

The Taluk Board, Perambalur incurred an excess expenditure of Rs.903 on account of the maintenance of schools opened prior to 1-4-21. There remains in with the Board a balance of Rs.452, out of the subsidy sanctioned for the maintenance of the Government Girls' School transferred to

9. Since the Elementary Education Act is not applicable to the Agency the unspent balances accruing out of the subsidies paid in G.O.No. 1421 Law (Education) dated 8th October 1923 and 25 Law (Education) dated 8th January 1924 have been taken into account and the amount to be deducted is Rs 3,293. The net expenditure would be Rs 40,408 against the budget provision of Rs 43,700 under "31 (C) (a) (iv) Education - Primary - grants to local bodies for primary education - Agency tracts.

From (Name) R. Littlehales Esq. M.A.

(Designation) Director of Public Instruction

To The Secretary to the Government of Madras,

Law (Education) Department.

Sir,

4123A

In continuation of my letter R.O.C.No.1032 B/24 dated 3-11-24, I have the honour to report that in the case of the Taluk Board, Pollachi, there is an un-spent balance of Rs 405 out of the subsidy paid in G.O.No. 1421 Law (Education) dated 8-10-23. The amount may be deducted from the subsidy payable in the current year.

The Taluk Board, Tiruvallur reported that it had with it on 1-4-24 an un-spent balance of Rs 8,738 which had accrued out of the subsidies paid in 23-24 in G.O's Nos. 686 Law (Education) dated 16-5-23, 1595 Mis. Law (Education) dated 12-11-23 1421 Law (Education) dated 8-10-23 and 25 Law (Education) dated 8-1-24. Since the subsidy paid in G.O.No.1421 Law

(Education) dated 8-10-23 is alone liable to adjustment, the President was requested to report whether there was any unspent balance out of the sum of Rs 2,124 sanctioned in that G.O. In reply to this reference he has reported that no separate account was maintained in respect of this subsidy as all subsidies were merged in the Elementary Education Fund. In these circumstances it is not possible to ascertain if there was any un-spent balance out of the sum of Rs 2,124.

3. With reference to Government endorsement No. 2618 A-1 Law (Education) dated 8-7-24, a sum of Rs 405 should be deducted from the subsidy payable to the Municipal Council, Guntur. The total unspent balance remaining with the Council on 1-4-24 was Rs 907 including the sum of Rs 405. The Chairman now states that he refunded to Government on 2-6-24 the sum of Rs 405/- Therefore the un-spent balance yet to be deducted in the current year is only Rs 502 (Rs 907-405).

Sir,

With reference to para 2 of G.O.No.1715 Law (Education) dated 7-11-24, I have the honour to state that my proposals for the adjustment of unspent balances from the recurring subsidy payable to local bodies in the current year, have already been submitted to Government in my letter R.C.No.1032 B/24 dated 3-11-24. In the statement submitted with my letter, the amount of unspent balance to be deducted is shown Rs.2,339 against the Municipal Council, Tanjore. In view of para 2 of the G.O quoted above, the amount shown therein may now be raised to Rs.2,578.

2. I may also state in this connection that

no

no subsidy was paid in 1923-24 to the Taluk Board,
Wyanad in G.O.No.1421 law(Education) dated 8-10-23.
Hence no adjustment is necessary and the entire
subsidy may now be paid to the District Board, Malabar
with which the Taluk Board has been amalgamated with
effect from 1-11-24.

Sir,

In continuation of my letter R.C.No.1032 B/24
dated 3-11-24, I have the honour to state that the
Taluk Board, Pattukottai has incurred an expenditure
of Rs.1,538 only out of the subsidy of Rs.1,724
sanctioned in G.O.No.1421 law(Education) dated 8-10-23
on account of the girls' school transferred to its
management. It was reported that the Board had the
intention of introducing a revised scale of pay with
retrospective effect from 1-3-23 which would result
in an expenditure exceeding the subsidy sanctioned,

but

19
but the board has not yet decided given effect to the
~~revision~~ ~~revise~~ I therefore recommend that the unspent
balance of Rs.186 (Rs.1724- 1538) may be deducted from
the recurring subsidy payable in the current year.

I have the honour to be,

Sir,

Sir.

I have the honour to report that the Chairman, Municipal Council, Anakapalle, applied for an additional subsidy towards the payment of the arrears of the leave allowance to G. Brahmaji, 1st Assistant, Girls' School, Anakapalle, transferred to the Management of the Council in G.O. No. 1132 Law (Education) dated 23-9-22. The Chairman was requested to meet the expenditure from the savings in the recurring subsidy payable for the maintenance of the Girls' School or from the Council's own funds.

2.

(P.T.O)

2. The Chairman in his letter S.C.No.262/24 dated 1-12-24 (copy enclosed) requests a reconsideration of the question.

3. In the statement annexed to my letter R.C.No.1032-B/24 dated 3-11-24, a sum of Rs.317 including Rs.265, the saving which has accrued out of the sum of Rs.2288 sanctioned in G.O.No.1421 Law (Education) dated 8-10-23 towards the maintenance of the Girls' School in 1923-24, has been proposed to be deducted from the recurring subsidy payable in the current year. If the leave allowance had been settled, before the Chairman reported the savings, the arrears would have been met from the savings and the amount of savings (Rs.265) would have been correspondingly reduced. I therefore suggest that the Council may be permitted to meet the expenditure from the savings relating to the subsidy allotted to the school in 1923-24, and the deduction to be made from the subsidy payable to the Council in the next quarter limited to Rs.317 minus 119 (the amount of the arrears).

Copy of letter S.C.No.262/24 dated 2-12-24 from the Chairman, Municipal Council, Anakapalle.

Subject:- G.Brahmaji, retired 1st Assistant, Girls' School, Anakapalle, leave allowance.

Reference:- Your letter No.Dis.4093/24 dated 21-11-24.

I have the honour to state that the teacher was first granted furlough on half pay from 10-12-1921 while the School was under the control of the Government and his leave allowances were paid from the general revenues till 1-9-22, the date from which the control was transferred to this Municipal Council. Subsequently, the leave was extended, on a lengthy correspondence, till 1-7-24 (the date from which the retirement is given effect to) on the recommendations made by the District Inspecting Officers, the Accountant-General, and the Examiner of Local Fund Accounts, Madras. The leave allowances were also paid from the recurring subsidy given by the Government for the School, as long as there was a balance available.

(2) The teacher is to be paid an amount of Rs.118-10-3 now on account of his leave allowance for a portion of the extension period. There is neither available balance nor any amount under savings in the recurring subsidy given by the Government. If the amount is to be paid from the monthly instalment of the recurring grant which is given every month for the school, the teacher's salaries cannot be paid.

(3) The School required an additional teacher this year and the Council on the recommendation made by the Assistant Inspectress of Schools, Vizagapatam, entertained an additional teacher for the extra division of the lowest standard owing to its unwieldy strength. A reference is also being made to the Government approaching them through you for an additional aid in this respect as requested by the Council.

(4) The teachers and other members of the pensionable establishment transferred with schools are to continue to render service qualifying for pension, from the general revenues, under article 804 of the Civil Service Regulations, as per para 3 of G.O.No.1132 Law (Education) dated 23-9-22 as already stated by me. The

-E 37
The teacher's whole service was rendered to the Government while the school was under the management of the Government and his service was paid by the Government and as such he is entitled to pension, since he rendered qualifying service, under the provisions of the Civil Service Regulations. His pension application is returned by the Accountant-General, Madras, pending payment of the leave allowance in question.

(5) Under these circumstances, the Council are not justified in being asked to meet the allowance out of their own funds.

I therefore request that you will be so good as to re-consider your letter under reference and to sanction the amount at a very early date

Sir,

I have the honour to state that in the G.O. The period of nine months expires 31-12-24. Unless the month war grant of Rs. 2088/- is continued it is impossible to pay the school masters every month. Ref:- Government Order No.1121 dated 10-7-24 ordering the distribution of Elementary Education Subsidy to Local bodies for the first nine months of 1924-25.

With reference to the above order, I have the honor to state that the distribution of subsidy for the first nine months of 1924-25 lapsed by the end of December 1924.

From (Name) R. Littlehales Esq., M.A.,

(Designation) Director of Public Instruction,

Madras.

To The Secretary to the Government of Madras,

Law (Education) Department.

Sir.

I have the honour to report that a sum of Rs. 3,012 was sanctioned in the current year to the Taluk board, Musiri towards the payment of the temporary allowance of Rs. 4 per mensem to teachers employed in Elementary Schools under the Boards management, the President having certified that one half of the expenditure on account of the allowance would be met from the board's own funds other than the proceeds of the education cess. The President subsequently reports the board's inability to meet its share of the expenditure, and on the receipt of this report, the President was requested not to draw from the treasury the amount sanctioned as stated above.

The

The President now reports in his letter R.C.No.1031/24 dated 24-1-25(copy enclosed) that the amount has been adjusted to the credit of the board.

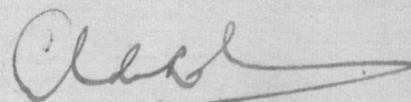

2. Since the board is unable to fulfil the conditions laid down in G.O.No.226 Law(Education) dated 27-2-22, I recommend that the sum of Rs.3,012⁺²⁰⁴ be deducted from the recurring subsidy payable to the board in the last quarter of the current year.

3. On 1-4-24 there was an unspent balance of Rs.204 with the board which accrued out of the subsidies paid in 23-24 towards the payment of the temporary allowance. In sanctioning Rs.3,012 this was taken into account, but since the board is unable to pay the allowance in the current year the total amount to be deducted is Rs.3,216.

I have the honour to be,

S i r,

Your most obedient servant,

for Director of Public Instruction

A.R. 28/1/25
A.R.

Copy of letter R.C.No.1031 of 24 M.T.B dated 24-1-1925 from the President, Taluk Board, Musiri to the Director of Public Instruction, Madras.

"With reference to your letter R.O.C.No.1055 B 24 dated 8-1-25, I have the honour to inform you that the sum of Rs.3012-0-0 sanctioned in your proceedings R.C.No.1055 B.24 dated 29-10-24, has been adjusted to the credit of this Board.

In this connection, I have to bring to your kind notice that this Board is working now at a minus

minus balance and so it has expressed its inability to give a similar amount. The pay of the teachers of this Board is only Rs.14 including the capitation allowance and their pay is very poor when considering the prices of the food stuffs. It will be a great boon to the staff, if the Government contribution at least is paid now at this crisis when the prices of food stuffs have risen considerably high.

In these circumstances, I request you to address the Government if necessary for obtaining necessary sanction for the payment of Rs.2 an allowance as a special case. "

C.No. 4123 A - From the D.P.I. No. ^{1032-13/24} 4123 A, dated 3-11-24.

Subject.- Subsidy - Elementary Education.

Please see paragraph 8 of D.P.I.'s letter on page 5 of c.f. as regards the provision required for the payment of non-voted subsidies.

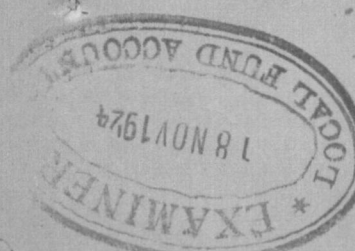

2. In G.O.No.653 Law (Education) dated 29th April 1924, the Government sanctioned the payment to local bodies levying the education tax, of an advance of 75 per cent of the Government contribution paid during last year under section 37 of the Elementary Education Act. The Examiner of Local Fund Accounts ^{recently} ~~submitted~~ submitted a preliminary statement showing the amount of tax collected by each local body during last year. From that statement it appears that the amount of education tax collected by some of the taluk boards are below the sums paid to them as advance. The excess so paid, together with the amounts specified on pages 7-14 c.f., will have to be deducted from the subsidies payable for the last quarter of the current official year. The file on the subject was sent to the Examiner of Local Fund Accounts for furnishing a final statement of the ^{proceeds} ~~grounds~~ of the educational tax. He may be requested u.o. to expedite the return of that file, as early orders have to issue on the current letter.

Law(Education)Department

The Examiner of Local Fund Accounts has - separately reported the amounts of education tax collected by each local body. It is found from that report that, in the case of seventeen taluk boards, the advance contributions paid to them under G.O.No.653 Law(Edn), dated 29-4-24 are in excess of the amounts payable under s.37 of the Elementary Education Act. The excess amounts may be deducted from the subsidies payable to them for the last quarter of 1924-25.

2. In para 5 of his letter on p.4 c.f. the D.P.I suggests that a sum of Rs.207 sanctioned for the maintenance of a night school opened prior to 1-4-21 and since closed, should be - deducted from the subsidy payable to the Municipal council, Chidambaram. The subsidy in question falls under 'non-voted' subsidies which are payable without any deduction for savings. Para 3 of G.O.No.1479 dated 19-9-24 refers to savings under 'voted' subsidies and ~~has~~ ^{has} no application to the case in question. The sum of Rs.207 need not therefore be deducted from the amount due to the council.

3. Five taluk boards viz, Rayachoti, Ellore, Kanigiri, Atmakur and Kaikalur have not yet reported the savings available with them on 1-4-24. Without this information, it ~~is not~~ ^{is not} possible to sanction the amounts due to them this year. They may be informed accordingly.

4. Draft submitted. It may be sent to Finance for perusal. As several local bodies have com-

plained that the teachers in their employ cannot be paid their salaries, unless the subsidies are adjusted at a very early date, Finance may be requested to treat the case as urgent.

The image shows a severely damaged and aged document. On the left, a portion of a lined page is visible, featuring faint, mirrored handwriting that appears to be bleed-through from the reverse side. Some numbers, such as '101', '102', '103', and '104', are discernible in the left margin. The paper is heavily creased, stained, and has a significant vertical tear running down its center. To the right of this torn section is a dark, textured surface, likely the inner cover or another page of the document, which is also heavily stained and discolored. The overall appearance is one of extreme age and physical wear.
