I have no remarks to make as regards the answers suggested in the Secretariat note. As regards clause (c) the information is not available in this office. It could of course be obtained by reference to the officers of the Department but this will take some time. It is therefore for consideration whether the answer to this clause may not be 'information is not available'. Then if the Member asks as a supplemental question whether the information will be called for, Government may agree to do so and in that case a reference will be made to the various officers concerned.
