Grants for school buildings in South Kanara, etc.

* 279 Q.—Mr. J. A. SALDANHA: Will the hon. the Minister for Education be pleased to place before this House a statement showing—
(a) the grants for buildings for upper secondary and high schools and colleges in South Kanara, Malabar and Coimbatore districts sanctioned during the five years ending with 31st March 1925;
(b) which of these grants have been paid;
(c) which are not paid, specially in case of buildings completed; and state why in the latter case the grants are withheld and when they are likely to be paid?

A.—A statement^a is placed on the table.

Mr. J. A. SALDANHA:—“The appendix to this question gives the information that the St. Aloysius College, Mangalore, receives grant of Rs. 5,543; but the note says ‘the building has been completed. The management has been asked at the instance of the Government Solicitor to regularize their title to the property.’ What does regularization of their title to property mean?”

The hon. Rao Bahadur Sir A. P. PATRO:—“I am afraid the whole correspondence will have to be looked into in order to say that a certain Catholic missionary has not got the power to receive money from the Government. We want certain guarantees or securities and the correspondents of the institution are not in a position to do so.”
