Sirx The Hon'ble Sir. A. Patro, Kt.,
 Minister for Education,
 State House Hill, Coimbatore.

Sir,
 I wish to bring to your kind notice that an Hindu girl by name Nagamall, belonging to Arundudiya community, depressed classes is reading in the 5th class in the Government Coimbatore Secondary Training School for Mistresses, Coimbatore. Out of several hundred girls in the Govt. School this is the only one Hindu depressed class girl. She is reading in the 5th class. This poor girl has no father, but she has a poor mother. She lives hand to mouth on account of ~~xxxxxxx~~ poverty. The condition of the girl as well as her mother is very miserable, but the girl has got a very great desire to continue her studies. She is paying half the amount of school fees with very great difficulties. This poor girl receives no encouragement or support, but there are several caste girls who are rich enough and they are getting scholarships on account of recommendation. Of course this girl also will become a bright girl, but when she takes one meal a day on account of poverty and if she were to think of her poverty, how would it be possible even for a smart girl to show brightness? Even bright girls belonging to rich families would surely fail to possess brightness, if they are put in the state of the above girl. I shall therefore esteem it a great favour if you will kindly pass orders to make remission of the school fee (even half the fee) altogether on account of her poverty. I hope, Sir, that this representation on behalf of the poor

girl will quite touch your heart and that you will kindly make remission of the school fee (even half fee) altogether, under the respective clause or rule "Granting Poverty Certificates" mentioned in the Madras Educational Rules. This will be a sort of inducement for other girls belonging to the depressed classes; so that they may continue their studies in the higher standards. When there is so much spirit to encourage female education in the country at present, I hope the Head Mistress will be the first person to come forward and support the cause of the poor girl Nagamall belonging to the depressed classes. It is not at all possible at the beginning to comply with all rules and regulations, and in such cases with a view to encourage ~~female~~ female education, especially among the depressed classes, exemptions should be made in all respects. I shall be pleased to hear from you in the matter.

I have the honour to be,

Sir,

Your obedient servant,

N. Veriam.

Sir,

I

With reference to your endorsement No. 1722-C/25-1 dated 15th June 1925, I have the honour to state, that Nagammal, the pupil referred to in the letter under reference is studying in class V in the Government Secondary and Training school for Women, Coimbatore. She failed to secure promotion into Form I. The ordinary Government scholarships for girls in secondary schools are awarded only from Form I and on condition of promotion. But since the pupil belongs to a backward community, her application was forwarded to the Commissioner of Labour, who has now reported that no scholarship could be granted

to the pupil as she was over-aged by one year.
