Law (Education) department.

There is no ~~full~~ ^{whole} time appointment of Medical Inspector of Schools in the Educational Department.

Under the scheme for the medical inspection of schools sanctioned in G.O.No. 641 Law (Education), dated the 29th April 1925, it is open to the Director to appoint a private medical practitioner ^{to} as medical inspector for a school or group of schools ^(under Govt. management). It is not known whether Mr. Natesa Mudaliar has been appointed medical inspector for any school or schools in the City of Madras. The office of the medical inspector does not carry any fixed rate of salary. The amount of ^{the Inspector's} remuneration will depend upon the quantity of inspection performed by him. The Government have fixed a fee not exceeding as.12 for every first inspection of a pupil and as.6 for each of the subsequent annual inspections. Having regard to the definition given in the non-official (definition) rules, the acceptance of office as medical inspector on the terms cited above does not impose any disability with reference to the right of the person ^(con-)cerned to sit in the Legislative Council. In G.O. No. 820 Law (Education), dated the 13th June 1923, it has been ruled that the assistant professors of the Law College who are part-time officers getting monthly remuneration from Government funds can stand for election to the Legislative Council.

(Q)

There is also the probability Dr. Natesa Mudaliar might have been appointed as Med. Inspector of the schools or schools under private management. In that case the initiative for appointing rests with the management: but the appointment has been approved by the D.P.I. A grant in aid ~~of the cost~~ ^{for the cost} of the fee payable ~~may be paid from Govt. funds.~~ The argument ^{appears} with ~~speaks~~ ^{speaks} force in that case. I cannot say that he holds an office under the Crown in either case.

It has been ascertained from the D.P.I. office that no proposal has yet reached that office to appoint Dr. N. either for Govt. schools or for schools under private management. ~~Dr. N. has been offered a post of medical inspector and whether he has accepted that office.~~

Medical inspection of students in the city.

* 280-A Q.—Rao Bahadur C. V. S. NARASIMHA RAJU: Will the hon. the Minister for Education be pleased to state—

(a) whether Dr. Natesa Mudaliyar, M.L.C., has accepted the office of Medical Inspector of the students in the City of Madras;

(b) the amount of salary or fees that will be paid to him from the provincial funds; and

(c) whether he has vacated his seat in the local Legislative Council under the provisions of section 80-B of the Government of India Act?

A.—The Government have no information.

Rao Bahadur C. V. S. NARASIMHA RAJU:—"As far as the Government are concerned, have they got any information as to who is the Medical Inspector of students?"

The hon. Rao Bahadur Sir A. P. PATRO:—"As far as I know there is no such officer as Medical Inspector of students in the City of Madras appointed, approved or thought of or contemplated by the Government."

Rao Bahadur C. V. S. NARASIMHA RAJU:—"Is not the medical inspection of the boys in the City of Madras going on?"

The hon. Rao Bahadur Sir A. P. PATRO:—"There are agencies for that. Any medical officer who has been approved by the Surgeon-General can do so on receiving some fee."

Rao Bahadur C. V. S. NARASIMHA RAJU:—"Is Dr. Natesa Mudaliyar one of the persons so approved?"

The hon. Rao Bahadur Sir A. P. PATRO:—"He is not."

Mr. A. RAMASWAMI MUDALIYAR:—"May I ask the Leader of the Opposition what foundation he has for the question he has put on this point and whether he has satisfied himself with that ordinary care which a common citizen is expected to bestow. (Cries of 'Order, order'.)"

The hon. the PRESIDENT:—"The hon. Member has not finished his sentence."

Mr. A. RAMASWAMI MUDALIYAR:—"On matters concerning one's interest, before the hon. Member thought it fit to put this question whether he bestowed that ordinary care and prudence on it?"

Mr. A. RANGANATHA MUDALIYAR:—"On a point of order, Sir, when you have admitted that question, is it open to hon. Members of this House to raise an issue of this kind?"

Mr. A. RAMASWAMI MUDALIYAR:—"My hon. Friend has entirely misunderstood the scope of my question. I am not questioning the admissibility of this question and I am not raising any point of order at all. I am asking him as an hon. Member of this House whether before putting this question he, in fairness to himself if not to the hon. Gentleman referred to in it, satisfied himself as to the foundation for this question."

Rao Bahadur A. S. KRISHNA RAO PANTULU:—"I rise to another point of order whether when a question has been put, is it open to any hon. Member to go on commenting as he likes on that question and ask for reasons?"

Mr. C. RAMALINGA REDDI:—"I wish to rise to a point of order whether questions can be addressed to any except the occupants of the Treasury Bench?"

Rao Bahadur C. NATESA MUDALIYAR:—"If there is not a salaried appointment under the Government such as a Medical Inspector of schools, is it only to make mischief or malign me that he put the question? (Cries of 'Order, order'.)"

The final form of the question and answer was as above. The note may be
