Sir,

Reference G.O. No. 1404 Law (Education) dated the 13th August 1925 and G.O. No. 1584 Law (Education) dated the 11th September 1925. Halting Allowance - The Superintendent - Second Taxidermist - Zoological Attender - Tour - Krusadai Island.

With reference to the first Government Order quoted above I have the honour to forward copy of the Accountant-General's Endorsement No. G- III- 3610, dated the 2nd October 1925 disallowing me daily allowance from the 12th to the 24th September during my stay at Krusadai on the ground that the Government Order does not specifically sanction the grant of daily allowance for more than ten days, and to request that

the

^{order}
the Government may be suitably modified so as to enable me to draw full daily allowance for the remaining 13 days (12th to 24th September) of my stay there in connection with my work, at the rate of Rs. 6 per diem.

2. The daily allowances on account of the halt of the Second Taxidermist and the Zoological Attender at Krusadai for more than ten days, which is the only extra item of expenditure, amount to Rs. 8-12-0 and Rs. 4-12-0 respectively at the rate of 10 and ~~12~~ 4 annas per day. The Zoological Attender had to halt at the place for 5 days more than the Taxidermist as I required him after I left to make certain drawings under the directions of Prof. Ramunni Menon of the Madras Presidency College who was also camping at the place. I request that sanction may also be accorded to draw the full daily allowance by the Second Taxidermist and Zoological Attender for 14 and 19 days respectively. They halted at Krusadai for 24 and 29 days.

Full daily allowance is necessary in each case as provisions etc. are not available at the place and have to be got from Pamban which is 3 miles away, and the work done there is of a special nature and more arduous than they are expected to discharge at the Head Quarters.

I have the honour to be,

Sir,

Your most obedient servant,

J. H. Gravey

Superintendent.

Copy of Accountant-General's Endorsement No. G III-3610 dated 2nd October 1925 to the Superintendent, Government Museum, Madras.

His Travelling Allowance bill for Rs. 334-11-0 presented by the National Bank of India has been passed for payment of Rs. 256-11-0 only. The daily allowance of Rs. 6/- per diem claimed for 13 days (from the 12th to 24th September 1925) has not been passed as, under Rule 41 of the Madras Travelling Allowance Rules, daily allowance for more than 10 days of halt at a place is inadmissible. If, however, Government specially sanction the grant of daily allowance for those days, the same may be claimed on a separate bill. In G.O. No. 1404 Law (Education) quoted in the present bill, Government have sanctioned the drawal of halting and travelling allowances admissible under the Madras Travelling Allowance Rules only.

Sir,

3147 -C/25-1 dated 13th October 1925 - Daily allowance for Superintendent and Subordinates - Krusadai Island tour. I have the honour to state that personally I have not incurred any extra expenses as I was able to live as cheaply on the Island as in Madras. I was not aware of the exact conditions under Rule 41 (b) and was under the impression that I should claim the allowances as a matter of course. Under the circumstances I withdraw my claim for the halting allowances of more than ten days.

2.6

As regards the two subordinates a statement of extra expenditure incurred by each is enclosed. As already stated in the last paragraph of my letter dated 6th October 1925 I consider that full daily allowance is necessary in each case and that additional expenditure incurred by them is legitimate. I have accordingly the honour to request that Government will be pleased to sanction the grant of a sum of Rs. 8/12 and Rs. 4/12 to the Second Taxidermist and the Zoology Attender respectively for their halt at Krusadai Island for more than 10 days, to be met from our allotment for Travelling Allowance.

C.No.3147 C - From the Superintendent, Government Museum, No. 1335 - 1/25 dated 6-10-1925.

Subject: Halting allowance - Superintendent and subordinates - Stay in the Krusadai Island -

In G.O. No.1404 Law (Education), dated 13-8-1925 Dr. Gravely was permitted to stay in the Krusadai Island from the 30th August 1925 to the end of September 1925. He was allowed to draw halting allowance admissible under the Madras Travelling Allowance Rules. Rule 41 (1) of the T. A. rules ^{contemplates} the grant of halting allowance for ~~not more than~~ ten days.

2. Later on Dr. Gravely asked that he might be permitted to take the Second Taxidermist and ^{Zoological} Attender in the Museum with him and requested that they might be permitted to draw halting allowance of the full period of their absence from headquarters. The Finance Department suggested that the subordinates might be allowed halting allowance for ten days under Rule 41 of the Madras Travelling Allowance Rules and that if the halt exceeded that period they might be ^{required} to furnish a statement of expenditure ^{to enable the Govt.} in order to ~~the~~ determine what daily allowance should be allowed for the halt in excess of ten days. ^{Orders were issued accordingly - G.O. 1584 E, d/11-9-25}

3. The stay of the Superintendent and the subordinates on the Island was as follows:-

Superintendent	23 days.
Taxidermist	24 "
Attender	29 "

The A. G. objects to the grant of halting allowance for the period in excess of ~~the~~ ten days. The Superintendent has not furnished a statement of extra expenditure incurred by himself and the subordinates ~~and~~ but says that full daily allowance

for the entire period is necessary in as much as provisions are not available in the Krusadai Island and that they had to be got from Pamban, three miles away. It is doubtful whether a general statement of this kind will be accepted by Finance. It seems better to obtain a statement of expenditure from the Superintendent. A draft memo is submitted.

The Superintendent states that he ~~did not~~ ^{did not} ~~incurred~~ ^{incurred} no extra expenditure ~~on the island~~ ^{on the island}. He therefore withdraws his claim for the halting allowance ~~for the period in excess of four days~~ ^{for the period in excess of four days}. As regards the subordinates a statement of the extra expenditure incurred by them is furnished and the Superintendent recommends that full daily allowance may be sanctioned in their case. The proposal of the S.G.M. may be approved. A draft order is submitted. It may be sent to the Finance Department for acceptance.
