para 5 of (C)

According to the reorganisation scheme sanctioned in G.O.No. 1702, Law (Education) dated 5th November 1924 on behalf of the Law College, Madras, greater importance is to be attached to the library work of the students in the college. To this end, the Principal proposes to arrange for definite regular library classes from the beginning of the academical year 1925 -26 and also to increase the facilities for the issue and lending of books to the student. These changes are expected to entail considerable additional work and responsibility on the library staff of the college which at present consists of 3 attenders - one on

exclusive of the librarian.

2. The library is divided into four sections viz consulting, lending, class and reading room and the statement ^{below} given in the margin shows ~~that~~ the number of books issued

	Consulting	- Lending	- Class	- Reading Room	- Total
1924-25.	17605	760	12857	7855	39077
1923-24.	17563	213	13635	6021	37432

in each of the sections in 1923-24 and 1924-25. The number of books issued it will be observed, is considerable even at present and it is bound to increase a great deal more when the proposals of the Principal materialise. The appointment of 3 more attenders is therefore considered necessary.

3. The following statement exhibits the present and proposed staff of the library exclusive of the librarian

	Consulting	- Lending	- Class	- Reading Room	- Total
Present	2 Attenders	(Librarian)	1 Attender	1 Peon	4
Proposed	2	1 Attender	2	1 Attender	6

Two attenders will continue to be necessary as at present in the consulting section. The librarian is at present in charge of the lending section. But as his work will increase, when the Principal's proposals are put into force, one attender will be necessary for that section. - Again a peon is at present in charge of the Reading Room. It is proposed to replace him by an attender. As regard the class section of the library, two attenders will be necessary considering the volume of work in that section. It will not be possible to carry on work with a single -- attender owing to the fact that greater facilities are to be afforded to students using this section especially in the matter of borrowing of books.

4. In these circumstances I have the honour to recommend that three additional attenders on a scale of Rs 20-¹- (biennial)-25 may be sanctioned for the college with effect

-3-

from 1st July 1925 and that the scale of pay of the two attenders at present employed in the college on Rs 15-20 may be revised agreeably to the scale now recommended for the three additional attenders from the same date. The

single post of attenders on Rs 23-35 already sanctioned for the college will be given to the senior attender. The employment of the three additional attenders will make it possible by a redistribution of work to dispense with the services of two peons. I consider that the scale of Rs 20-25 is necessary for the library attenders. The work of a library attender cannot be compared to that of a peon. A working knowledge of English is expected of the former and his duties are both responsible and heavy. It is very difficult to secure the services of a man with the necessary qualifications for this post on the scale of pay sanctioned for peons viz Rs 15-20. I may add in this connection that the Government have recently placed the library attender in the Presidency College, Madras in the scale of Rs 20-25 (Vide G.O.No. 486, Law (Education) dated 2nd April 1924). The Principal, Law College, Madras has pressed for a scale of Rs 23-35 for the library attenders, but as I consider that the scale now recommended by me will satisfy the needs, I have refrained from supporting his recommendations.

5. I recommend in this connection partly with a view to meet the extra cost of these proposals and partly with a view to economy the abolition with effect from 1st July 1925 of two posts of peons in the college.

6. The financial effect of these proposals in 1925-26 will be as follows:-

P.T.O.

3 additional attenders on Rs 20-25 for 8 months	Rs 20 x 3 x 8	480
Increase of pay to attenders Rs 20-15)	x 2 x 8	80
		<u>Total Rs. 560</u>

Deduct savings due to the abolition of 2 posts of peons on Rs 15-20 15 x 2x8 240

Net extra cost in 1925-26 320

I shall submit a reappropriation statement to meet the small extra cost in question on receipt of favourable orders of Government on this letter. I solicit very early orders of Government on this letter as the Principals proposals will have to be put into force when the college reopens in July next.

dated 11th June 1925.

Subject:- Employment of additional attenders in the
library of the Madras Law College.

--

The re-organization Committee that reported
on the improvements required in the working of the
Law College laid emphasis on the importance of
library work in the institution. The Government
passed the following orders on this point:-

"It is essential that greater importance
"should be attached to the Library work of the
"students. Pending further development of the
"Library the Assistant ^{lecturers} ~~professors~~ should guide
"the students in their library work in their
"respective subjects".

2. To make instruction during library hours
more effective and real, it is under consideration
in a separate file to appoint a Vice-Principal for
the College. It is now reported that the Principal
proposes to arrange for definite ^{regular} library
classes and to increase the facilities for the
issue and lending of books from the beginning of
the current year and that these changes are --
expected to entail considerable responsibility
and additional work on the library staff of the
college. The library has at present besides a
librarian on Rs.40 to 65, a staff of three attenders
and a peon. The Director has explained in detail
how the existing staff will be inadequate to deal
with the library work when regular library classes
are formed. He accordingly proposes a re-organiza-

tion of the staff of attenders. The proposals involve.--

- (1) the employment of three additional attenders on a pay of Rs.20-25.
- (2) the abolition of two posts of peons in the college and
- (3) the enhancement of the pay of two of the existing attenders from Rs.15-20 to Rs.20-25.

3. The extra expenditure in 1925-26 works to Rs.320 and the Director proposes to submit a re-appropriation statement. Submitted that the proposals seem very moderate and may be approved. A draft order is submitted. It may be sent to the Finance Department for acceptance. After the draft order is approved the D.P.I will be asked to send a re-appropriation statement and orders will issue only on receipt of the re-appropriation statement.

and lending of books to the students. The necessity for the additional attenders is explained in para 3 of the letter on p 24. They are required 1 for lending Section of the Library (which is now in the immediate charge of the librarian) 1 for the class Section and 1 to replace the peon in the reading room. The D.P. 2 proposes to abolish his posts of peon when the additional

attenders are sanctioned. Please see in this connection the D.P. 1's letter on pp 11-12 of G.O. 1040 Law (Edn) dated 30.7.23. (2). The proposal to increase the number of attenders by three and to abolish two posts of peons may perhaps be agreed to.

3. Item (2)

As regards pay, the existing attenders are drawing pay as follows

- 1 attender Rs 23-35
- 2 attenders Rs 15-20

The D.P. 2 proposes to revise the pay of the 2 attenders on (15-20) to Rs 20-1/2-25.

He also proposes to give that scale to the three additional attenders. The

cf para 4, pp 2-34

Medical College library attenders, who are doing similar duties, are given a scale of Rs 15-20 only. No data has been shown as to what extent the

nature of the existing duties of the attenders of the Law College will be changed under the proposed scheme. If any increase

of pay is considered necessary at all, the following scale will perhaps be sufficient

- 1 attender — Rs 23-35 (existing)
- 3 attenders — Rs 20-25
- 2 attenders — Rs 15-20

This will give one attender in the higher scale for each of the sections of the library, the second attender in the Consulting and class sections being placed on the lower scale of Rs 15-20. The extra cost involved in the proposal will then be reduced to Rs 414 per annum.

4. The proposal to increase the staff of attenders will have to go before the Finance Committee and the Law Dept. may be requested to prepare the necessary note for the Committee.

Note for the Finance Committee.

Subject:- Employment of additional attenders for work in the library of the Law College, Madras.

Proposals of the Director of Public Instruction.

One of the important recommendations of the committee that recently reported on the improvements necessary in the working of the Law College was that greater importance should be attached to the library work of students. The Government accepted the recommendation.

2. With a view to giving effect to the recommendation, the Principal proposes to arrange for regular library classes and to increase the facilities for the issue and lending of books to students. The arrangement will throw considerable additional work and responsibility on the library staff of the College which now consists of three attenders (one on Rs 23-35 and two on Rs 15-20 each) and one peon on Rs 15-20 exclusive of the librarian.

3. The library is divided into four sections and the following statement shows the number of books issued in each of the sections in 1923-24 and 1924-25.

	Consulting.	Lending.	Class.	Reading Room.	Total.
1924-25.	17,605	760	12,857	7,855	39,077
1923-24	17,563	213	13,635	6,021	37,432

The number of books issued is bound to increase a great deal more when the proposals of the Principal are given effect to.

4. It is therefore proposed to reorganize the staff of attenders in the library. The proposals involve -

(1) the employment of three additional attenders on a pay of Rs 20-25 each a month,

(2) the abolition of two posts of peons in the college as a set off against the increase in expenditure and

(3) the enhancement (of two of the pay) of the existing attenders from Rs 15-20 to 20-25.

The present and the proposed allocation of attenders among the several sections of the library will be as shown hereunder:-

	Consulting.	Lending.	Class.	Reading Room.	Total.
Present.	2 attenders.	..	1 attender.	1 peon.	4
Proposed.	2 --do--	1 attender.	2 attenders.	1 attender.	6

The proposals are intended to take effect from 1-7-25

5. The ultimate and the immediate extra cost involved by the proposals are as follows:-

	Ultimate cost.	Cost in 1925-26 (8 months from 1-7-25)
(1) 3 additional attenders on Rs 20-25.	846	480
(2) Enhancement of pay of 2 attenders from Rs 15-20 to Rs 20-25.	132	80

(3) Savings due to the abolition of 2 posts of peons on Rs 15-20.	432	240
	---	180
Net extra cost.	546	380

Note by Law (Education) Department.

To make instruction during library hours more effective and real, it is proposed to appoint a Personal Assistant to the Principal who will mainly be responsible for the library work of students. The Director has explained in detail how the existing staff of attenders will be inadequate to cope with the work in the library when regular library classes are

(File sent to Finance with a note for Finance Committee)

formed. The need for strengthening the staff of attenders may be considered. It is unnecessary however to raise the pay of the two attenders already on the staff. The Director's proposal as thus modified involves an ultimate additional expenditure of Rs 414 a year. If the proposal is given effect to from the 1st September 1925 the additional expenditure in the current year will be Rs 180 which can be met by reappropriation of funds within the budget allotment.

2. The proposal as modified as above is recommended for acceptance.

Note by the Finance Dept.

The proposals may be placed before the Finance Committee.

G. T. B. 31.7.25

Extract from the Proceedings of the Finance Committee held on 17-8-25.

The Finance Committee accepted the proposal being given effect to in the current year, the extra expenditure being met by reappropriation within the sanctioned allotment.

The D.P.I. has said that he would submit a reappropriation statement after the Govt. approved of his proposals.

In the U.O. note it is stated that it is considered unnecessary to raise the pay of existing attenders. I request this point may be further examined in the light of the remarks made by me in paragraph 4 of my letter referred to in the U.O. note. I still maintain that to secure ^{retain} satisfactory attenders the scale of pay Rs. 20-25 is not extravagant. It is requested therefore that Government will be so good as to modify the orders contained in the U.O. note and permit me to submit a reappropriation statement embodying the proposals contained in my letter R.C. No. 525-A/25 dated 11-6-1925. It may be remarked that the initial cost is negligible in the current year if the proposals are given effect to with effect from October the 1st and that the amount required for a full year is only Rs. 120/-.

The Director's proposals were : --

- (ii) that the pay of two of the existing attenders might be raised from Rs. 15-20 to Rs. 20-25.

2. In support of the proposal for fixing the attenders' pay at Rs. 20-25, the Director wrote as follows : --

"I consider that the scale of Rs. 20-25 is necessary for the library attenders. The work of a library attender cannot be compared to that of a peon. A working knowledge of English is expected of the former and his duties are both responsible and heavy. It is very difficult to secure the services

"of a man with the necessary qualifications for this post on the scale of pay sanctioned for peons, viz. Rs. 15-20. I may add in this connection that the Government have recently placed the library attender in the Presidency College, Madras, in the scale of Rs. 20-25 (Vide G.O. No. 486 Law (Education), dated 2nd April 1924) The Principal, Law College, Madras has pressed for a scale of Rs. 23-35 for the library attenders, but as I consider that the scale now recommended by me will satisfy the needs, I have refrained from supporting his recommendations."

3. The Finance department drew the analogy of the Medical College Library which has attenders on Rs. 15-20 and suggested that it would suffice if the attenders are placed on the scales suggested by the Director and that the two attenders already in service might remain on their present pay. The note for the Finance Committee proceeded on this basis.

4. On the merits of the case, it may be observed that according to the distribution of work proposed by the Director, two of the Library sections namely, the consulting and the class libraries, are to get two attenders each. The proposal, as modified by Finance and accepted by the Finance Committee, will give to each of these sections a senior attender on Rs. 20-25 and a junior one on Rs. 15-20. It is doubtful whether this will prove an unworkable arrangement. For orders whether the point should be reconsidered with reference to the Director's note at p. 12 ante.

9. The D.P.'s representation seems to be based on actual experience. To secure & attain satisfactory attenders the higher scale is needed by him. Though two attenders, one of the higher grade & another of the lower grade, are proposed by Finance for each section, the work of the two will be similar and both have apparently to be of similar qualifications. Finance may see the D.P.'s note.

Previous Finance notes on pp.3-6 ante.

Under the arrangement agreed to by the Finance Committee and the Government, the attenders in the Law College will be distributed as follows:--

Consulting Library.	{ 1 Attender on Rs.23-35.	
	1 " on Rs.15-20.	X
Lending Library.	1 " on Rs.20-1/2-25.	
Class.	{ 1 " on Rs.20-1/2-25.	
	1 " on Rs.15-20.	X
Reading-room.	1 " on Rs.20-1/2-25.	

The above distribution which allows one attender on the higher scale for each of the sections of the Library was considered reasonable.

The D.P.I. and the Law Department now urge that the two posts of junior attenders on Rs.15-20 should also be converted into posts on Rs.20-25 on the ground that the qualification and work of these two men will be similar to those of other attenders. The argument that the higher scale is required to secure and retain the men does not apply in this case as the men are already there. As already pointed out there are library attenders on the scale of Rs.15-20 in other Colleges viz. Medical College.

and There is no reason why all the attenders in the Law College should be on the higher scale of Rs.20-25. Submitted that the scale already agreed to may be allowed to stand and no alteration seems necessary. The two junior attenders will have chances of promotion to the higher scale and this should be sufficient inducement for them to remain on the junior scale for the present.

Law (Education) Departt.

From the D.P.I., Roc., No. 525A/25, dated 11--6--25.

Additional attenders in the Law College Library.

In the letter quoted above the D.P.I. proposed (1) ^{that} three additional attenders on Rs. 20-25 each might be employed in the college, two posts of peons being abolished and (2) ^{that} the pay of two of the existing attenders might be raised to Rs. 20-25 each.

2 In this department U.O. note No. 1843C-3, dated 21st August 1925, the Director was informed that the Government proposed to sanction proposal No. (1) but that it was unnecessary to raise the pay of the existing attenders. In his ^{letter} No. 525A-25, dated 9--9--25, the Director asked for reconsideration of the question ^{of} pay of the existing attenders.

3 The question has been examined further. It is observed that with the three additional attenders proposed to be sanctioned, the college library will have in all six attenders, and they may be distributed as follows:--

Consulting Library	{ 1 Attender on Rs. 23-35.	
	1 do. on Rs. 15-20.	
Lending Library	1 do.	20-1/2-25
Class	do. { 1 do. 20-1/2-25	
	1 do. 15-20	
Reading-room	1 do.	20-1/2-25

The above distribution will allow one attender on the higher scale for each of the sections of the library. This seems to be ^{all that is necessary} reasonable. The Medical College has a library attender on Rs. 15-20. Further, the argument that a higher scale of pay is necessary to secure and retain the services of ^{qualified} men does not ~~apply~~ seem to apply in this case as the attenders are already on the staff. For these reasons the Government do not consider it ^{propose} necessary to reconsider the question of the pay of the two existing attenders at present.

4 The D.P.I. may be requested U.O. to submit a re-appropriation statement to meet the cost of involved in ^{substituting} ~~constituting~~ three posts of attenders ^{for} ~~in~~ two posts of peons.

re-appropriation statement. Provision for four months has been made therein on the assumption that the additional attenders will be employed for a period of four months in the current year with effect from 1-11-1925.
