(Designation) President Dt. Edl Council Ganjam

To The Secretary to the Government of Madras,
Law (EDUCATION) Department.

Sir,

In forwarding herewith a copy of the resolution of this Council requesting the Government to empower the managers of schools under public management for a period of six months in anticipation of sanction -- for your kind acceptance I have the honour to place -- the circumstances arising out of such contingency which rendered such a resolution inevitable.

You are aware that the Government have sanctioned 9 schools to be started by the Bernampur Taluq Board - schools during 24-25 (from December 24 to March 25) and accordingly the Taluq Board have opened them and ---- applied for recognition.

By the time the recognition application passed --

through the proper channels and reaches the council for recognition it will take at least 2 months and the -- Council meeting may not be held in the month in which the application reaches the Council. So it ^{will} take at least 3 months for sanction of recognition being got from the --- District Educational Council. The District Educational -- Officer also agrees ~~that~~ ^{with} this view.

In the meanwhile the poor teachers cannot be expected to starve.

The Berhampore Taluq Board paid the salaries under the circumstances but the Inspector of Local Fund Accounts took objection to such payments before the recognition is granted.

In such a case it is impossible to start new schools as the the question of recognition ~~xxxxxxxx~~ arising from the date of the starting the school and not ~~to~~ prior to it

Moreover the Government ~~wishes~~ ^{wish} that schools to be started suddenly in the middle of the year and the Dy. Inspector of schools may not like to change their programme and it may take ~~xxxxxxxx~~ sometime before they go over to inspect the new schools for recommending for ---- recognition.

The District Educational Officer Ganjam recommends that Section 41 (1) of the Madras Elementary Education -- Rules may be so modified as to exempt schools under Public management ~~from~~ ^{for} its operation.

Under these circumstances I request the Government to be so pleased as to alter Section 41(I) of the Madras - Elementary Education Rules as suggested by the District -- Educational Officer or at least to sanction the aforesaid - Council's resolution; otherwise the petty schools teachers have to starve for the sake of the delay ~~xxxx~~ of the recognition for a number of months which is inheritable under

through the proper channels and reaches the Council for
recognition it will take at least 3 months and then
Council meeting may not be held in the month in which the
application reaches the Council. So it takes at least 3
months for sanction of recognition being got from the
District Educational Council. The District Educational
Officer also agrees with this view.

In the meanwhile the poor teachers cannot be ex-
pected to starve.

The Berhampur Taluk Board paid the salaries under
the circumstances but the Inspector of Local Fund Accounts
took objection to such payments before the recognition is
granted.

In such a case it is impossible to start new schools
as the question of recognition ~~xxxxxxxx~~ arising from
the date of the starting the school and not prior to it.
Moreover, the Government ~~xxxx~~ which that schools

Inspector of schools may not like to change their pro-
gramme and it may take ~~xxxxxxxx~~ sometime before they co-
over to inspect the new schools for recommending for
recognition.

The District Educational Officer Ganjam recommends
that Section 41 (1) of the Madras Elementary Education
Rules may be so modified as to exempt schools under Public
management for its operation.

Under these circumstances I request the Government
to be so pleased as to alter Section 41(1) of the Madras
Elementary Education Rules as suggested by the District
Educational Officer or atleast to sanction the Elementary
Council's resolution; otherwise the petty schools teachers
have to starve for the sake of the delayxxxx of the re-
cognition for a number of months which is inevitable under

Copy of letter No Rc 13 11 dated 23-7-25 of the President
Taluk Board Berhampur.

I have the honour to state that some 11 schools two from --
Board funds and nine (out of subsidies sanctioned from provincial
funds were started under this Taluk Board during 24-25 from ----
December 24 to March 25) and Inspector of L.F. Accounts held the
amount spent on the schools under objection, for want of re-
cognition by District ~~Executive~~ Educational Council ; extract of
the copy of objection is herewith enclosed.

As soon as a school is started, a recognition application
form will be sent to the teacher of the concerned school for ---
resubmission duly filled up and with the signature of the President
Taluk Board it will be transmitted to concerned Deputy Inspector
of schools who will transmit the same to the Dt. Edl Officer who
will transmit the same with his recommendation to the District
Educational Council for sanction and thus from the date of ----
starting it takes up some months to pass through all these stages
before sanction of the Council is obtained. Inspector of Local
Fund Accounts has been instructing in the objection books that
no expenditure should be incurred on such schools unless their
recognition is sanctioned by District Educational Council.

It will be a hardship to ^{not} make payments to petty school
teachers whose pay is only Rs 19/- per month and under the cir-
cumstances it is impossible to start new schools as the question
^{of recognition} arise only from the date of starting the school but not prior to
that. I therefore request you will be good enough to favour me
with your instructions in the matter. The questing of the re-
cognition of the 11 schools referred to above is under corres-
pondence

3. The President thinks that the delay in recognising a ---
Board school is solely due to the circuitous route through
which the application must pass through to come to the Council
for recognition. In my opinion it will take 2 months at the
utmost of the Deputy Inspectors are informed timely of the --
dates of opening but there is delay in placing these before the
meeting or the Council.

4. The President's request is not clear. If he thinks
that recognition in the case of Board schools is not necessary
then to avoid audit objection, rule 41(I) of the Madras Ely
Education Act 1920 will have to be so modified as to exclude
schools under public management coming under its operation.

Station Madras, Dated the 23rd November, 1925.From (Name) R. LITTLEHAILES, Esq., M.A.(Designation) DIRECTOR OF PUBLIC INSTRUCTION.

To The Secretary to the Government of Madras,

LAW (EDUCATION) Department.

Sir.

In re-submitting herewith the letter R.C.No. 482-DEC/25 dated 2-11-25 from the President, District Educational Council, Ganjam, referred to me for remarks in Government Endorsement No. 4253-A/25-1 dated 9-11-25, I have the honour to state that the audit objection is apparently based on the orders contained in G.O.No. 2196 L.&M., dated 5-11-21. In 1924-25 and 1925-26, Government while sanctioning the opening of new schools with the aid of Provincial funds have informed the local bodies concerned that the location of the schools should be settled in consultation with both the District Educational Officer and the District Educational Council. If the schools are

(P.T.O.) opened in

opened in centres selected by the District Educational Officer and approved by the District Educational Council and if the local bodies concerned have taken steps for getting their schools recognised, there cannot be any future objection.

2. There are many instances where the local bodies have opened schools in places already served by aided schools without consulting the inspecting officers and the District Educational Councils. Therefore the present practice of the auditor refusing to admit expenditure on unrecognised schools is wholesome and will have the effect of preventing Taluk Boards from starting schools hap-hazard on the recommendations of Taluk Board Members and competing with aided schools. If the educational officers are consulted before the schools are started, the delay would probably be much less. Further, the suggestion to exempt schools under public management from the operation of Section 41(i) of the Madras Elementary Education Act of '20 involves an amendment of the Act. In these circumstances I am unable to support the request.

3. A reference was also made to me on this matter by the President, Taluk Board, Berhampore, and he was informed that the recognition granted by the District Educational Council will have retrospective effect i.e., from the date of opening the school.

ORDER.

No. 2069, dated 5-12-1925

Under the instructions issued by the Government, local bodies are - required to consult the District Edl. Officer and the ^{President} District Edl. Council before opening new elementary schools. If the schools are opened in centres approved by the above-mentioned -- authorities, objection is not likely to be raised ~~in connection~~ ^{afterwards} to their - recognition. It is open to the D.E.C. to accord recognition to a school with retrospective effect. In the circumstances, the Government see no need to exempt elementary schools under public management from the operations of section 41(i) of the Ely. Edn. Act, 1920 or of G.O. No. 2196
