From (Name) R. Littlehales Esq., M.A.,

LAW (EDUCATION) Department.

Sir,

The work of construction of a new building for the use of the Montford European High School, Yercaud, at an increased cost of Rs 99,527 which was included in the list of approved works under G.O. No. 1006, Law (Education) dated 21st July 1923 has been completed and the grant has been fully paid. The correspondent of the school has since submitted through the Executive Engineer, Salem Division, plans and estimates for the additional works mentioned below and has applied for a grant-in-aid towards their

cost:-

- (1) Extending the music and maity rooms
- (2) Building a front terraced verandah and stair case
- (3) Building a masonry revetment wall in rear.

Estimated

cost.

13860

- (4) Constructing a covered games shed.
 (5) ,, a Bathing room
 (6) ,, a block of 10 small
 (bath rooms(latrines)
 (7) ,, A set of urinals

Estimated cost.

Rs 29620

These plans and estimates have long been under discussion with the Deputy Consulting Architect who finally suggested certain modifications in regard to some of the works. The correspondent was asked to revise the plans and estimates in accordance with the modifications suggested by the Deputy Consulting Architect, but as he asked to be excused from submitting revised plans and estimates on the ground that the preparation of the original plans and estimates had already cost him Rs 1000 and that their revision would ^{cost} ~~cost~~ an additional sum of Rs 1000, the Deputy Consulting Architect was -- consulted as to what could be done. The latter suggested that the correspondent might submit duplicate sunprints of plans, S.C.A. Nos. 97, 98 and 99/24 and also certified true copies of the calculation sheets prepared in this office showing the deductions effected in the estimate for Rs 29620 submitted by the correspondent-Vide copy of his note dated 18th December 1924 submitted herewith. The estimated cost of works as approved by the Deputy Consulting Architect is Rs 13860 Plus Rs 26380 (Rs 29620-3240) or Rs 40240 in all. I have the honour to submit the plans and estimates submitted by the -- correspondent as well as the copies of the plans &c referred to in the Deputy Consulting Architect's note and to recommend that the additional works estimated to ^{Cost} Rs 40240 may be included in the list of approved works maintained in pursuance of G.O.No. 746, Law (Education) dated 17th June 1922, as eligible for a half grant subject to the usual conditions regarding payment.

I have the honour to be,

Sir,

Your most obedient servant,

MONTFORD EUROPEAN HIGH SCHOOL, YERCAUD.

D.P.I.

The Correspondent in this case called upon me this afternoon when I pointed out to him that I had no recollection whatever of saying that there was no necessity to submit revised ~~RM~~ drawings to Government for his schools.

I have suggested to him and he has agreed to have duplicate sunprint made of S.C.A. Nos. 97, 98 and 99/1924 provided free gratis and for nothing by this section showing the final arrangements as approved by your technical adviser and agreed by the correspondent. I have also suggested that certified true copies of the calculation sheets prepared in this office be attached to the original estimates prepared by him as showing the deductions effected this office and repeatedly agreed to by him. This will give sufficient information for Government and it is requested this course be approved, Sir.
