Sir,

Adverting to G.O.No.2014 Press dated 27-12-1924 sanctioning a grant of Rs.3000/- for the construction of a building for the Kottamedu Elementary School, I have the honour to inform you that the building could not be commenced during the month of January 1925 as a person issued a lawyer's notice claiming ownership in the land alienated by the Collector of Trichinopoly for this purpose (T.S. No.1235/2 of Lakshminarayana Samudram Village, Karur Town) and restraining the Council from constructing a building thereon. As according to the Survey records the site is classed as a "mandai poramboke" and as it was alienated by the Collector of Trichinopoly during 1922 in favour of this

Council, the claim now put forth by the party has been referred to the Collector. The Council has decided to await the decision of the Collector for settling the claim. In view of the fact that on a previous occasion the grant sanctioned for this self same purpose had to be refunded to Government owing to the lapse of the time allowed by the Government the Council is taking all possible steps to commence the construction as soon as possible. I am also making provision in the budget for 1925-26 for the construction of this school. I shall report about the further action taken by the Council in due course.
