To The Secretary to the Government of Madras,

Law (Education) Department.
Fort Saint George.

Sir,

In their order No.1993 Law (Education) dated 23-12-1924, Government sanctioned the continuance up to the 31st March 1925 of the Manual Training Class in Weaving in the Hindu Middle School, Vetapalem and the payment of a half grant of Rs.279/- to the management towards the recurring charges of the class in the (current) year. (1924-25)

2. The correspondent of the school requested in his letter dated 9-2-1925 that the full cost of the weaving class may be sanctioned during 1924-25. He also stated that if the full cost were not met from provincial funds the class would be closed.

In reply he was informed that according to G.O. No.

1123 Law (Education) dated 10-8-1923 only a half grant could be sanctioned to the weaving class during 1924-25 and that if he was willing to run the class on the above condition it might be continued during 1925-26.

3. Thereupon the School Committee resolved to close the weaving class from the year 1925-26 as it was not willing to meet half the cost of the class and has requested orders in regard to the disposal of the equipment which was purchased out of the Government grant.

It has also requested that rent at Rs.8/- per mensem may be paid from 1-4-1925 up to the date on which the building is vacated.

4. I enclose herewith a list of tools and equipment purchased for the weaving class in the B.B. Hindu Middle School, Vetapalem and to state that the District Educational Officer reports that out of the articles mentioned in the above list the articles noted in the margin may be forwarded to the District Educational Officer, Trichinopoly for the use of

LAW (EDUCATION) Department.

Sir,

With reference to Government Memorandum No.2541

B-1 dated 12-10-25, I have the honour to state that the
management has been working at a deficit for the past 3 years,
and that it has definitely stated that unless the entire cost
of the weaving class is borne by Government it cannot run
the class. In these circumstances, I am not in favour of
giving the management any temporary additional help, as it
will not enable it to continue the class on a permanent
basis.

(C.No.2541-B) From the D.P.I., R.C.No.731 E.d/12-9-25.

Subject:- Manual training class in the B.B.Hind

Middle School, Vetapalem, Guntur District.

In 1923 the correspondent of the above school reported that the school was attended mostly by pupils belonging to the backward classes and requested that the Government might be pleased to sanction grants towards the cost of opening classes in weaving and carpentry in the school. When His Excellency Lord Willingdon visited Vetapalem, the Devanga community (weavers) of the place urged in an address the need for giving instruction in weaving to their boys along with general education. A class in weaving was sanctioned in 1923. The Government undertook to meet the full cost of the class from Provincial funds for the first year. The management was ^{asked} to contribute one-half of the cost from the second year. From the report received last year it is observed that as many as 83 boys received instruction in the weaving class. The management now feels unable to meet one-half of the cost and has resolved to close the class in the current year. It is a pity that the class which was well attended has

^(R) ~~had~~ to be closed. Under the rules framed in 1923 for aiding these classes, ~~a grant in excess of one-half of the cost cannot be sanctioned in the second or subsequent years.~~ If the Government are prepared to make an

exception in this case and continue the full grant (about Rs 680), the class may be revived. If, however, this is not to be done, the draft below is for approval. It may be sent to Finance for acceptance.

I think the draft order put up
maybe approved.

Our first duty should be to assist
managements which are prepared
to meet half the cost and there is
no reason why we should go on
making exceptions to the general
rule.
