(Designation) Ag. Director of Public Instruction

To The Secretary to the Government of Madras,
Law (Education) Department.
Fort Saint George.

Sir,

I have the honour to submit herewith a statement
embodying my proposals for distribution among the District
Educational Councils of the current year's allotment of
Rs.34.49 lakhs (Rs.30.19 lakhs budget provision plus
Rs.4.3. lakhs, the supplementary grant voted by the
Legislative Council) under "31 C(c) Education - Primary
Grants to local bodies for primary Education" payment
of teaching grants to District Educational Councils.

2. It may be stated at the outset that the demands
of the District Educational Councils and the provision
made in the Civil Budget Estimate for 1925-26 are with

213 C.B.E.
vide para 4 of S.O.
1530 (Law/10)
4.9.25

reference to the old rates of teaching grants. The extra cost of Rs.4.3 lakhs on account of the enhanced rates is proposed to be distributed in addition to the current year's budget provision.

3. The budget provision for the year 1925-26 is Rs.30,19,000 against Rs.29,75,000 (Rs.28.75 lakhs budget provision plus Rs.1 lakh additional allotment sanctioned) in the year 1924-25. The increase is only Rs.44,000. Of this, a sum of Rs.2500 has been paid as a special grant for the C.M.S. Higher Elementary School, Ootacamund in G.O.

(D) No.1356 Mis., Law (Education) dated 6-8-1925. The net increase works out at nearly 1.4 per cent (Rs.44,000 minus 2500) over the last year's provision.

4. It is observed from column 4 of the statement that the demands of all the District Educational Councils, over and above the unspent balance available with them - for utilisation in 1925-26 aggregate to Rs.34,33,914. This total demand shows an increase of 15.4 per cent over the amount paid in 1924-25. Therefore, with a view to keeping the expenditure within the budget allotment, without at the same time causing reduction in the average rate of grant per scholar in each District it is proposed to restrict the demands of the District Educational Councils as shown below:

(i) District Educational Council, North Arcot - The amount demanded for 1925-26 is less than the amount paid to the Council in 1924-25. The demand is recommended in full for payment.

(ii) District Educational Councils, Ganjam, Chingleput, Trichinopoly. In the case of Ganjam the amount demanded is in excess of the amount paid in 1924-25 and also corresponds to its liability for 1924-25. In regard to Chingleput and Trichinopoly the amounts demanded are less than their liability for 1924-25, but in excess of the amount paid in 1924-25. In these cases, the demands are recommended for payment in full. The average rate of grant per

scholar is not affected much.

(iii) In the case of other District Educational Councils, their demands are all in excess of 1.4 per cent and show an increase of 2 to 29 per cent over the last year's grant. In these cases, an increase of 1.4 per cent over the previous year's allotment is proposed and the amount payable is shown in column 5 of the statement. It is observed that the amounts recommended for payment allowing the increase of 1.4 per cent, are in excess of their liability for the previous year, except in the case of the District Educational Councils noted in the margin. The average rate

of grant per scholar will be slightly higher than that of last year in the case of Kistna, Tanjore, Ramnad and the same as last year, in the case of Ganjam, Godavari, Malabar and South

Kanara. In a few cases it is also slightly less than that of the previous year.

5. By allowing an increase of 1.4 per cent over the amount paid in 1924-25 in respect of District Educational Councils which demand an increase of more than 1.4 per cent and by taking into account the amounts demanded in full by the District Educational Councils, North Arcot, Ganjam, Chingleput and Trichinopoly, the total amount to be paid is Rs.30,16,141. This leaves a balance of Rs.359, which is proposed to be distributed pro-rata among the seven District Educational Councils referred to in supra.4(iii). The amounts thus found admissible to these District Educational Councils have been included in column 5 of the statement and the total amount to be paid is Rs.30,16,500, which is the budget provision available for distribution.

6. In para.4 of G.O. No.1550 Law (Education) dated 4-9-1925, the supplementary grant of Rs.4.3 lakhs voted by the Legislative Council towards the additional expenditure involved by the revision has been asked to be distributed

1. Vizagapatam.

among the District Educational Councils. The additional expenditure of Rs.4.3 lakhs on account of the revision was calculated with reference to the No. of teachers in 1923-24 in each District under the respective class^{es} of teachers for whom a revision has been sanctioned. If the District Educational Councils are now asked to report their requirements on account of the revised rates, the probable expenditure will be in excess of the budget grant of Rs.4.3 lakhs. Therefore the only practicable and equitable course is to distribute the amount among the several District Educational Councils with reference to the number of teachers in each District in 1923-24 under the respective classes of teachers.

The amounts shown in column 6 of the statement has been arrived at on the above basis. The total amount to be paid on account of the revised scale is Rs.4,25,184 against the budget grant of Rs.4.3 lakhs, leaving a small balance of Rs.4,816. This amount is kept in reserve for further consideration.

7. The total amount to be placed at the disposal of each District Educational Council is shown in column 7 of the statement and the expenditure can be met from the current year's allotment as noted in para.1.

8. In G.O. No.10006 Law (Education) dated 16-6-1925 a sum of Rs.4161 was paid to the District Educational Council, Madras as advance teaching grant for 1925-26 and this amount has now been deducted from the amount payable to the Council in the current year as per para.4 of the same G.O.

9. In this connection, I may also report that the District Educational Council, Guntur, utilised a sum of Rs. 5000 from the building grant towards the payment of teaching grants in 1924-25. Sanction has not been obtained for the transfer of funds from the Non-recurring item to the recurring item. It is reported by the President, District Educational Council that the Council

sanctioned the transfer of provision solely as a temporary measure, with a view to retransfer the same soon after the contribution is received from Government. However, the Council should have obtained previous permission.

I have the honour to be,
Sir,

INSTRUCTIONS FOR THE SECRETARIAT.

(a) If a paper is marked to be printed urgently, the Superintendent of the section concerned should sign the Press slip. The Superintendent should exercise a careful discretion in the matter.

(b) Each letter, memorandum, or order, or set of orders, in the file of correspondence should be headed in succession with the Roman numeral I, II, III, etc., the number being written in red ink or blue chalk above the item. The particular papers to be printed in the special issue-copies should be indicated by the Roman numeral (I, II, etc.) by which that item has been headed in the correspondence file. All matter, including marginal remarks or references, to be printed should be written in ink and matter which should not be printed should be encircled. Initials and signatures that are not quite legible should be re-written distinctly.

(b¹) For rules regarding printing of notes, see rule 315 of the office Manual.

(c) The number of copies and the details of distribution should be filled in by the Superintendent or Referencer concerned.

(d) In the absence of special instructions to the Press to keep matter standing for a specified period, ordinary papers of 8 pages and under will be kept standing for one week, and larger papers for two weeks only. The type of notes and of all confidential papers is distributed immediately after striking.

(e) This slip, properly and completely filled in, should accompany every paper sent to Press; it will be returned by the Press when proofs are furnished; it should be sent to the Press when a call is made for revised proofs or when a corrected proof is sent for striking. When finally returned by Press it should be filed with the original order or letter.

INSTRUCTIONS FOR THE PRESS.

(a) If, in the opinion of the Superintendent of the Press, a paper has been marked urgent unnecessarily, he should send the Press slip to the Registrar with a remark to that effect.

(b) Unless a note to the contrary is made against the matter, pencil entries should not be printed. The Superintendent of the Press may bring to the notice of the Registrar any instance of incomplete or careless editing.

(c) Signature copies of letters to the Secretary of State or to the Government of India should be printed on hand-made paper.

(d) This slip should be returned by the Press to the Secretariat when proofs are furnished; it will be sent back to the Press when proofs are returned corrected and should be finally returned to the Secretariat when struck-off copies are supplied.

(e) The names of the Secretary and Members should be printed in full when they occur on the right hand side, only the first time when they appear on the left side, the initials alone being printed later.
