Sir,

With reference to the revised scheme for the administration of the Silver Wedding Fund, under head (a) as per Schedule 'B' Appendix A and the notification No. 1680 published in the Gazette of India on the 19th day of December 1924, I beg to forward this my application for assistance towards education of my children, for favour of the kind consideration of the President and Committee of Administrators of the said Silver Wedding Fund and disposal please.

2. I am a retired Indian Officer holding the rank of a Jamedar of the Indian Medical Department and struck off the effective list from 1st of August 1924 having been pronounced unfit for further service on account of Hernia contracted while on Field Service at France during the great war, and thus am eligible for the concession stated in the scheme of the fund under head (a) (i.e.) the Administrators can assist those eligible in such institutions as the Administrators may think proper including middle and high schools &c.,

3. I have two sons and five daughters of these two sons eldest C. Vallava Rayan is now studying in the VI Form at St. Joseph's College Trichinopoly (Fort) as a Boarder. The younger C. Selva Rayan had also been studying in the II Form of the above said college as a boarder too but at present detained with me on account of his eye complaint for which he is undergoing treatment and will soon be fit to rejoin his class in the college.

Their average monthly expenditure towards their studies as

as it will be seen from the enclosed college bill for the short term of the year 1923-24(i.e.) from January to April 1924(submitted for your perusal)is Rs.47 per mensem besides the clothing provided by me.

4. Now as I am a retired Indian Officer with a small pension (amount not decided yet) I am not in a position to allow my boys to prosecute their studies for some more years. Furthermore the three elderly daughters out of five aged 10,7 and 4 years respectively, although very studious and promising girls yet for want of fund I am forced to detain them from going to school for education. I never expected to retire from service so soon and had better hopes of their higher education. But it was that the great war started and forced me to retire from service and thus bound me up from giving them their proper education.

5. Now to see the revised scheme of the S.W.Fund I including my children cannot but express extreme happiness towards the concession of the scheme and pray the President and the Administrators of the above fund to fully consider the precarious conditions which we are now subjected to and favour me with their sympathetic assistance towards the education of the children.

For the above act of charity and kind benevolence of the fund I with my children shall in duty bound be ever faithful and loyal.

I beg to remain,

Sir,

Your obedient and distressed,

P.A.C.Raya, I.M.D.(Retired)

Jamedar.

Sir,

In resubmitting herewith the papers forwarded to me for remarks in Government Endorsement No.2418 C of 25 dated 18- 8- 25, I have the honour to state that the District Educational Officer, Trichinopoly to whom the question was referred for remarks reports that according to the figures furnished by the Headmaster the amount required for fees, boarding charges books and clothing for the eldest boy. C.Vallavarayan is Rs.289 as per details given in the margin and that this

Fees Rs.49
Boarding charges 150
Books etc. 40 30
Clothing 50 25
Rs.289

amount may be granted as scholarship to the pupil. Of these amounts I consider that those given for books and clothing are rather extravagant.

5

I am of opinion that the sum of Rs.30 which is the amount allowed for books to pupils studying in Forms IV to VI according to G.O.No.663 Home(Education) dated 23- 5- 18 and a sum of Rs.25 for clothing will suffice.

2. Thus the total amount of scholarship will be Rs.254.

3. I therefore recommend that a maintenance scholarship of Rs.250 in round figures be sanctioned to C.Vallavarayan for the school year 1925- 26 and that the question of sanctioning a scholarship to the younger boy be considered after he rejoins the school

4. The age of C.Vallavarayan on 1-1-25 was 15.
