Sir.

The Government have in their orders noted in the margin issued instructions regarding the grant of Educational concessions to the children of Indian Soldiers, but neither these orders nor any other orders received on the subject from time to time apply to the grant of Educational concessions to the discharged Soldiers themselves.

I have now a case pending with me, in which an Ex-army man himself belonging to the Thigala community of the backward class, who is studying in the junior B.A. class, has applied to me for the grant of a stipend of Rs15/- and some allowance for the purchase of books, but I do not know whether he is

Sir,

Scholarship - Silver Wedding Fund -

K. Ramachandra.

I am directed to address you on the question of awarding a scholarship from the Silver Wedding Fund to one K. Ramachandra, a student in the Junior B. A. Class of the St. Aloysius' College, Mangalore.

K. Ramachandra is an ex-army man. He has applied for a scholarship. The scheme of educational concessions for military service sanctioned by this Government applies only to the children and relatives of ex-army men and not to ex-army men themselves. K. Ramachandra belongs to a community recognized to be backward in point of education and under the Educational rules in force in this Presidency one half of the standard rates of fees is remitted in his case. The Director of Public Instruction, Madras, is of the opinion that further help is necessary. He accordingly recommends that ^{in his case} ~~the student~~ may be given a from the Silver Wedding Fund a scholarship of Rs. 340 made up as follows:-

Rs.

Tuition fees minus the
fee-remission the
pupil already enjoys.

Scholarship to K. Ramachandra.

Dear Sir,

HP 6-7 aut

In reply to your letter no. 2200 C/25-3, dated the 2nd November 1925, I am desired to say that K. Ramachandra is not eligible for assistance from the Silver Wedding Fund since he is not "a child or dependant of an Indian officer or soldier who rendered military service under the Crown during the Great War or subsequent warlike operations". The Administrators therefore regret that they are unable to accept the recommendation of the Government of Madras to grant him a scholarship.

Yours faithfully,

Honorary Secretary,
Silver Wedding Fund.

C.No. 2200C. From the Collector of South Kanara, No. 5452/25 B-1.
dated 24th July 1925.

Subject : -- Educational concessions for Ex-Army men.

As pointed out by the Collector, the orders issued on the ~~ground~~^{grant} of educational concessions for military services applied only to the children of ex-army men and not to the ex-army men themselves. Recently the Collector of Malabar brought to the notice of Govt. the case of an ex-army man who wanted to continue his studies for the secondary school course. It was pointed out in ~~that~~ connection that the number of men who returned from military service and young enough to undertake a course of education with profit should be very few and that the case of any such that might arise might be met by the award of one of the scholarships at the disposal of the Educational department or, if that be not possible, by the grant of a special scholarship. The case from Malabar has been sent u.o. to the Director for remarks as to the possibility of a scholarship being awarded to the individual.

2. In the present case the individual whom the Collector recommends is a member of the Tigala community, a community included in the list of backward classes. Presumably the ~~individual~~^{individual} is poor and ~~can~~^{can} be granted the half-fee concession admissible under rule 92 of the Madras Educational rules. Apparently further ~~information~~^{aid} is required. ~~The letter may first be sent u.o. to the Director of Public Instruction for remarks.~~ The

Collector may first be required to report the name of the applicant & the college in which he is reading. Draft Memo is dated: 30.7.25

Particulars ^{of the ex-army man} ~~as to the student~~ are given at
page 4 c. f. As a poor member of the backward community,
he is in receipt of the half fee concession under rule
92 of the Madras Educational Rules.

The case of the ex-army man from Malabar referred
to on page 1 ^{one of} ante was met by the award of the general
scholarships. It is not known whether the Director
will be able to find a scholarship ^{for} to the individual
in question from the general scholarships. A preferable
alternative ~~ix~~ seems to be to move the Honorary Secretary,
Silver Wedding Fund, for the grant of a scholarship to
cover half the fees. The D.P.I. may be requested ^{U.O.} to
offer his remarks ^{and} on to suggest the amount of scholarship
that should be applied for, in case he ^{advise} agrees to an application
being made to the Administrators of the Silver Wedding
Fund.

A scholarship is not available for K.
Ramachandra and I therefore recommend that the
Honorary Secretary of the Silver Wedding Fund
may be moved for a grant to cover not only half
the fees but also an amount towards the cost of
books and maintenance. I propose this in view
of the fact that the monthly income in the case
of this ex-Army man is put down as Rs.20/- per
mensem. If this suggestion is approved the
following recommendation is put forward---

Fees	Rs.57
Books	Rs.100(non-recurring)
Boarding	Rs.180

These give a total this year of Rs.337 or Rs.340/-
in round figures. For the 4th class next year
an amount of Rs.240/- would suffice.

The Hony. Secretary, Silver Wedding Fund,

Reports that K. Ramachandra is not eligible for assistance from the Silver Wedding Fund since he is not a child or dependant of an Indian officer or soldier who rendered military service under the Crown during the Great War

or subsequent warlike operations. The D.P.I. has already

reported (that no scholarship is available for the student). The year major part of the school is over and it does not seem

necessary to grant any ~~xxx~~ special scholarship to the

student. The D.P.I. may be requested to award ^{the} to the

student next year. A draft order is submitted. Public
may perhaps see ^{the file} before the order is issued.
