Station Madras Dated the 23- 11- 25 192

From (Name) R.Littlehailes Esq., M.A.
(Designation) Director of Public Instruction
M a d r a s.

To The Secretary to the Government of Madras

Law(Education) Department.

Sir,

On the advice of the Electrical Inspector to Government the Principal, Government Arts College, Coimbatore reports that the Electrical battery of the College is rapidly deteriorating and that it is essential to renew the plates at an early date as otherwise the battery may get damaged and the work of the laboratory will greatly suffer. An extract from the Inspection notes (of the Electrical Inspector to Government is herewith enclosed.

The cost of renewing the battery plates is estimated by the Electrical Inspector at Rs.2000/-

P. 3 infra

2/

A sum of Rs.1000 is available under 31 A Education University-Government Arts colleges (i) ~~Men-Supplies~~ and services-General-Apparatus and materials to which the charge is debitable and the balance will, if possible, be sanctioned by re-appropriation by me under the powers delegated to the Director. As, however, sanction of Government is necessary for the execution of the work vide G.O.No.1180 W dated 8-8-25- I have the honour to request that Government will be pleased to accord the necessary administrative approval for the proposal at a very early date.

I have the honour to be,

S i r,

Your most obedient servant,

W. Combs

for Director of Public Instruction

A.R. 23/11/25

Copy of letter Camp.No.74 dated 5th October 1925 from the Electrical Inspector to Government to the Principal, Government College, Coimbatore.

"With reference to my inspection of your Electrical Installation on 3- 10- 25 it was observed that the battery repairs recommended in para 4 of my No.356 dated 27-2-24 and again brought to your special notice in my No.2191 dated 10- 10- 24 have not yet been executed.

2. I understand you have called for tenders from a few firms for the supply and installation of new plates and that prices are higher than you anticipated. This is probably due to a general increase in battery prices early this year.

3. It is imperative that the ~~plates~~ should be renewed without further delay and I accept no responsibility for the failure of your plant if this is not done.

4. I suggest you permit me to call for fresh tenders on different lines. I will then be in a position to accept on your behalf the lowest possible tender for suitable plates of Tudor or any other type.

5. If funds have not yet been allotted they should be obtained to the extent of Rs.2000 without delay so that the order can be placed and the plates despatched from England immediately a tender has been accepted.
