Sir, Thro'

The Direction of Public Instruction, Madras,
and
The District Educational Officer, Coimbatore.

Sir,

I have the honour to submit that the ---
Inspector of Municipal Councils recommended the entertain-
ment of two combined Drill & Drawing masters at Rs.30/-
per mensem in the scheme prepared by him for the introduc-
tion of Compulsory Elementary Education in this Municipality.

The teachers employed in the Elementary --
schools of this town are not capable of imparting instruction
satisfactorily

satisfactorily in these subjects, nor can they find time for this in the midst of other duties which they have to perform legitimately. Many of the teachers who had undergone the course under the old system of training are not capable of teaching drawing. It was therefore considered desirable to employ one specially trained master for the purpose of teaching Drill and Drawing in all the Elementary Schools under the Council and accordingly the Council -- sanctioned the appointment of a combined Drill and Drawing Master in its Budget for the current year on a scale of Rs.25/- per mensem plus 5 cycle allowance.

The Director of Public Instruction in his letter No. R.O.P.22-B-3/24-25 dated 18-4-1925 (Para V, copy enclosed) advised me to act on the opinion of the District Educational Officer, Coimbatore. The said Officer first recommended the entertainment of one qualified --- Drawing Master and one qualified Physical Training --- Instructor, on the score that a suitable man with dual - qualification would not be easily available. Again I - recommended a local man with these two qualifications and the District Educational Officer approved my proposal to entertain a combined Drill and Drawing Master from the - beginning of this Official year. (Copy of his letter R.O.C.No.670-C/22 dated 7th August 1925 enclosed).

In the meanwhile, the District Educational Council, Coimbatore (on the recommendation of its -- President) has resolved that a separate Drill master is quite ^{un}necessary (Copy of Resolution enclosed). Evidently, the fact that the same man has to serve also as Drawing Master seems to have escaped the notice of that Body.

I have appointed permanently a qualified Drill and Drawing Master as resolved by the Council and recommended by the District Educational Officer, as I was not willing to lose his services in the interests of the Administration.

I would therefore request that the ----
Government

Government be pleased to sanction the appointment made by me, such appointment having been suggested first by the Inspector of Municipal Councils, approved by the Council and recommended by the District Educational Officer.

I have the honour to be,

Sir,

Your most obedient Servant,

K. V. S.
Chairman.
