Sir,

OFFICE (L)

Adverting to G.O. No. Mis. 1205 dated 11-7-25

regarding the Elementary Education Budget for 1925-26

I wish to state that it is not understood as to how

the amount of credits from provincial contribution

shown in para 1 was arrived at. I find from my ac-

counts that the amount of provincial contribution should

be as noted below:--

Actuals of 1923--24	...	Rs.15690/-
Revised Estimate for 1924-25.	...	Rs.15330/-
Budget for 1925--26.	...	Rs.15550/-

I request that I may be kindly enlightened further in this respect before I am asked to revise the figures.

2. Particulars for the sum of Rs.489/- classified as "Appropriation from Government Grant Un-spent balance" may also be given as no such transaction is noticeable in the accounts of this Taluk Board.

3. In para (3) of the G.O. the Taluk Board's contribution from General Funds to Elementary Education funds has been fixed at Rs.16940/- for 1925--26 while the budgeted figure is Rs.18350/. The latter figure provides for the anticipated outlay for all the old and the new institutions. The suggestion of the Government to curtail the expenditure is noted for future guidance while preparing the next year's budget, as such a step if taken in the middle part of the year would adversely affect the efficiency of the Educational Institutions in general.

I have the honour to be,
Sir,

Your most obedient servant,

C. Particular
President.

Sir,

(not traceable)

Reference:- G.O. No. 289-R dated 13--7--25
and 30--9--25 regarding the adjustment of balance of
contribution from General Funds to Elementary Educa-
tion Account for 1923--24.

Out of the balance of Rs.1197/- ordered to be
adjusted to Elementary Education Account, a sum of
Rs.69/- being the expenditure incurred during 1923-24
on capital items under Elementary Education is to be
deducted from the above sum viz. Rs.1197/- and the ac-
tual balance will therefore come to Rs.1128/- and not

the former figure. In the Audit Report for 1923-24 the capital expenditure of Rs.69/- was not taken into account by the Auditing staff and the omission is noted now only. Regarding the adjustment of Rs.1128/-, I wish to point out that there is no amount available in General Funds for making the adjustment in question the balance at the end of September 25 being Rs.498--4--10 as per Cash Book and it is also impossible to find funds to such an extent from the General Funds without ^{adopting} the unpleasant course of curtailing the expenditure under other services viz. communication and Medical etc., In view of the fact that the Taluk Board has been and is utilising its own funds liberally towards the maintenance of Elementary Education during past and present by providing all the requirements, I request that you will be good enough to waive the adjustment ordered in the G.O. and obtain the orders of Government accordingly.

The favour of an early reply is requested.

I have the honour to be,

Sir,

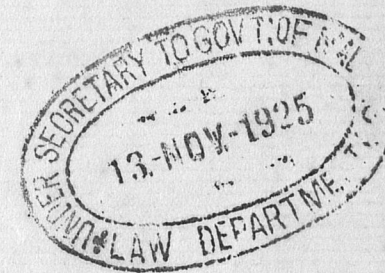

Your most obedient servant,

C. Rukma

President.
