P.R.K.27/11 for Director of Public Instruction

Copy of letter R.C.No. 279/23, dated 5th September 1924 from the Principal, College of Engineering, Guindy to the Director of Public Instruction, Madras.

I have the honour to enclose herewith a copy of letter from A.Venkataraman, an Upper Subordinate student who passed out last April requesting that he be permitted to work in the S.I.Ry during the last 3 months of his practical course with a copy of the report received from the Executive Engineer S.I.Ry. Since the Chief Engineer, P.W.D who was originally addressed by the student for exemption from further practical training informs me that the necessary sanction of Government has not been obtained by him, I request that necessary exemption be applied for and obtained for the issue of diploma to him.

Copy of letter from A.Venkataraman dated 19-11-24.

In continuation of my practical training at Negapatam in Government P.W.D, I underwent full practical training at Golden Rock construction works upto July second week for which period you might have received my progress report from my foreman Mr. Sybbald. As I could not get a decent job there in the railway I have come down here to try in these parts. So I humbly request you to send my diploma which I need very badly to above address at your earliest opportunity.

Copy of the report of the Executive Engineer, S.I.Ry to the Principal, College of Engineering, Guindy.

With reference to your No.R.C. 279/23, dated 13th August 1924, I have the honour to furnish you with the following information. A Venkataraman was employed under the Millwright Foreman on the erection of Machinery and plant for the Power House for a period of three months. The Millwright Foreman reports that he found A Venkataraman willing and obedient his conduct good and that he took a very keen interest in his work.
