Copy of letter No.3.Ec dated 19-7-25 from M.R.Ry., N.Durairaja Ayyar
Avl., M.A., B.E., Assistant Executive Engineer, P.W.D., and acting
Additional Professor of Civil Engineering, College of Engineering,
Madras, to the D.P.I., Madras.

(D)
I have the honour to inform you that as per orders con-
tained in G.O.No.Mis.716.W dated 28-5-25 my services have been
placed at the disposal of the Educational Department from 6-7-25
for employment as Acting Additional Professor of Civil Engineering
in the arrangements made during the absence of Mr.Cartwright. My
salary in the junior scale of the Indian Service of Engineers has
been Rs.675/- and the Accountant-General has intimated to me that
I am to draw Rs.700/- from 6-7-25.

I was in charge of the North Arcot Division for 9 months
in 1924 and now 3 officers of the Indian Service of Engineers who
are my juniors in the list - (Messrs Shroff, Mathai and Venkatarama
Raju) - are now officiating as Executive Engineers and moreover two
officers of the Madras Engineering Service are also officiating as
Executive Engineers. In the natural course of events I should have
had the chance of officiating as an Executive Engineer and have
drawn the Senior scale of pay i.e. Rs.775/- per month. Thus it is
seen that my transfer to the Educational Department has resulted in
loss of emoluments.

Hence I request that after consultation with the Chief
Engineer the Government may be addressed to permit me to draw the
scale of pay which I should have drawn had I continued in the
Public Works Department.

Copy of letter No.2134-E/25-C.R. dated 3rd August 1925 from the
Chief Engineer, General and Establishment, Chepauk, Madras.

I have the honour to return herewith the petition received
with your above endorsement as the question relates to his pay in
the Educational Department and you will have to address Government
in your own Department on the matter.

2. The facts set forth in the petition are correct. There is
no doubt that if M.R.Ry., N.Durairaja Ayyar had not been transferred
to the College of Engineering he would have been in charge of a
Division before 6th July 1925 and would continue in such charge so
long as his next junior officiated as Executive Engineer i.e., till

till about December next, if not longer. In this case his pay in P.W.D. would be Rs.775/- to 12-10-1925 and Rs.825/- from 13-10-1925. I therefore recommend that steps may be taken to have his pay in the Education Department fixed with reference to the above facts.

ENCLOSURES.

Reference: Government Endorsement No.3054-A-1

dated 19th August 1925 forwarding to this office for remarks the letter of the Director of Public Instruction Madras, regarding increased rate of pay to M.R.Ry. N. Durairaja Aiyar, Officiating Additional Professor of Civil Engineering, College of Engineering, Guindy.

Under para 8 of the Government of India, Education Department, letter No. 371, dated 23rd March 1920 the pay of M.R.Ry. N. Durairaja Aiyar, was fixed with reference to his pay drawn in the Indian Service of Engineers at the time of his appointment, as officiating Additional Professor of Civil Engineering, College of Engineering. The fact that his juniors are acting as Executive Engineers will not affect his emoluments so long as he is drawing pay in the Indian Educational Service.

Director of Public Instruction's letter containing the Government Endorsement is herewith returned.

KVT.

Assistant Accountant General.

The Secretary to the Government of Madras,

Law (Education) Department.

(C.No 3054A)

From the D.P.I., No. 1241 C/25, dated 10-8-25.

Subject : - M.R.Ry. N.Durairaja Ayyar Avargal - Officiating Additional Professor of Civil Engineering-Petition for increased rate of pay.

M.R.Ry. N.Durairaja Ayyar, an officer of the P.W.D., was appointed to officiate as Additional - Professor of Civil Engineering, College of Engineering, Guindy, with effect from 6-7-25 in the arrangements sanctioned on account of the grant of leave for four months to Mr. Cartwright. The post of Additional professor of Civil Engineering is included in the cadre of the I.E.S. Under the orders of the Govt. of India an officer entering the I.E.S. from outside the regular educational services should come in on a pay which is the nearest multiple of Rs. 50 above his pay in the service. At the time of appointment as Additional professor, Mr. Durairaja Ayyar was drawing pay at Rs. 675 a month as Assistant Executive Engineer. According to the Govt. of India's order referred to above, the A.G. has allowed him a pay of Rs. 700 in the time scale of pay for the I.E.S.

2. Mr. Durairaja Ayyar now states that his juniors in the P.W.D. are officiating as Executive Engineers and that if he had remained in the P.W.D. he would also be acting as an Executive Engineer and be eligible for pay at Rs. 775 a month. He requests that he may be allowed to draw this pay while doing duty in the Educational department. The A.G. points out that this request cannot be complied with so long as he is drawing pay in the I.E.S. With regard to this it is submitted that Mr. Durairaja Ayyar cannot, strictly ~~speaking~~ speaking, be considered to be acting in the I.E.S. as, under the Govt. of India's orders, no officiating appointments to that service should be made pending orders on the Lee Commission report. It does not therefore appear that Mr. Durairaja

(G)

Ayyar's pay should be fixed in accordance with the orders applicable to the I.E.S. If the pay admissible to him in the P.W.D. is not allowed, Mr. Durairaja Ayyar may legitimately ask for reversion to his own department. If he is so reverted, it may cause inconvenience to the College. It seems therefore, desirable to allow him to draw the pay admissible in the P.W.D. If necessary, a temporary post on that pay may be

created. The A.G. may be consulted u.o. on this point. S.M.S. 30-8-25.

045

Pay of Mr. N. Durairaja Ayyar, Officiating Additional Professor, Civil Engineering, College of Engineering, Guindy.

N.O. note from the Asst. Genl. to G.A. 88-1185 40.365 of 12-9-25

Under rule 31 of the Fundamental Rules, Mr. Durairaja Ayyar can be allowed to draw either the presumptive pay of his officiating appointment as ^{Additional} Professor of Civil Engineering, College of Engineering in the I.E.S., or the presumptive pay of his substantive post in the P.W.D., whichever is greater. Mr. Durairaja Ayyar's ^{substantive} ~~permanent~~ pay in the P.W.D. is only Rs. 675 and he has been allowed to draw Rs. 700 as Officiating Professor in the I.E.S. Mr. Durairaja Ayyar requests that the pay he would have drawn as Officiating Executive Engineer, had he continued in the P.W.D., should be allowed to him, while officiating as Professor in the College of Engineering, in the I.E.S. It does not appear that his request can be allowed under rule 31 of the Fundamental Rules. ^{as suggested in the Asst. Genl. note quoted above} The A.G. may, if it is submitted, be asked whether it will not therefore be necessary to create a temporary post, outside the regular cadres, for the benefit of Mr. Durairaja Ayyar, if he is not to suffer in emoluments.

As Asst. Executive Engineer P.W.D.

(Some of his) ^{Asst. Engineers in the P.W.D.} have since been appointed to officiate as Ex. Engineer

309 Superior Civil Series Rule (11)

Office of the Accountant General, Madras, Fort St. George, Dated 9th October 1925. No. G.A. 88-1351.

Since the introduction of the parallel Senior and Junior scales of pay in the Indian Service of Engineers, the pay of an officer has been regulated by the post held by him; if he holds a divisional

6
-2-
divisional charge, he draws pay in the senior scale, if a charge of less importance the junior scale applies.

2. It was ascertained from the Chief Engineer that Mr. Durairaja Ayyar would have been in continuous charge of a division but for his services having been placed with the Education Department. The substantive pay of Mr. Durairaja Ayyar should therefore be the pay he would have got if he stuck on to the regular line (i.e. the pay in the senior scale and not that as an Assistant Executive Engineer). His pay in the Indian Educational service was accordingly fixed under Fundamental Rule 32, with reference to his pay in the Senior scale.

3. As in the above circumstances Mr. Ayyar does not suffer in emoluments, the question of creating a temporary post outside the regular cadres does not arise.
