From (Name) R. Littlehailes Esq., M.A.

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,

LAW (EDUCATION)

Department.

Sir,

M.R. Ry A. Mahalinga Ayyar, permanent secondary grade teacher on Rs 30 Plus 10 (Old scale) officiated as Commercial Instructor on Rs 60 Plus 18 (Old scale) in the Government High School, Chittoor from 1st August 1921 to 13th April 1922. He has again been officiating in a temporary vacancy as Commercial Instructor from 24th January 1924. He drew acting allowance under the old rules up to 31st December 1921. But the Accountant General objected to the drawing of acting allowance from 1st January 1922, the date of the introduction of the Fundamental Rules. In G.O. No. 1587 Law (Education) dated 18th December 1922 however, Government were pleased to admit

officiating promotion to all miscellaneous posts including the Commercial Instructor's post in question, until these posts were organised on a time scale basis. The Headmaster Government High School, Chittoor should have drawn the officiating pay still due to Mahalinga Ayyar immediately on receipt of the above ~~order~~, but he failed to do so.

(C) Later on Government sanctioned in G.O.No. 1063 Law (Education) dated 2nd August 1923, the revision of the pay of the teacher's permanent appointment as well of his officiating post. The pay of the Commercial Instructor is Rs 60-4-80 after ^{the} revision. Mr. Mahalinga Ayyar could nevertheless according to G.O.No. 1587 Law (Education) dated 18th December 1922 and G.O.562 Mis. Law (Education) dated 11th April 1924 draw officiating pay at Rs 60 Plus 18 from 1st January 1922 to 13th April 1922. But the Accountant -- General objects to the drawing of arrears of the officiating pay (Vide his letters No. Chit.1 - 159 dated 5th August 1924, and No. Chit 1-186 dated 19th August 1924 (Copies enclosed). His interpretation of the orders of Government and the application of para 4 of G.O.No. 389 Law (Education) ^{of 12-3-23} to the present case appear to be contrary to the spirit of both the G.Os quoted above which admit officiating promotions up to 1st October 1922. This aspect of the case was explained to the Accountant-General but he ^{insists} on the special sanction of Government being obtained. I have therefore the honour to request that Government may be pleased to permit Mr. A. Mahalinga Ayyar to draw officiating salary in the old scale from 1st January 1922 to 13th April 1922 the period during which he officiated as Commercial Instructor, Government High School, Chittoor.

2. As regarding the officiating promotion of Mr. Mahalinga Ayyar as Commercial Instructor from 24th January 1924 i.e subsequent to the reorganisation of miscellaneous posts, the Accountant-General was furnished with the ground on which officiating promotion of secondary grade teachers

to the Commercial Instructors' Posts should be considered admissible viz that the duties of the ^{two} posts are entirely different in character. While the Secondary grade Assistant teachers ~~teach~~ general subjects to the lower form pupils, the Commercial Instructor imparts instruction in Commercial subjects to the higher form pupils. The posts also carry different scales of pay, the Secondary grade teachers' scale being Rs 35-60 while the Commercial Instructors' scales are Rs 60-4-80 and Rs 80-4-120, the higher scale having been fixed in view of the greater responsibilities attaching to these posts. The Accountant-General, however, considers that officiating promotions from Secondary grade teachers' posts to posts of Commercial Instructors ~~posts~~ require the special sanction of Government. There are several posts of Commercial Instructors in the department. Occasions do arise when secondary grade teachers possessing the qualifications prescribed for Commercial Instructors have to be appointed to officiate in these posts and it is also desirable that Secondary grade men should have openings for promotion if they are qualified. I therefore request that Government may be pleased to permit Mr. Mahalinga Ayyar to draw officiating pay as Commercial Instructor from 24th January 1924 and also to declare the admissibility of officiating promotion of the Secondary grade teachers to the posts of Commercial Instructors.

I have the honour to be,

Sir,

Your most obedient servant,

Copy of letter Bo. Chit.1-159, dated 5th August 1924 of the Accountant General, Madras to the Director of Public Instruction, Madras.

With reference to the correspondence ending with your letter No.R.O.C 3001-C/23, dated 18th July 1924 in regard to the admissibility of -- officiating pay to Mr.A. Mahalinga Ayyar from 1st March 1922 to 13th April 1922, I have the honour to state that under G.O.No. 1587 Law (Education) dated 18th December 1922, officiating promotions on old scale in miscellaneous posts could be allowed only until such time as their pay was revised on time scale basis. If the time scale had been given effect to, say from 1st March 1923, there would be no objection to permit officiating promotions till 1st March 1923. As however, the time scale was given effect to from 1st March 1922, the concession allowed has been rendered inoperative. A special sanction of Government is necessary to permit the Government servant now to draw officiating pay on the old scale from 1st March 1922 to 13th April 1922.

Copy of letter No. Chit.1-186, dated 19th August 1924 of the Accountant General to the Director of Public Instruction, Madras.

2 With reference to your letter R.C.No. 3001 C/23, dated the 30th July 1924, regarding the admissibility of acting allowance to M.R.Ry A Mahalinga Ayyar, I have the honour to invite a reference to para (4) of G.O.No. 389, Law (Education) dated 12th March 1923 in which Government have waived the acting allowances drawn from 1st March 1921 to 28th February 1922. It will be seen therefrom that Government have by implication held the grant of acting allowances from 1st March 1921 as irregular. In the circumstances, the sanction of Government appears necessary for now drawing the officiating pay omitted to be drawn in the first instance. I regret that ~~at~~ this point was overlooked by this office in the first instance.

In forwarding herewith letter No. 3001 c/23 dated 23-10-24 of the Director of Public Instruction, Madras received with the detailed statement for Rs. 276-15-0 with his letter No. 3001 C/23 dated 6-11-24, I have the honour to state that there is no audit objection to Government sanctioning officiating promotions between the posts of Secondary grade teachers (35-60) and commercial instructors (60-80) if Government are satisfied that the latter posts involve duties or responsibilities of greater importance than or of a different character from those of the former.

2. I would point out that, as the time scale rate of pay was sanctioned to commercial instructors from 1-3-22, the rate of pay governing their posts prior to 1-3-22 should be the rates fixed and if officiating promotions are permitted with retrospective effect from 1-1-1922, Mr. Mahalinga Ayyar will be entitled to

A.S

As stated at 'A' on p.1 ante, officiating promotion from the post of secondary grade teachers to that of Commercial Instructors may be allowed.

2. Regarding Mr. Mahalinga Ayyar. With reference to the orders in G.O. No. 1587 Law (Edn), dated 18th December 1922, and G.O. No. 562 Law (Edn), dated 11-4-24, Mahalinga Ayyar is eligible to draw his offg. pay i.e., Rs. 60 plus 18 from 1-1-22 to 13-4-22. From the A.G's endorsement it is also seen that with reference to Fundamental Rule 32 Mr. Mahalinga Ayyar can draw a pay of Rs. 78 during the second occasion of his acting tenure (from 24th January 1924). The A.G; however, calls attention to Fundamental Rule 35 under which it is open to the Local Govt. to fix the pay of an offg. Govt. servant at an amount less than that admissible under the rules. The D.P.I recommends the grant of the pay admissible under the rules. There is no particular reason why Fundamental Rule 35 should be availed of. A draft order is submitted. It may go to Finance for acceptance before issue.

There are three proposals for consideration, viz.,

pay* Rs 35-60

Rs 60-4-80 & 80-4-120.

(1) grant of officiating promotion from the posts of secondary grade teachers to that of commercial instructors.

(2) grant to Mr. Mahalinga Ayyar of officiating pay at Rs 60 plus Rs 18 from 1-1-22 to 13-4-22.

(3) grant to him of the same pay (Rs 60 plus Rs 18) on the second occasion on which he acted, (i.e., from 24-1-24).

2. Proposal (1). Law (Education) state that the duties attached to the two posts are entirely different in character and it is not proposed to give retrospective effect to the order. A secondary grade teacher and a commercial instructor appear to belong to the same grade on different scales of pay. The status and responsibility of commercial instructors in a High School in Arts seems to be on a par with those of the assistants who teach other subjects in the same high school. If it is to be contended that his responsibilities are of greater importance or of a different character, Law (Edn.) may be requested to be so good as to give a reasoned statement bringing out the points of difference.

The duties of the two posts seem to be of much the same importance & character though the subjects taught by the incumbents may be different

3. Proposal (2). Under G.O. No. 1587, Law (Edn) dated 18-12-22 read with G.O. 215, Finance, dated 4-3-21 & officiating promotion to the post in question is admissible till the pay of the post was next reorganised, i.e., till 1-3-22. Law Dept. consider that it is admissible till 6-10-22 with reference to G.O. 562, Law (Education), dated

40. 1063 C/2 28.23

O M

C

H

11-4-24. This G.O. however operates only to waive recoveries of amounts already overpaid. It will not operate to allow ~~unpaid~~ the payment of an inadmissible item to men not previously paid. It therefore seems that officiating pay at Rs60 plus Rs18 can be given only till the end of February 1922--vide also the second letter from the Accountant General on p. 4 C.F. Law Department may be requested to amend the draft accordingly.

4. Proposal (3). The Accountant General's view that Mr. Mahalinga Ayyar can draw Rs78 on the second occasion will not come in for consideration until the Law(Education) ^{dept} justify the claim for promotion within the same ^{Cadre} grade.

* The A. G.'s view does not seem to be correct. This will be examined when the question arises i.e. if offg. promotion is declared admissible for the post

of Secondary Schools + Secondary Depts. attached to colleges

It is respectfully submitted that there is a fundamental difference between the work of commercial instructors and that of Secondary grade teachers. The work of the former is on the three highest forms (IV, V + VI) and consists in coaching students in subjects like Typewriting, Shorthand, Bookkeeping, Commercial Practice & Arithmetic to be included in the School Final course and forming alternative optional subjects which students can

can bring up for the Public examination under the Secondary School-leaving certificate scheme. The work of secondary grade teachers is in the lower forms of secondary schools and often also in the Primary classes of such schools. The equipment of the two classes of teachers is also different. Commercial teachers ~~is~~ have, in addition to the general educational qualifications implied in a Secondary School-certificate or a pass in the Intermediate examination of the University, usually technical qualifications and ~~not~~ ^{many} of them are holders of group certificates or diploma-holders under the Government Technical Examination scheme. While it may be possible for commercial teachers to do the work of secondary grade teachers it is out of the question to expect an ordinary secondary grade teacher to teach commercial subjects to pupils undergoing the S.S.L.C course.

The difference between these two classes of teachers has been ~~only~~ recognized by the Government in the scales of pay approved for them.

	Pay before revision.	Pay after revision.
Secondary grade teachers	In different grades ranging from Rs. 25 to Rs. 50 exclusive of temporary pay.	Rs. 35-35-1 1/2-50-1-60.
Commercial teachers.	Rs. 60 besides temporary pay of Rs. 18.	Rs. 60-4-80 and 80-4-120

Please see also D.P.I.'s u.o. note, paragraph 3, at pages 9 and 10 of G.O.No.1177 Education, dated 6th October 1922.

Paragraph 3 of Finance note.

The statement in the first sentence should be read with G.O.No. 1177 Education, dated 6th October 1922 in which time scales of ~~pay~~ pay for commercial instructors were sanctioned. It follows that acting promotions to the post of commercial instructors ~~was~~ admissible at least up to that date under the author-

sation accorded in G.O.No. 1587 Education, dated 18th December 1922. Finance accepted this position on a previous occasion--vide paragraph of their note at page 7 of G.O.No. 562 Education, dated 11-4-1924. The argument that this G.O. applies only to waiver of recovery of overpayments is difficult to follow. The Government orders are that officiating promotions will be admissible till the posts are organised on a time scale basis. Time scales of pay in respect of commercial teachers were not announced till 6th October 1922. It is obvious that officiating promotion should continue up to 6th October 1922.

Finance (C.S.R)

With reference to Law Department notes on pp. 4-5 ante, it is submitted for orders whether Finance may agree to officiating promotion being declared admissible to posts of commercial instructors.

- The reorganisation had effect from the 1st March 1922 and the revised pay was allowed with effect from that date. Officiating promotions should, therefore, cease inevitably from that date with reference to the terms in exception to F.R. 30. Finance cannot, therefore, accept the version that the abolition of officiating promotion within the cadre can be reasonably put off to 6th October 1922.

2681

- The fact that recovery of overpayments ~~was~~ waived in some cases is no reason for making fresh payments. The proposal of Law (Education) Department cannot therefore be agreed to.
- If the proposal to allow officiating promotion to posts of commercial instructors is agreed to, the question will then arise as to what initial pay Mr. Mahalinga Ayyar should get in the time scale fixed for the post. It is submitted that the Accountant General's view that he will be entitled to Rs78 under F.R. 32 is not correct. Rule 32 applies only to time scales of pay--vide F.R. 21--The post of commercial instructor was not a time scale of pay ~~in~~ ^{before} 1-3-22 and F.R. 32 will not therefore apply to the case. The term "in the post" occurring in line 3 of the rule evidently means "post on a time scale" referred to in line 1 of the rule. The position will therefore be that Mr. Mahalinga Ayyar can start only on the initial pay of the post and can count his previous officiating service on Rs78 for increment in the stage of Rs76 in the scale 60-4-80 if and when he reaches that stage--vide note to Rule 32.

- In view of the above, Law (Education) Dept. may be requested to revise para 2 of their draft.

long
9.2.25

1. I waive the objection to the drawing of officiating pay at Rs60. + 18% from 1.1.22 to 3.4.22. The amount is based on the old scale though the time scale came into force from 1.3.22

2. The file may be circulated for orders on the question whether officiating promotion should be permitted between posts of Secondary School Teachers on Rs35-60% & Commercial Teachers on Rs60-80, 80-120. The case seems a very weak one

3. The Accountant General's interpretation of the Note to F.R. 32 is not correct. His note explains

The procedure in the case of a post the pay of which has been altered from a min. time scale to a time-scale. The pay (R78/-) was drawn in the min-time scale. The pay must for increments in the R76/- stage of the 260-4-80/- time scale, but the officer must start in R60/- & work his way up to the R76/- stage first. Every officiating promotion is conceded between the R35-60 scale & the R60-80/- scale, the officer must start in R60/- in Jan'y 1924

In view of the interpretation of Rule 32 of the Fundamental rules given in paragraph 4 of Finance note at p. 7 ante, this Dept. need not press the question of ^{the highest} initial pay on behalf of the teachers.

≡ The only outstanding point in the file as regards the admissibility of officiating promotion from the posts of Secondary grade teachers (pay - Rs 35-60) to the posts of commercial instructions (Rs 60-80) for orders. The case for the grant of officiating promotion has been explained at pp 4-5 ante.

The file may be circulated to M₂ & C₃.
