Dear Sir,

I am in receipt of your D.O. No 735-A-4.
On receipt of a communication from His Exalted Highness the Nizam's Government that it had decided to transfer the donation of Rs 2,500 from the proposed Usmania College to the Government Mohammedan College at Mudah Bagh, the Committee of the proposed College, of which the Director of Public Instruction was also a member, resolved to return the donation to the Hyderabad Government. The amount was accordingly remitted to Hyderabad through a demand draft of the Bank of Madras. A sum of about Rs 2000/- had accrued as interest on this and other donations

collected for the Osmania College. The latter donations were also refunded to the donors. The amount of interest was placed as a fixed deposit in the Bank of Madras in the name of the Honorable Sir Abdur Rahim, the Chairman of the Committee, the reciept for which I handed over to him in May 1919 on the eve of my departure to England. I am not aware how the amount was disposed of by him afterwards. He may have paid it for scholarship to the Mohamedan Educational Association of Southern India of which he was the President.

I am giving this information of Course from memory as the Connected papers are not with me here in the Jail.

I was under the impression that your Government had recieved this amount long ago. May I request that you would satisfy yourself on this point before writing to Hyderabad.

From Mr. Yaqub Hasan's letter on pages 21-22 ante, it will be observed that the amount of the donation (Rs. 25,000) was returned to the Nizam's Govt. In the concluding portion of his letter Mr. Yaqub Hasan however says that he gives the information from memory and that the fact should be verified before addressing the Nizam's Govt. in the matter. But it is not possible to verify this point as the Vide pages 12-15 ante ~~person~~ subject ~~deceased~~ are not available. ~~dead~~ 2. Dear Mr. Ramachandra Roy,

With reference to your D.O.No.735 A-5, dated the 4th of April, I am to say that the sum of Rs.25,000/-, the donation of H. H. the Nizam was received by Mr.Yaqub Hasan Sahib who was appointed Secretary and Treasurer to the Board of Usmania College by the Madras Government and that amount along with other amounts received by way of subscription towards the proposed Muslim College, was kept by him in his own name in the Madras Bank. On the 10th May 1919, he wrote to me a letter stating that this sum of Rs.25,000/- had been returned to the Nizam's Government and also sent me a letter, dated the 26th April 1919, purporting to be written by the Assistant Secretary in the Financial Department of that Government to Mr. Yaqub Hasan acknowledging receipt of a demand draft Nos. [illegible]224, dated the 17th April 1919 on the Bank of Bengal for Rs.25,000/- being refund of the

the donation. Mr. Yaqub Hasan also stated in his above mentioned letter to me that he had received no reply about the sum of Rs.1,700/- realised as interest on the Nizam's donation and that he had asked the Bank of Madras to renew the deposit of Rs.2,350/- for another six months and to add to the amount the interest in the balance of the current account. He stated that the Bank would make up one receipt for the whole amount i.e.,Rs.2,959-13-5 in my name and send it to me in due course. This letter was written to me on the day Mr. Yaqub Hasan left for England. But I have not been able to find any receipt for the sum of Rs.2,959-13-5 from the Bank of Madras and I cannot recollect that any such receipt was ever sent to me, nor can I find entry in my Pass-Book of any such sum and I do not recollect having dealt with that amount in any way.

Any how I am writing to the Bank of Madras to find out if the amount was deposited by Mr. Yaqub Hasan as stated by him and if so, what happened to the money. On hearing from them I shall let you know the result

Yours sincerely,

Please see the Resident's D.O. on the previous page. He may now be requested to arrange for the repayment of the donation to the President, Board of Visitors to the Madrasa-i-Azam, Madras.

2. As regards the interest on the donation, please see Sir Abdur Rahim's D.O. on pages 31-32 ante. The amount now lying in the Imperial Bank at Madras consists of interest on the Nizam's donation and also on some other private donations. From Sir Abdur Rahim's letter it appears that the consent of the other members of the Osmania College Board should be obtained for the payment of the Board of Visitors of the interest on the private donations. The D.P.I. may be asked to obtain the consent of the members, if there are any.

D.O.No. 64-C/22. 17th November 1922.

Dear Mr.Ramachandra Rao,

Your D.O.No.736 A-9 dated 14th November 1922 forwarding the sum of Rs.2956-12-10 being the interest on Rs.25,000/- given by His Exalted Highness the Nizam for the Muhammadan College in Madras and on the private donations. I enclose for your information copies of letters from Messrs.Yakub Hasan and Goolam Ahmad Kalami dated respectively 9 and 15th November 1922. As you will see from their letters there is no chance of these two individuals agreeing to the transfer of the fund to the Board of Visitors of the Madrasa-i-Azam. His Exalted Highness, I find, approved of the fund being transferred to this Board to be administered by them. Whether in these circumstances it is possible to take action in spite of their disagreement simply on Sir Abdur Rahim's statement, is open to doubt and perhaps it is a point on which legal opinion should be taken. What Sir Abdur Rahim wrote on the 24th April 1922 was "If you get their consent (the consent of Messrs.Yakub Hasan and Goolam Ahmad Kalami among others) I shall write to the Bank to make over the amount to such person as the Oosmania Board and the Nizam's Government may authorise". The amount at present is with the Imperial Bank of India, Madras, in fixed deposit.

Yours sincerely,

R. Grieve.

Copy of letter dated 9th November 1922 from Mr.Yakub Hasan.

When I handed over this amount to Sir Abdur Rahim the President of the Usmania College Board on the eve of my departure to Europe I had told him that I would like the amount to be paid to the Mohamedan Educational Association of Southern India to form one of its scholarship funds. I do not see the need of creating any special board to administer this particular fund. I cannot agree to any proposal that would give the handing of this amount to the Government.

(True Copy)

Copy of letter dated 15th November 1922 from Goolam Ahmad Kalami.

In reply to your D.O.No.64 C/22 of the 19th September last the sum of Rs.2956-12-10 that was placed in fixed deposit by Mr.Yakub Hassan in the Imperial Bank of Madras on the 19th May 1919 should in my opinion be handed over to the Muhammadan Educational Association of Southern India along with the amount of interest that must have since accrued, to form the nucleus of a Special Scholarship Fund which may be named H.E.H. the Nizam's Muslim Scholarship Fund. The income of this fund may be utilised by the Association year after year in awarding scholarships to the poor and deserving pupils of the Muhammadan community. With the permission of H.E.H. the Nizam's Government the original lump sum donation of Rs.25,000/- may also be handed over to the M.E.Association of Southern India to be added to the above Fund. This Provincial Association of the Muhammadan community is a long established and well organised National Institution and has been the right and accredited custodian of many other such Funds. It may therefore be trusted to utilise the income of this new fund also in awarding scholarships to the promising and deserving youths of the community.

In case the income of the Fund is proposed to be handled and distributed officially by the Director of Public Instruction

or by

-2-

or by a separate Committee appointed by him it will mean ignoring the existence of the accredited Muslim Body. In this case I cannot see my way to vote as desired in your letter under reply. I may also add that I have no objection to the sum of Rs.25,000/- plus the Rs.2956-12-10 and accrued interest thereon being kept in the custody of the Accountant-General or of the Administrator of Endowments and Trusts, on condition that the income of the total amount so invested is annually handed over to the Muhammadan Educational Association of Southern India for distribution amongst Muslim students along with its other resources.

LAW DEPARTMENT

The amount of Rs 2900/- odd in question is made up of interest on the Nizam's donation, interest on private donations and balance of current account. With regard to the interest on the Nizam's donation (rupees 1700/- odd), H.E.H. the Nizam has authorised the handing it over to the Board of Visitors of the Madrasa-i-Azam for purposes of scholarship for deserving Mohamadan students and Sir Abdur Rahim himself in his letter dated 24-4-1922(pages 31 and 32 of the file sent to me) raises absolutely no difficulty with regard to this. Even with regard to the rest, he only says that if the other members of the Osmania College Board agree, there would be no difficulty. The private donors have also authorised the diversion of the interest on their donations for purposes of scholarship(see Sir Rahim's letter mentioned above). Even Mr. Yacoob Hassan and Mr. Goolam Ahmad Kalami in their letters dated 9-11-1922 and 15-11-1922 respectively (see pages 43 and 44) agree to the diversion of the fund for purposes of such scholarships. Their only objection is to its being entrusted to the Board of Visitors of the Madrasa-i-Azam and they say that it should be entrusted to the Mohamadan Educational Association of Southern India for the said purpose. I take it that the Director of Public Instruction and the Principal of the Presidency College agree with Sir Abdur Rahim the President that it should be entrusted to the Board of Visitors and not to the M.E. Association. Before giving my final opinion as to whether under these circumstances Sir Abdur Rahim the President in whose name the fund stands at present in the Imperial Bank might be requested to transfer it to the President of the

-2-

Board of Visitors of the Madrasa-i-Azam for the said purpose, I should like to be informed as to the composition and constitution of the Osmania College Board as well as the rules governing it. The papers are herewith returned which might be sent back to me along with the information.

D.O. No. 1618 A-2, 4-6-23.

My dear Littlehailes,

Disposal of H.E.H. the Nizam's donation to the Muhammadan College, Madras - your d.o. 64C-2/23 dated 30-5-23.

As you will see from the Adv. Genl's opinion copy of which was forwarded to you with Mr. Noyce's D.O.No. 1618A-1 dated 18-4-23 the sum of Rs.2900-odd refd. to therein

S3 & 79

therein is a composite sum. It is made up of

(1) interest on the Nizam's donation of Rs.25,000/-

(2) interest on certain private donations originally collected for the ~~Xxxamxxx&xxxgxx~~ Oosmania College, and

pp 31 ante 49

(3) balance of the current account of the former Oosmania College Board with the Madras Bank.

2. The entire amount is held in fixed deposit in the Imperial Bank and though there is no trouble about item (1) above, it is not clear whether a valid transfer of the other two ~~sums~~ stand to the Board of visitors, Madrasa-I-Azam can be effected. As it is however thought that it would be preferable to deal with the disposal of the whole amount, the Adv. Genl. was asked to examine the legal position. ~~In his preliminary opinion refd. to above~~ Before giving an opinion on the point he has asked for certain further particulars in regard to the composition and constitution of the Oosmania College Board and the rules governing it. Will you therefore kindly furnish these particulars as early as possible?

Dear Sir, Abdur Rahim,

Mr. Littlehailes writes to me that I have not furnished to you a receipt for the money representing the interest on the Nizam's donation of Rs.25,000. The last letter that I had from you on the subject was one dated 24-4-1922, of which I enclose a copy in case you have not kept one. You will observe therefrom that the amount of - - - Rs.2956-12-10 is a composite amount made up of the interest on the Nizam's donation, the interest on private donations raised for the Oosmania College and the balance in the current account of the former Oosmania College Board with the Madras Bank, that you have no objection to the transfer of the amount in question to the Board of Visitors of the Madrasa-i-Azam and that the consent of the other members of the now defunct Oosmania College Board ~~was~~ would be necessary for the transfer of the last two items comprised in the amount. Enquiries since made show that there is a difference of opinion on the part of Messrs. Yakoob Hasan and Goolam Ahmad Calami as to the transfer of the amount to the visitors. The Advocate General is being consulted as to whether the entire amount may be transferred to the Board in spite of the disagreement of Messrs. Yakoob Hasan and Goolam Ahmed Calami. Copy of letter dated 30th July 1923 from Sir Abdur Rahim.

Dear Mr. Littlehailes

I am sorry for the delay in replying to Mr.Grieve's letter on the subject of constitution of the Osmania College Board.

I find from a copy of a letter of Deputy Financial Secretary to the Nizam's Government, dated the 17th February 1917, addressed to Mr.Yakub Hassan that the Board of Management as proposed by the Director of Public Instruction, Madras, was to be constituted as follows:-

1. The Hon.Mr. Justice Abdur Rahim----President.

2. The Hon.Mr.Yakub Hassan----Secretary.

3. Mr.Ghulam Ahmad Kalami, Secretary of the Vanyambadi Muhammadan Educational Society----Member.

4. Haji Maulvi Ziauddin Muhammad Saheb, President of the Vanyambadi Muhammadan Educational Society---Member.

5. An educational officer in the Collegiate line e.g. the Principal of the Presidency College and such other members as would be useful e.g.the additional Professor of Arabic in the Presidency College--- Member.

Mr.Naimur Rahman Saheb was the additional Professor of Arabic at the time.

I also recollect that Mr.Stone (now Sir Joseph Stone) was a Member and after that yourself and Mr.Allen.

I am not sure whether Maulvi Ziauddin Muhammad Saheb did not resign his membership and whether Mr.M.Hydari (then Finance Secretary to the Nizam) was a Member. I do not remember that the latter attended any meeting of the Board.

Yours sincerely,
(sd) Abdur Rahim

Opinion.

1.- U.O. No. 1618 A-5 dated 6th October 1923, Law(Education) Department.

1 The papers on hand show that the sum of Rs 2900/- and odd in question is part of the donations received by the Board of Management for establishing the Usmania College at Vaniyambadi as per constitution set out at page 58 of the file. The entire donations raised by the Board were undoubtedly held by them in their capacity as trustees for carrying out the objects set out in the constitution.

2 The proposed Usmania College did not however materialise and the scheme fell through. The original trust having become incapable of achievement or execution, a resulting trust in favour of the donors came into existence and the Board must be deemed to have held the donations for their benefit. It was obviously on this basis that the donations of the Nizam and the other donors were returned to them by the Board.

3 The sum of Rs 2900/- in question is apparently the accumulated interest on the above mentioned donations - see Yacoob Hassan's letter at page 21. Page 29 of the Hon'ble Mr. Rahim's letter also suggests the same, although page 31 would appear to indicate a third head. But as the source of the third head is not clear and does not appear to be different, I am inclined to think that the amount consists of two items namely, (1) interest on Nizam's donations of Rs 25000/- and (2) interest on donations by other donors. I shall therefore deal with it on this basis.

4 The Board held this Fund subject to the same conditions and objections as the corpus (the original donations themselves out of which it accrued. Hence similar principles apply to

~~46~~ 92

-2-

the disposal of this fund also namely, that the Board held the same for the benefit of the donors and under their orders. The Board has no power to deal with the same according to its own independent views whether unanimous or concurred in by majority.

5 The Nizam is said to have expressly authorised the handing over of the interest on his donations (i.e. Rs 1700/- and odd) to the Board of Visitors of the Madrasa-i-Asam, for purposes of scholarships for deserving Mohamadan students. Hence this portion of the fund does not find any difficulty and may be disposed of as directed by the Nizam. As regards the remaining amount, the wishes of the individual donors will have to be consulted and action taken accordingly. This view will necessarily involve the ascertainment of the exact amount which had accrued due for interest in respect of each donation and after the same is worked out, the different amounts constituting the fund will have to be disposed of in accordance with the wishes of the donors in respect of whose donations the said amounts had accrued due as interest. It is true that private donors also are said to have authorised diversion of interest on their donations to purposes of scholarship (see page 57 to 58 ante 32 of the file). But such general permission by them is, in my view, not sufficient to justify the handing over of the entire interest to the Board of Visitors of the Madrasa-i-Asam. A specific authorisation from each donor for the transfer of the interest on his donation to the Board of Visitors should be obtained in each case.

From the Adv. General's opinion it will be observed that the portion of the deposit representing the interest on the Nizam's donation (Rs. 1700 and odd) together with the interest accrued on that deposit since 1919 may be placed at the disposal of the Board of Visitors to the Madrasa-i-Azam. In regard to the rest of the amount (about Rs 1200) which represents the interest of the other donations even the consent of the members of the old Osmania College Board is insufficient but that the consent of the several donors themselves should be obtained for the utilization of the amount. There is no information as to who those donors were. It will not also be easy to obtain this information and to ascertain the wishes of those donors. It is therefore for consideration whether the question of utilizing this portion of the money need be pursued. It seems insufficient if the amount of Rs 1200 representing the interest on the Nizam's

The position may be explained to Sir Abdur Rahim & it may be left to him to arrange with the donors or their representatives for the ultimate utilization of the portion (Rs 1200).

Sir Abdur Rahim asks for a copy of the Nizam's order authorizing the disposal of the interest on his original donation, apparently with reference to para of the Adv-Genl's opinion on page 66 ante which is based on Sir Abdur Rahim's statement at A on page 32 ante. The Nizam's Govt has not specifically authorised the disposal of the interest on the donation but only the original donation itself. Reading para 5 of the Adv-Genl's opinion with para 4, it was understood that the order authorizing the disposal of the original donation would apply to the disposal of the interest also. It is for consideration whether the Nizam's Govt should be addressed for a specific sanction to the disposal of the interest or whether Sir Abdur Rahim may be written to as above.

Dear Sir Abdur Rahim,

Disposal of the interest on the Nizam's donation ~~to the Mohammedan Colleges~~ for Scholarships for Muhammadans - Correspondence ending with your D.O. of the 11th January 1924.

In your letter of the 11th inst. you ask me to send a copy of the - - Nizam's order sanctioning the disposal of the interest on the donation of - Rs.25,000. From the*marginally-noted correspondence you will observe that His Exalted Highness the Nizam has agreed to the utilization of his donation of Rs.25,000 on the institution of scholarships to poor and deserving - - Muhammadan pupils. In para 4 of the Advocate General's opinion No.197, dated 4-12-1923, a copy of which has already been sent to you, it is stated that the same principles apply to the interest as to the original donation - itself. It follows therefore that - His Exalted Highness the Nizam's general direction as regards the donation applies to interest also. If you agree with this interpretation, I am to request you to authorize the Imperial Bank of - India, Madras, to place the amount in question at the disposal of the President, Board of Visitors to the Madrasa-i-Azam.

I enclose a copy of the letter I am writing to the Imperial Bank which I hope will enable the Madras Government to draw the amount of interest which accrued on the Nizam's donation of Rs.25,000/-. Dear Sir,

I am to refer to your letter No.4936, dated the 21st April 1922, regarding a sum of Rs.2,956-12-10 which was placed in fixed deposit in the name of the President, Usmania College Board on 19th May 1919 repayable after six months bearing interest 5 p.c. which deposit is still outstanding in your books. Out of that amount which represents the interests on the following principal sums donated for the proposed Usmania College (which subsequently failed to materialise) namely :-

By the Nizam of Hyderabad - Rs.25,000/-
By B. Abdul Hakim Saheb - Rs. 7,500/-
By Mithadar Khan Bahadur
T.Aminuddin Saheb --- Rs. 7,500/-
By Malay Alam Haji
Abdur Rahman Saheb -- Rs. 7,500/-
By Hajee Abdul Rahim Saheb - Rs. 2,500/-

will you be good enough to pay to the Government of Madras in the Education Department the sum which represents the interest on the

103 78

the Nizam's donation of Rs.25,000/— I am told such interest would be about Rs.1,700/— and interest thereon but you will be in the best position to calculate the exact amount. As regards the balance I am in correspondence with the other donors named above and if you will kindly help me in the matter I hope finally to settle it soon so that the account need not any longer encumber your books nor entail any further correspondence.

Sir Abdur Rahim's letter at page 76 may first be acknowledged. A draft D.O. is submitted.

2. The Secretary and Treasurer, Imperial Bank, may be requested to say what the exact amount referred to by Sir Abdur Rahim is. A draft letter is submitted.

3. It is now plain from the letter that the accumulated interest on donations other than the Nizam's raised for the Osmania College is not available for the purpose of the scholarships to be awarded by the Board of Visitors to the Madrasa-i-Azam. We have now two sums to deal with:-

(i) the donation of Rs. 25,000 by the Nizam authorized to be drawn by the Board of Visitors to the Madrasa-i-Azam and the interest which should presumably have accrued thereon since 28th October 1922, the date of the Nizam's authorization to the Imperial Bank to pay the amount to the Board (P.4 ante) and (ii) the amount described in Sir Abdur Rahim's present communication.

The fund composed of the above is to be administered by the Board of Visitors to the Madrasa-i-Azam and the interest utilized on the award of scholarships to poor, promising and deserving Muhammadan students. It seems that the best thing to do would be to vest the entire amount in the Treasurer of charitable endowments, the Board of Visitors to the Madrasa-i-Azam, being of course the administrators. The D.P.I. may be requested/to u.o. offer his remarks on the suggestion. He will have to address the Board of Visitors, ask them to remit the amount (Principal + interest) to the A.G. and obtain from them an application for vesting the fund in the Treasurer of Charitable Endowments, settle with them a scheme of administration and furnish
