Endorsement No. 10672-1 dated 23-12-24 - Ex-Army men Educational concessions - Lieut. Madurai - Letter No. 412 M. dated 12th December 1924.

.....

The application of Samson Joseph for educational concession on behalf of his son was already considered by this office and it was decided that he was not entitled to the concession as he was not an Indian Soldier to whom only the G.O's. apply but only a clerk.

The connected papers are herewith re-submitted.

Please see the reply from the P. S. C.,

Joseph's ~~father~~ is eligible for the concession
or not is one for Law (Edn) to consider
the file may be transferred to them.

The file contains an application from
~~one~~ Joseph Samson for the grant of the educational
concessions admissible to the children of the ex-
Army men, to his son, George Stuart Samson, who is now
a student of the IV Form in the Danish Mission High
School, Tiruvannamalai. Joseph Samson had served as a
clerk in the Irrigation Directorate, ^{Mysore} ~~Mysore~~ - from
the 8th October 1918 to the 30th April 1922 and was
subsequently discharged.

2. The Collector and President of the Dis-
trict Soldiers' Committee, North Arcot, (Mr. Molony)
holds that the lad is not eligible for the conces-
sions as his father's military service was in the
capacity of a clerk ^{and not as Soldier}. The collector's view does not
seem to be correct. Under G.O. No. 1334 (Edn), dated
26-9-21 the concessions apply to the children of
all Indian soldiers, combatant or non-combatant who
were on the active list ^{between} ~~October~~ the 4th August 1914
and 11th November 1919 and are not in affluent
circumstances.

In the above case disposed of in Memo No.
5885/A-21, dated 13-2-22 it was held that to be
eligible for the concessions the father of a boy need
not necessarily have served as a soldier, but that it
would suffice if he had rendered military service of
any description. In that view the boy ^(George Stuart Samson) ~~may be~~
~~held to be~~ eligible for the concessions.

3. As regards the bill submitted, refund of
hostel charges is out of the question as the Govt.
have not undertaken to pay the boarding charges of
these children. In assessing the grant for the school
the Director has been authorized to take into account
the tuition fees payable and the cost of books accord-
ing to the scale prescribed in G.O. No. 663 (Edn)
dated 23-5-1918. The present claim is for arrear

49
payment with effect from 1918-19. The D.P.I. may be requested u.o. to say if the arrear claim may be admitted. If it can be, ~~the~~ he may be authorized to sanction an extra grant to the school to cover fees and the cost of books. It will then be for the applicant to obtain a refund from the management of the school.

clear
It seems from the Collector's letter on page 34 c.f. that as President of the District Soldiers' Committee, Vellore, he had in mind only G.O.No.663 H.E. dated 23-5-1918 and not the latter G.O.No.1334 L.E., dated 16-9-1921. The North Arcot Soldiers' Committee's attention may be invited to the latter G.O. and the President asked to issue the prescribed certificate after he has satisfied ^{himself} that the parent is not in affluent circumstances.

As regards the date from which the concessions claimed may be granted, it would be reasonable to allow the concessions from the date on which the father of the pupil first applied to the management for them. If this suggestion is accepted by Government instructions will issue to the D.E.O. on receipt of the orders of Government.
