ENCLOSURES

Engineering College, Guindy - Hostels -
Unmarried Military Students' quarters
Rent on account of electric installation.

SPARE COPIES

In G.O.No. 1698 Law (Education), dated 2nd October 1925, communicated with P.W.D. Endorsement No. 5440-B/25-1., dated 7th October 1925, it is stated that the rent payable for each of the rooms in the Unmarried Military Students' quarters is Rs. 56/- per annum exclusive of the rent on account of electric installation. The rent for the electric installation is, however not specified. It is observed from G.O.No. 411 Law (Education), dated 23rd March 1925, that the rent payable on account of electric installation by each of the students occupying the rooms other than those referred to above is Re. 1-8-0 per annum - a concession rate. As the unmarried Military Students' quarters are also now occupied by Anglo-Indian and Indian students of the College, I request to be informed, whether it is the intention of Government that each of these students also should pay rent for electric installation at the concession rate of Re. 1-8-0 per annum. The Electrical Engineer reports that the normal rent for the installation in
