I have the honour to request the Inspector-General of
Prisons to obtain sanction from the Government to permit
Borstal boys to appear for Government Technical examina-
tions such as Carpentry, Tailoring etc., and also to exempt
them from payment of examination fees.

With a view to send the boys for public Technical examina-
tions theoretical and practical instructions are imparted to
boys who show special aptitude in the subject.

If the boys come out successful in the Public Examina-
tion they will be holders of Government certificates which
will give them a hall mark to secure appointment easily.
This will be an incentive to boys to apply themselves to
their work more enthusiastically.

I have also suggested this idea in my annual adminis-
tration report for the year 1924.

To The Secretary to the Government of Madras,

LAW (EDUCATION) Department.

Sir,

With reference to government Endorsement No. 535 B-25-1 Law (Education), dated the 27th February 1925, and its enclosure (herewith returned), I have the honour to state that the request of the Superintendent of the Borstal school, Tanjore, to the Inspector-general of prisons, was to obtain the sanction of government for borstal boys to appear for the government technical examinations in such subjects as carpentry, tailoring etc., and also to exempt them from payment of examination fees. But the latter has requested the government to permit them to appear for the examinations free of any examination fees. As regards the first request of the Superintendent, I beg to state that,

if the Borstal boys satisfy the conditions of admission laid down in Article 5 of the government Notification regulating the Examinations there will be no necessity to exempt them. But as most of the boys may not possess the required general educational qualifications, I would suggest that, if this school be recognised by the authorities concerned as fit to impart instruction in the subject or subjects in which the boys would appear for examination and if they are certified by the superintendent to have completed the prescribed course in the subject or subjects in which they wish to appear, they may be considered eligible for admission to the examinations, even if they do not possess the required general educational qualifications. Carpentry is not a subject of the revised scheme of the Technical Examinations.

2. AS regards the second request, I have to state that in G.Os. No. 640, Educational, dated the 28th September 1907, and No. 363, Law (Education), dated the 7th March 1923, pupils of the Reformatory School, Chingleput, appearing for the government technical examinations and the technical teacher's certificate examinations and for the examination for teachers' certificates in physical training, are exempted from the payment of the fees prescribed for admission to those examinations. The concession may be extended to the boys of the Borstal school, Tanjore.

I have the honour to be,

Sir,

Your most obedient servant,

Diary No. 41107
10 SEP 1925

Copy of letter No. Dis 3364/25, dated the 1st September 1925 from the Director of Public Instruction, Madras.

With reference to your letter No.C. 852, dated the 21st August 1925 regarding recognition of the Borstal Institute, Tanjore as a centre for Physical Training, I have the honour to enclose herewith a copy of the Physical Adviser's letter dated the 12th August 1925 on the subject and to inform you that the members of the institute may be examined on what they have learnt at the institute itself. As the certificate possessed by the Malayalam Instructor does not qualify him for the work of preparing candidates for the Government Certificate Examination, I would recommend that a properly qualified Instructor than the existing one be appointed to train the pupils, if found practicable. If not, I would commend for your consideration the suggestion contained in para 7 of the Physical Adviser's letter.

Copy of letter dated the 13th August 1925 from the Adviser to Government on Physical Education to the Director of Public Instruction, Madras.

With reference to Proceedings R.O.C. No. 1020/D/25, dated 4-8-1925 and to the enclosed communications from the Superintendent, Borstal School, Tanjore and the Inspector General of Prisons, I have the honour to reply as follows:-

1. The Physical Training certificate possessed by T. Ramakutty Nair, Senior Malayalam Instructor of the Borstal Institute, Tanjore does not qualify him to impart the necessary instruction to prepare men to appear for the Government Examination which we now give for Physical training certificates.
2. The training which he received at Calicut covered only the Handbook of Physical Activities for Indian Schools and the Government Examination at that time required only a knowledge of the use of that book.
3. Our training imparted in the Y.M.C.A. School of Physical Education Madras for those who appear for the Government Examinations, cover the handbook of physical Activities and many other activities

10
besides, physiology and Hygiene; Principles and methods of physical training, first aid; play and playgrounds etc... The men trained here are required to pass an examination in theory as well as in practice in order to receive a certificate. It would therefore not be fair to men receiving this more thorough training to grant --- Government certificates to those who were able to pass an examination in the Handbook alone.

4. I am quite sure that the educational qualifications of T. Ramakutty Nair are not sufficient to enable him to be equipped to prepare men to pass the examination which is now given.

5. I can quite understand that reform and prison students cannot be sent to the Madras School to be prepared for these examinations but if we are to maintain the high standard which we have set out to do by closing all the previous training centres and permitting only these to appear for Government examinations who are trained in the Y.M.C.A. School of Physical Education we should make the rule apply to reform and prison schools as well.

6. The solution to the problem in so far as the above mentioned institutions are concerned would be for Government to depute for training in our one year course some suitable college graduates and place such qualified men in charge of the physical training. I am convinced that only such men can be properly equipped to prepare certificate candidates to pass examinations in the subjects which we teach.

7. An alternative might be to train the men in such institutions in the Handbook of Physical Activities only, permit them to appear before the physical Adviser for an examination on these activities and the Physical Adviser to issue a written statement over his signature concerning the candidate's ability but not allow them to appear for Government certificate examinations.

In submitting this reply and suggestions.

With reference to Government Memorandum No. 535 B/25-2 dated the 10th March 1925 and in continuation of my letter No. G/688, dated the 14th September 1925, I have the honour to forward herewith copies of letter No. 313--C dated the 6th July 1925 from the Director of Industries, Madras, and letter No. R.C. 1657--D/25, dated the 25th September 1925 from the Director of Public Instruction Madras, from which it will be seen that the Borstal School, Tanjore has been recognised as an institution fit to -- impart instruction in cabinet making, weaving, Tailoring and Physical training. The Director of Industries states that as the Government Technical examination in cabinet making has been abolished such of the students

12

students as satisfactorily complete their course and are able to satisfy the Inspector of Industrial Schools as to their proficiency will be eligible for the grant of Industrial School certificates. In view of the disabilities pointed out by the Advisor to Government on physical Education, in his letter dated the 13th August 1925, to the Director of Public Instruction, Vide his letter No. 3364/25, dated the 1st September 1925 a copy of which was forwarded with this office No. G/688, dated the 14th Sept. 1925, the Physical Advisor to Government will examine the boys trained in the Hand book of Physical activities and issue certificates as to their proficiency in the subject.

cf. also paragraph 2 on p. 6 ante

In the circumstances I request that the Government may be pleased to exempt the candidates of the Borstal School, Tanjore from payment of the fees prescribed for admission to Government Technical examinations in weaving and Tailoring.

Copy of letter No. 313 C/25, dated the 6th July 1925 from the Director of Industries, Madras.

ORDER:-

The Director is pleased to recognize the Tanjore Borstal School, as an industrial school fitted to impart instruction in cabinet making, weaving and tailoring. The recognition accorded is subject to the due observance by the authorities of the school of the rules and regulations contained in the Grant-in-aid Code and the Madras Educational Rules of the Department of Public Instruction in so far as those rules and regulations are applicable to industrial schools recognized by the Department.

2. The Director is further pleased to declare the Superintendent of the School as the official correspondent for the purpose of carrying on correspondence etc., with this Department in so far as the conduct of the school is concerned.

3. A copy of the circular regarding the maintenance of registers and records issued to the Correspondents of recognized industrial schools by the Inspector of Industrial Schools (No. 224-C/24 dated 8th May 1924) is forwarded herewith for transmission to the Superintendent of the Tanjore Borstal School.

4. Under the orders of recognition conveyed in these proceedings, the pupils of the school will be eligible to appear for the Govt Technical Examinations in Weaving and Tailoring. As the Govt Technical Examination in Cabinet-making has been abolished such of the students as satisfactorily complete their course in this subject and are able to satisfy the Inspector of Industrial Schools as to their proficiency will be eligible for the grant of the Industrial School Certificates, a specimen copy of which is herewith enclosed.
