Sir,

I have the honour to address Government regarding the grant of rent free quarters to the Deputy warden of the hostel attached to the Government Victoria College, Palghat.

The duties of the deputy warden are detailed in the Principal's letter No. 38/19 dated 30-6-19, vide extract herewith enclosed and in addition he has also been entrusted with the following duties:-

1. Regarding purchases: The deputy warden has to make all the purchases himself as experience has shown that it is not expedient to leave this matter in the hands of the hostel clerk.

2) Regarding studies of the students- He has been fully entrusted with the duties of the Proctor. According to the hostel rules the proctor is to see to the studies and to the habits of the boarders. But as a proctor, who does not reside in the hostel cannot properly see to the studies and habits of the boarders, No separate proctor has been appointed and the deputy warden has been entrusted with the responsible duty of supervising the studies and habits of the boarders.

(E) As Government have in their order No. Mis.458 Law(Education) dated 26- 3- 24 granted the concession of rent free quarters to certain officers of this department who are living in with the students in the hostels attached to certain institutions, I consider it reasonable that the concession should also be extended to the Deputy warden of the hostel attached to the Government Victoria College, Palghat as his duties necessitate his living in with the boarders.

In this connection I may mention that the concession of free quarters enjoyed by the present warden of the hostel Mr. G.I. Lobo, the Principal of the college is temporary and will be with-drawn, if and when Mr.Lobo is transferred from Palghat.

[C.N. 2222C] From the D.P.D., No. 2804 D/23
of 26.8.24.

At present the Principal
of the Palghat College is enjoying
the concession of free quarters as

college. ^{under} G.O. No. 4588, 26.3.24
the concession ~~has been withdrawn~~ ^{will not be available to}

of Principal. It has, however, been
proposed ~~not to give~~ to give
money allowances to wardens of
hostels in lieu of free quarters,
and the question of the rates of such
allowances is separately under
consideration. A reference has
been made to Mr D.P.D. on the subject
and his reply is awaited.

there is a Deputy Warden of the hostel

to making purchases of ^{provisions} ~~things~~ for the hostel, interviewing merchants and shopkeepers, keeping accounts, taking care of the stock etc. In addition to the Deputy Warden there is a clerk for the hostel who is apparently paid by the Boarders. It is now for consideration whether it is necessary that there should be a warden as well as a Deputy Warden for the hostel. The D.P.D. may be requested ~~us~~ to justify fully the necessity for a warden and a Deputy warden. He may also be requested to state whether the Deputy Warden is at present actually living in the ~~hostel~~ premises and, if so, whether in the same flat as the students or in detached quarters. If it is considered that one officer is ~~will be~~ sufficient to supervise the hostel ~~and that by the Deputy Warden, the~~ Deputy Warden may be allowed to live in the hostel if he is a bachelor and can "live in" with the students. If he has to live in detached quarters then the proper course is to levy rent from him but to grant him an allowance for hostel

The total no. of boarders in the hostel will determine the supervision that is required. If it is a large no. more than one will be needed CH

The number of boarders is reported to be 81. The warden lives in a house a little distance away from the hostel, while the Deputy Warden lives in the hostel itself. The hostel is a one-storied building and the warden has no separate detached quarters.

It is not necessary to insist upon a bachelor being appointed as warden or deputy warden to live in with the students. A married man whose family is not living with him can equally live in with the students.

So far as information is available in office, the ~~queries~~ queries in paragraph 1 of Finance note are answered below:-

Clause (1).

The rules regulating the working of the

College hostel provide for the employment of a Deputy warden. As these rules were approved by the D.P.T. in January 1921, it is presumed that the employment of the Deputy Warden was authorized by the Director in or about 1921.

Clause (2).

Under rule 13 of the hostel rules the hostel is under the direct control of the Warden, the Principal of the college, who stands in loco parentis to all students in residence. He is responsible for the proper working of the hostel.

In the discharge of his duties he is assisted by a Deputy Warden. His duties are detailed at page 3 c.f.

Clause (3). The hostel provides accommodation for 100 boarders. The present strength is stated to be 81. As to parallel cases of hostel supervision, the hostels attached to the Ceded districts college, Anantapur, and the Government College, Mangalore, are in point. In both these hostels the College Principal is the warden and he is assisted in each case by a sub-warden who is a member of the college staff. The strength of the hostel attached to the Ceded districts college on the 31st March 1924 was 42. There is no information as to the strength of the hostel of the Mangalore college.

Clause (4).

It is understood that the present holder of the office of Dy. Warden of the Victoria college hostel is Mr. C.V. Govindan Nambiar, a graduate assistant in the school department of the college. The hostel rules provide for the payment of a remuneration of Rs 300 a year. The charge is met by the boarders. It is now stated that the Dy. Warden is in receipt of a remuneration of Rs. 300 per annum (paid by the students) for his duties as Dy. Warden. As his duties are thus paid for, it does not appear that there is any case for the grant of free quarters in addition. Law (Edn) may be requested to negative the request.

Law (Edn)

The Dy. Warden gets his remuneration from the subscriptions of boarders. and he has no other remuneration required for costs

nothing to Govt. He is required to 'live in' with students and he does so in the interests of the hostel. So it seems that Govt. may allow him to live rent-free.

In the general proposals for hostel Supervision since submitted by the Director he has suggested that the Principal may remain warden of the hostel but without remuneration and that the Dy. Warden may be paid a remuneration of Rs 50 a month ^{from Provincial funds} being collected from the warden and his Deputy for the quarters occupied by them. But the disposal in the general proposals need not delay orders in the present case as the arrangement therein is to come into force only when the present incumbents vacate.

2 So far as the present incumbent of the office of Dy. Warden is concerned, his remuneration from hostel funds is only Rs 25 a month (from hostel funds).

Seeing that the D. P. J. ~~incumbent~~ has been recommended Rs 50, his present remuneration has to be considered ^{perhaps} inadequate and if so his occupation of quarters free of rent will form a sort of compensation.

The decision arrived at was that the work of supervision of hostels should be remunerated by the grant of free quarters where wardens "live in" with the students and by the grant of warden allowances in other cases. In the present case, the Dy. Warden is receiving remuneration from hostel funds. It does not therefore appear that there is a case for granting him an additional allowance from Govt. funds as similar officers in other hostels are not receiving remuneration from two sources for the same work.

2 As regards the proposal to allow him free quarters pending further orders, it is subd. that

granted to the Dy. Warden should, it seems, take effect only from the date on which there is a change in the ~~circumstances~~ of the Warden's post to which free quarters are now attached. It does not therefore appear that Finance can agree to the proposal.

The Deputy Warden, Victoria College, Palghat gets free quarters plus Rs.300 per annum from the Hostel funds. It may be presumed that he also gets the free boarding referred to in page 4 of G.O.2514 L. and M., dated 12-12-1913 and sanctioned by the terms of that G.O. The number of boarders is 70. If the sum of Rs.300 per annum were not paid from the hostel funds and if there were no free quarters the number of boarders would justify the payment of Rs.25 p.m. or Rs.15 p.m. from Government funds according as the Deputy Warden is a member of the M.E.S. or S.E.S. On this analogy Finance may agree to the payment from hostel funds of a remuneration to the Deputy Warden of Rs.300 per annum if M.E.S. of Rs.180 per annum ⁴ S.E.S. ~~Rs.180~~ This ~~may~~ be in addition to free quarters referred to in D.S.'s note on page 10 supra -cf. also item 13 in Appendix to G.O.1344 Law(Education) dated 6-8-1925. The grant of free boarding need not perhaps be objected to in Finance.

Rent-free quarters - Deputy Warden - Hostel - Govern-
ment Victoria College, Palghat -

The D.P.I. has furnished the particu-
lars required. It is seen that there is sufficient
justification for a Deputy Warden.

for the Government College, Mangalore which has only
16 students.
