Darjeeling, the 25th April 1917.

RESOLUTION - No. 26T.-Edn.

In Resolution No. 4352, dated the 23rd November 1909, the Government of Bengal appointed a Standing Local Committee for the province as then constituted, in order to assist Indian students proceeding to England and to co-operate with the Central Bureau and Advisory Committee in London, which had been established for the purpose of furnishing information to Indian students in England and giving them and their parents all possible assistance. This Committee was established in Calcutta with local correspondents in each division of the province of Bengal as then constituted. A similar Committee was established at Dacca by the Government of Eastern Bengal and Assam in Resolution No. 2275P., dated the 11th October 1909, with corresponding members in the various districts. Since the territorial redistribution of 1912, the Government of Bihar and Orissa and the administration of Assam have established separate Committees for those provinces, and the Committees at Calcutta and Dacca have continued to work for the districts of West Bengal and East Bengal respectively.

2. The Governor in Council has carefully considered whether a single provincial Committee should be appointed in place of the two Committees at Calcutta and Dacca and has decided that those Committees should be retained. Their work has scarcely diminished since 1912, except in so far as it has been affected by the War, and it is desirable that there should be a Local Committee in close touch with students in the districts of Eastern Bengal. At the same time he considers that the time has come to reconstitute the Committees. Not only have several members either died or left the province, but experience has shown that the Committees as now constituted ~~as new constituted~~ are unwieldy, the number of members appointed to the Calcutta and the Dacca Committee being 29 and 15, respectively. The Governor in Council is of opinion that it will be of advantage

advantage to limit the number of appointments to be made to each Committee somewhat strictly. He has accordingly appointed the following Committees :-

Calcutta Committee.

The Hon'ble Justice Sir Ashutosh Mukharji, Kt., C.S.I., D.L., D.Sc., President.

The Hon'ble Dr. Deba Prasad Sarbadhikari, C.I.E., M.A., LL.D., Vice-Chancellor, Calcutta University.

Mr. C. S. Paterson, Secretary, Boys' Branch, Young Men's Christian Association, Calcutta.

The Hon'ble Mr. J. G. Cumming, C.S.I., C.I.E., I.C.S., B.A., (Oxon).

Mr. P. C. Mahalanabis, B.A. (Cantab).

J. C. Coyajee, B.A. (Cantab), LL.B. (Bom), Professor, Presidency College, Calcutta, Secretary.

Dacca Committee.

The Commissioner, Dacca Division, President.

The Principal, Dacca College.

Mr. B. M. Sen, M.A., Professor, Dacca College.

Shams-ul-Ulama Abu Nasr Muhammad Waheed, M.A., Principal, Dacca Madrasah.

Rai Lalit Mohan Chattarji Bahadur, M.A., Principal, Jagannath College, Dacca.

Rai B. N. Das Bahadur, M.A., B.Sc., (Lond.), Professor Dacca College, Secretary.

3. It has also been decided to make a change in the areas for which each Committee is responsible, and in future the Calcutta Committee will deal with the Presidency, Burdwan and Rajshahi Divisions, and the Dacca Committee with the Dacca and Chittagong Divisions.

Order. - Ordered that the Resolution be published in the Calcutta Gazette and that a copy be forwarded to the Government of India, the Government of Bihar and Orissa, and the Assam Administration.

Ordered also that a copy be forwarded to the Director of Public Instruction, Bengal and to each member of the Committee for information and guidance.

By order of the Govr. in Council,

L. S. S. O'MALLEY,

Secy. to the Govt. of Bengal.

No.28T.-Edn., dated Darjeeling, the 26th April 1917.

From L.S.S. O'Malley, Esq., I.C.S., Secretary to the Government of Bengal, General Department.
To The Director of Public Instruction, Bengal.

I am directed to forward herewith a copy of the Government of India's letter No. 452, dated the 11th May 1916, regarding the work of the provincial Advisory Committees at Calcutta and Dacca, together with a copy of a resolution which will be issued in the next Gazette.

2. The corresponding members of the committees referred to in the resolution will be—

(a) principals of colleges or senior professors who are prepared to take an active interest in the Committees work;

(b) retired Government servants;

(c) headmasters of Government high schools; and

(d) selected private gentlemen.

The President should invite corresponding members to attend any meetings at which the committees consider any subjects of such a nature that a personal discussion with them would be of value.

3. The Committees should be widely advertised, and with this object notices on the subject of their constitution and their work should be sent by the Secretaries to all corresponding members, Inspectors of Schools, Headmasters of High Schools, Superintendents of recognised Medical and Engineering Schools, Editors of the principal Libraries at the head quarters of Districts and Divisions, Public Libraries, newspapers, Editors of College Magazines, High School Libraries, College Libraries, College Common Rooms and all recognised hostels and associations within the respective jurisdictions of the Secretaries.

4. Each Secretary will receive an allowance of Rs. 100 per mensem. He should be provided with a centrally situated office, a whole-time clerk on Rs. 45 a month and a peon on Rs. 9 a month. The office should have at least two rooms, one of which can be used as a library and reading room and the other as an office room. The library should be well stocked with books and periodicals, such as are likely to be of use to the Committee. The Secretaries should attend office daily at fixed hours, which should be advertised to colleges and schools, so that they may be accessible at those hours to any one desiring to consult them. The clerks should be in attendance at stated hours every morning and evening to perform the duties assigned to them.

Compd

15
I am to convey the sanction of Government to a capital expenditure of Rs. 1,085 and a recurring expenditure of Rs. 5,656 to meet the charges shown in the statement appended to this letter.

5. The Secretaries should make occasional tours within their respective jurisdictions to make the objects of the committees more widely known; and they may also tour outside their jurisdictions, if necessary, for the purpose of consulting the Secretaries of other committees. Such tours should not, however, be undertaken without your previous sanction.

6. The Secretaries should be in touch not only with parents and guardians but also with students. Students should be perfectly free to apply personally to either Secretary for advice or information but it is obviously desirable that applications for certificates, etc., should be dealt with by the committee constituted for the area to which the students belong by domicile. Such applications may be addressed through the Secretary who was originally consulted by the students concerned and the Secretary should transfer them to the committee concerned.

7. Copies of the Provincial pamphlet, explaining the work and objects of the committees and the advantages likely to be obtained from consulting the Secretary and the Educational Adviser in England, should be supplied to District Officers, who will be instructed, when granting certificates of identity, to give each student a copy of this pamphlet and at the same time to furnish 1/2 copies of certificates to the Secretary concerned. Members of the committees should also be encouraged, if in England, to make the acquaintance of Dr. Arnold and local advisers.

8. The Governor in Council desires that the reconstituted committees should work on the lines indicated above and trusts that you will be so good as to give the Secretaries any assistance they may reasonably require. Copies of this letter are being sent to the Secretaries of the Committees.

9. I am to ask you to be so good as to submit to Government through the Accountant General, Bengal, a reappropriation statement for meeting the charge during the current year. You are authorised to include the recurring expenditure in the budget estimates of future years.
