U.O. Reply No. 43-C/219-N

The Government of India may be informed that the Local Government cannot provide for Mr. Findlay Shirras in the provincial cadre of the Indian Educational Service. In the first place his appointment is that of Professor of Political Economy and we already have Dr. Mathai and others fully qualified in Economics. Further I should deprecate an outsider coming in who would adversely affect the prospects of officers already in the service as regards the selection grades.
