Sir.

I have the honour to submit below a scheme
for the introduction of market gardening in the
Municipal High School, Ootacamund.

It has been suggested in the scheme that
actual gardening work should be done by the pupils
of Forms III and IV helped by pupils of Forms II and I

Instruction is proposed to be given to
about 168 pupils belonging to the above Forms in 6
batches, each batch receiving 3 periods of instruction
per week. The scheme which has been scrutinised by
Mr. Porrett is estimated to cost Rs.3000/- of which
Rs.2000 is non-recurring and Rs.1000 recurring as per
details given in the margin.

In continuation of my letter R.C.No.103-E/25 dated 23-6-25, I have the honour to submit herewith a copy of letter R.C.No.234/24 dated 15/17-8-25 received from the Chairman, Municipal Council, Ootacamund, and to state that if the scheme be sanctioned during the current year, it is possible to meet the cost of the scheme from the current year's budget provision under "31.B(c)-Education-Secondary Grants to Local Bodies for Secondary Education-Grants-in-Aid-Educational-Voted-Recurring (Manual Training) and Grants-in-Aid-Miscellaneous-Voted-Non-recurring (Manual Training).

I have the honour to be,

Sir,
Your most obedient servant,

Copy of letter R.C.No.234/24 dated 15/17th August 1925,
from the Chairman, Municipal Council, Ootacamund, to the
Director of Public Instruction, Madras.

Municipal High School, Ootacamund.

I have the honour to request you to be so good
as to let me know at what stage the scheme for market
gardening for the above school, submitted through the
District Educational Officer, Coimbatore, nearly eight
months ago, stands at present. Several reminders were sent
to him and the last of which only elicited the information
that the scheme has been submitted to Government and their
orders are awaited.

2. I may point out that the land leased for laying
out the gardens has been lying idle for the past 8 months
for want of sanction to the scheme and the rent paid on
it out of Municipal funds will not be justified if the
land is to continue to be unused for the scheme.

3. I therefore request that Government may be
addressed with the request to expedite sanction for the
scheme at a very early date.

The D.P.I. has sanctioned a scheme for the introduction of manual training in gardening in the Municipal High School, Ootacamund. The Municipal Council has leased a plot of 1/2 acre from the P.W.D. for the purpose. Instruction is proposed to be given to about 168 pupils in forms I to IV, actual work being done by pupils in forms III & IV assisted by boys of forms I. The non-recurring and charges of the scheme are estimated at Rs. 2000 Rs. 1000

^{works} States that if the scheme
 is in the current year

 similar case, viz, the scheme
 relating to manual training
 the St. Francis Xavier's

 Finance dept has stated
 that the scheme was a new

 commitment in subsequent years
 should be included in the
 list of ^{Part II} schemes for 1926-27.

 can be met from the savings
 for other schemes is not sufficient
 for undertaking a new Committee
 in the middle of the year. The
 Council should not have taken
 on lease without first obtaining
 sanction of Govt. for the scheme.
 Similar case (viz. Saint Francis

 that such schemes should be brought

 to the present scheme being sanctioned
