REVENUE DEPARTMENT

G.O. No. 619, 28th April 1925

Excise Department—Special tests—Engineering test—Notification—Published.

READ—the following papers:—

I

G.O. No. 478, Revenue, dated 22nd March 1924.

II

**Reference from the Board of Revenue (Separate Revenue),
C.R. No. 2257, Abkari, dated 10th March 1925.**

H. G. STOKES, Esq., C.I.E., I.C.S.,

Acting Second Member, Board of Revenue and Commissioner of Excise.

According to special tests notification approved in G.O. No. 284, Finance (Separate Revenue), dated 21st June 1922, certain officers of the old Salt, Abkari and Customs Department were obliged to pass the Engineering test—old test D. On the formation of the Excise Department, it was considered unnecessary for the Excise officers to pass the Engineering test as the Board then thought that the construction of works might be entirely transferred to the Public Works Department. As the question was not finally settled then, the Engineering test was omitted from the special tests notification of the Excise Department—vide G.O. No. 478, Revenue, dated 22nd March 1924.

2. In G.O. Mis. No. 1680, Revenue, dated 30th October 1924, Government have directed that the procedure followed in the combined department in regard to works of petty construction and repairs might continue in the Excise Department with slight modifications. The departmental officers are thus entrusted with the execution of certain works. A certain amount of knowledge of engineering is therefore essential for them. At the same time, the Commissioner considers that the old test D Engineering, is unnecessarily elaborate.

3. The old test D of the combined department consisted of the following parts:—

- (i) Surveying and Levelling,
- (ii) Mensuration,
- (iii) Plan drawing and estimating, and
- (iv) Practical Surveying and Levelling.

The test in Surveying and Levelling was necessary in the combined department as officers were liable to be called on to lay out factory extensions, etc. It is not necessary for the Excise officers to undergo a test in items (i) and (iv). A knowledge of (ii) mensuration of planes and solids and (iii) preparation of plans and estimates for the construction of simple works such as roads, offices, peons' lines, etc., is essential. The Commissioner therefore proposes that all officers of and above the rank of Assistant Inspector should be asked to pass a test in Engineering.

4. In the combined department the departmental officers were trained in batches at the Engineering College before they were asked to pass the examination. As the syllabus now proposed for the Excise officers is a simple one the Commissioner considers that the officers need not undergo any training. They may well pick up the knowledge from selected books and apply it in practice. The question papers may be set by an Assistant Commissioner or a gazetted officer of the Public Works Department.

A draft notification is submitted for approval and publication in the Fort St. George Gazette.

H. B. RENDLE,
Secretary.

(c) A graduate of an Indian University may be exempted by the Accountant-General of the province from the examination except in Book-keeping, if the latter is satisfied that the candidate is an accurate and quick arithmetician.

* the following examination has been declared to be of the same standard as the Commercial Diploma Examination of the Allahabad University:—
Commercial Diploma Examination of the Punjab University.

3. This examination is held during the second whole week of January at the Bengal College of Engineering, and at the offices of the Accountants-General, Madras, Bombay, Bihar and Orissa (Ranchi), United Provinces (Allahabad), Punjab (Lahore), Burma (Rangoon), Central Provinces (Nagpur), the Comptroller, Assam (Shillong), and the Deputy Accountant-General, Central Revenues, Delhi.

4. Other centres of examination may be fixed by Accountants-General, provided that the number of candidates is sufficiently large and suitable arrangements can be made for the conduct of the examination under the supervision of a gazetted officer.

5. Only candidates whose age does not exceed 24 years on the 1st January of the year in which the examination is held are eligible, but persons holding permanent pensionable appointments in Government service may be permitted to undergo the examination up to the age of 29 years.

NOTE.—The age-limit of 29 years for candidates in Government employ will come into force with effect from the year 1924. Candidates holding permanent pensionable posts under the Kashmir State and whose age exceeds 24 years will be admitted to the examination on the condition that they will not be eligible for appointment as Divisional Accountants under Government.

6. The candidate should apply to the Accountant-General of his province, except in the case of Delhi, where the application should be addressed to the Deputy Accountant-General, Central Revenues, Delhi, stating the centre at which he wishes to be examined and enclosing a fee of Rs. 12 and the following certificates and a registration form :—

(i) Certificate of good character signed by the candidate's immediate official superior, by the instructor under whom he has been educated, or by some other superior under whom he may have been brought up or employed or to whom he may be well known. This certificate must have special reference to the two years immediately preceding the date of the application, and this should be specially mentioned in the certificate.

(ii) A duly verified statement of age, *e.g.*, a Baptismal Certificate, a Birth Certificate, an Affidavit signed by the guardian or a relative of the candidate before a Magistrate, or an attested extract from the Service Book if the candidate is already in Government employ.

"The application which should be written by the candidate in his own hand-writing and the certificates in original (which will not be returned) should be submitted so as to reach the office of the Accountant-General concerned (or the Deputy Accountant-General, Central Revenues) not later than the 15th November preceding the date fixed for the examination."

A graduate candidate for examination in Book-keeping only under paragraph 2(c) above will also be required to pay the full fee of Rs. 12.

7. The registration form should set forth the following particulars :—

- (1) Name of candidate (including Christian or personal names in full).
- (2) Father's name (in full).
- (3) Nationality or class (*i.e.*, European, Anglo-Indian or Indian) of candidate; and if Indian, caste or tribe.
- (4) Date of birth.
- (5) Present address.
- (6) Examination passed.
- (7) Signature and thumb mark of candidate, left hand, to be made in the presence of a well-known responsible person who knows the candidate.
- (8) Signature designation* and address of above mentioned witness (with date).

NOTE.—A candidate already in Government service should, in like manner, submit his application through his immediate official superior with a certificate that he is holding a permanent pensionable post if his age exceeds 24 years.

8. Applications which do not satisfy the requirements of the foregoing rules should be rejected without entering into further correspondence with the candidates. Other applications will be considered on their merits by the Accountant-General whose decision as to whether or not the candidate should be allowed to appear for the examination will be final.

9. By the 1st December preceding the date fixed for the examination the Accountant-General should forward to the Principal of the Bengal Engineering College for registration a statement showing in respect of accepted candidates only, their names, date of birth, addresses and the centres where they are to be examined. This statement should be supported by the accepted candidates' registration forms duly signed by the Accountant-General in token of acceptance and should be carefully preserved by the Principal.

10. Simultaneously, each candidate should be informed whether or not his application has been accepted.

11. The fees of rejected candidates should be returned to them by postal money order at their cost, and those of accepted candidates should be remitted in consolidated sums to the Accountant-General, Bengal, by means of Remittance Transfer Receipts, together with a covering letter containing the names of the candidates.

(1) If there is only one accepted candidate and the amount to be remitted is thus less than the minimum amount for which a Remittance Transfer Receipt can be issued, the amount may be remitted to the Accountant-General, Bengal, by money order, at Government expense.

12. As each examination is complete in itself, a candidate who has failed in an examination, and presents himself for an examination on a subsequent occasion, must undergo the full examination and furnish a fresh fee with fresh certificates and registration form. If from any cause the candidate fails to appear for the examination, the fee paid will not be refunded, nor will it be placed to his credit for any subsequent examination.

13. Examination papers for registered candidates only will be sent by the Principal to the officers conducting the examination in time for the fixed dates.

14. The examination will be held at all the centres simultaneously under the supervision of gazetted officers on the dates and at the hours fixed by the Principal, which should be communicated by the Principal direct to the registered address of each accepted candidate by registered post.

15. The results of the examination will be declared by the Principal within three months after the examination and communicated direct to each examinee, showing only the marks gained by him in each subject and the order of standing in the case of successful candidates. A few printed copies of the complete results of successful candidates only, showing (1) order of merit, (2) name (in full), (3) father's name, (4) date of birth, (5) examinations passed, (6) marks gained in each subject and in the aggregate and (7) address should be forwarded to each Civil Accountant-General, to enable him to maintain lists of passed candidates.

16. It must be distinctly understood that the passing of this examination does not give any claim to appointment as a Divisional Accountant, and that applications for appointment should not be addressed to the Principal. The passing of this examination is a necessary qualification, but the establishment of Divisional Accountants is mainly recruited by selection from amongst qualified clerks actually employed on accounts duties in the divisional and subdivisional offices of the Public Works Department or in Civil Audit offices. A small number of graduates of Indian Universities and other persons of superior and special qualifications who may have passed the public examination, may, however, be appointed direct by the Accountant-General, *vide* paragraph 4 of Appendix 2.

17. These rules may at any time be amended or revised by the Auditor-General, who reserves to himself the power to grant exemptions from this public examination in very special cases. No general revision of the rules affecting the subjects of the examination or the necessary qualifications of candidates will be enforced until three years have elapsed since the date of such revision.

NOTE 1.—Applications for these rules should be made to the Accountant-General of the Presidency or Province in which the candidate lives.

NOTE 2.—The question paper of previous years may be obtained from the Officer-in-charge of the Book Depot, Writers' Buildings, Calcutta, on prepayment for each complete set of four annas or five annas, if sent by post.

NOTE 3.—All communications to the Bengal Engineering College should be addressed to the Principal, Bengal Engineering College, Botanic Garden P. O.

NOTE 4.—All applications in connection with exemptions should be addressed to the Accountant-General concerned and not to the Principal, Bengal Engineering College.

To

The Secretary to the Government of Madras,
Finance Department, U.O.

In second sub para of para 32 of the "Abstract of the Rules relating to Public Service examinations in this Presidency" is laid down the procedure as regards the receipt and disposal of applications for admission for the Indian Audit and Accounts Service Examination. This procedure has in practice changed since 1924.

The applications received from the Director of Public Instruction in 1924 and 1925 were forwarded by the Finance Department to the Staff Selection Board. The Secretary of the Staff Selection Board arranged for the meeting of the Board with the Accountant General, Madras, as a co-opted member, for the purpose of interviewing the candidates for registry and submitting their recommendations to the Local Government. The list of candidates selected was forwarded by this department to the Government of India. The second sub para of para 32 of the 'Pamphlet' may be modified as shown below with reference to the foregoing remarks.

Second sub para of para 32 of the Pamphlet - Revised.

"In this Presidency the applications should be submitted not later than the 1st March in each year to the Director of Public Instruction who will arrange with the Secretary, Staff Selection Board, for the meeting in that month of the Board with the Accountant General, Madras, as a co-opted member, for the purpose of interviewing the candidates for registry and submitting their recommendations to the Local Government. The recommendations of the Board will be considered by the Government and their proposals forwarded to the Government of India by the 1st May."

2. A copy of the notes from page 3 ante may be sent to Law (Education) who may be requested to

incorporate the above amendment and those suggested by the Accountant General on page 3--9 ante in the PAMPHLET.

It does not seem necessary to make any alteration in the title of the pamphlet. It is the intention of the pamphlet to give information applicable to the various departments throughout the presidency detailing the qualifications required for particular posts and various special appointments. Nowhere is the agency stated by which candidates are tested in respect of their eligibility for these various posts and appointments. It does not seem necessary to make an exception in the case of the clerkships in the Madras City.

Subject: --Pamphlet entitled "Abstract of the rules relating to Public Service Examination in the Madras Presidency."

All the Departments and Officers concerned have reported the amendments necessary in the above-mentioned pamphlets. The amendments have been consolidated and the usual draft order is submitted below.

2. The pamphlet is reprinted once in five years. In the intervening years an annual list of addenda and corrigenda is issued. In 1923, the Secretary, Mr. Ramachandra Rao, noted that if the corrections were numerous the order directing the republication of the pamphlet once in five years should be reconsidered. The question of reprinting the pamphlet was reserved for consideration in the current year. The amendments are numerous every year. The reprinting of the pamphlet may perhaps be taken up next year. The concurrence of the Finance Department will have to be obtained to this proposal. In the meanwhile, the draft below may be issued.
