I have the honour to state that the Correspondent, National Secondary School, Mayavaram, reports that Manual training classes in wood work, weaving, book-binding and card board modelling have been working in the school, since October 1923 and request that the classes may be aided from Provincial funds.

2. The Adviser to Government on Manual & Vocational training who scrutinized the scheme reports that book-binding and card board modelling may be taken up by the boys who are not physically fit for wood work, that the same may not be treated as a separate class and that wood

(P.T.O) work

wood work and weaving alone may be considered.

3. About 82 pupils belonging to Class V and Forms I to III are receiving instruction in weaving and 78 pupils are receiving instruction in wood work in 6 sections each section receiving 5 periods of instruction per week.

5. I recommend that a half grant of Rs.841 (i.e. Rs.300 for non-recurring and Rs.541 for recurring) be sanctioned to the management during the current year though

no provision was made for this scheme in Part II of the Budget Estimate for 1925-26.

6. The expenditure of Rs.541 under recurring during the current year may be met from the provision under "31.B(b)-Education-Secondary-Direct grants to non-Government Secondary Schools-Grants-in-Aid-Educational-Voted-Recurring" to which a sum of Rs.690 (in round figures) is now proposed to be re-appropriated from Grants-in-Aid-Miscellaneous-Non-recurring under the same head as the sanctions till

Non-recurring Weaving

Finance (G.P.).
This is a scheme for which provision of funds has not been made in the current year's budget. The Law (Govt) Dept. however, propose to meet the expenditure in the current year (Rs. 841) from the provision made for a manual training scheme in the St. Aloysius College, Mangalore, which has been dropped.

2/ From para 6 of the D.P.I.'s letter on p. 2 c.f. it will be seen that the current year's provision for recurring grants to Govt. Secondary Schools has already been exceeded. ^(in spite of the saving in the provision for St. Mary's College) by Rs. 149/- [It is proposed to reappropriate para 6 of letter on p. 2 c.f. for recurring expenditure a sum of Rs. 690/- from the provision made for non-recurring expenditure. It is submitted that Finance should not agree to the recurring expenditure proposed in this case to be met by reappropriation from the provision for non-recurring expenditure. It is agreed to the substitution of new schemes in place of dropped schemes provided there is no extra commitment. Though the extra expenditure in the current year can be met by reappropriation from the provision made for non-recurring expenditure, the proposal will involve additional recurring expenditure in future years. The sanctions already accorded have resulted in an expenditure of Rs. 149/- in excess of the budget appropriation. In the circumstances Law (Govt) may be requested to treat this as a new scheme for next year and to include it in the Consolidated list of new schemes to be placed before the Finance Committee.

The Finance Department's note on page 4 ante is based on paragraph 6 of the D.P.I.'s letter on page 2 c.f. In that paragraph the D.P.I. has not explained the position fully. The position is as follows. In the current year's budget a sum of Rs 8,100 was proposed by the D.P.I. for the recurring charges of manual training schemes ^(in secondary schools) sanctioned in the last and previous years. In addition to this, a sum of Rs 6300 was provided by Government for recurring charges of manual training schemes ^(that were) to be sanctioned in the current year. In the C.B.E., this sum of Rs 6300 is alone shown under the head "Grants-in-aid - Educational - Voted - Recurring". The other sum of Rs 8,100 was incorrectly included in the provision of Rs 36,100 provided under the head "Grant-in-aid - Miscellaneous - Non-recurring". Thus, against a total provision of Rs 14,400 which should appear under the head "Recurring" a sum of only Rs 6,300 is actually entered under that head. In paragraph 6 of the Director's letter on page 2 of current file he states that this sum of Rs 6300 has been exceeded by Rs 149, as a result of the grants till now sanctioned for the old and new schemes. This does not mean that the total amount provided for recurring charges namely, Rs 14400 has been exceeded. The Director recently addressed Govt. for sanction to transfer the sum of Rs 8100 included under the head "non-recurring" to the head "Recurring". This has been done in G.O. No. 471 ^{Finance} dated 15-10-25.

In view of the transfer of funds thus effected the Director's office ~~has~~ has telephoned that the grant payable in the present case, ~~namely~~ Rs 841, may be met from the amounts already made available under the heads "Recurring" and "Non-recurring" and that the re-appropriation statement on page 3 c.f. need not
