The President, District Board,

South Kanara.

Sir,

I have the honour to state that the Government
in their order No. 2316 L & M dated the 25th November
1921 were pleased to authorise the investment of
portions of Local and Municipal Funds in the Central
District Cooperative Banks. But as this authorisation
was restricted only to funds not required for ---
immediate expenditure, this Taluk Board was not bene-
fitted by the aforesaid Government Order. Now that the

Government order No. 978 Law (Education) dated the 16th June 1924 requires to open a separate banking account in respect of Elementary Education Fund. I am of opinion that if the Government are pleased to authorise the investment of the Elementary Education Fund in the South Kanara Central Cooperative Bank Limited No. 1113, Puttur, whose head office is located next to the Taluk Board office, the Board may derive some interest thereby, and will facilitate the maintenance of accounts separately.

2. The present system of remitting the salaries of the staff of teachers by money order as required by Instruction 282 of the Local Boards Manual involves a monthly expenditure of Rs 25/- as money order commission. If the Government are pleased to permit this indigent Board to disburse the salaries of teachers through the Cooperative Bank which has its constituent societies in the rural area of the Taluk, the recurring charges can be saved.

3. I have, therefore, the honour to request that the Government may be pleased to authorise the investment of the Elementary Education Fund of this Taluk Board in the Central Cooperative Bank referred to above and to accord sanction for disbursing the salaries of teachers through the agency of the said Bank.

I have the honour to be,

Sir,

Your most obedient servant,

Forwarded to the President, Taluk Board, Uppinangady, for remarks with reference to the suggestion of the Director of Public Instruction and the Examiner of Local Fund Accounts.

The President is also requested to report whether the South Kanara Co-operative Bank, Ltd., Uppinangady, is one of the banks recognized by the Registrar of Co-operative Societies under G.O. No. 2316 of 1924 dated 20/11/24.

Forwarded.

The proposals of the President, Taluk Board, Uppinangady, are:--

- (i) to lodge the Elementary Education Fund in the South Kanara Central Co-operative Bank, Ltd. and
- (ii) to disburse the salaries of teachers through the Co-operative Bank.

Item (i):-- There is no audit objection to Government modifying the orders in Government Order No. 589, Law (Education), dated 14th April 1921, and No. 978, Law (Education), dated 16th June 1924, so as to permit the Elementary Education Fund being lodged in the Co-operative Bank, subject to the conditions suggested by the Director of Public Instruction.

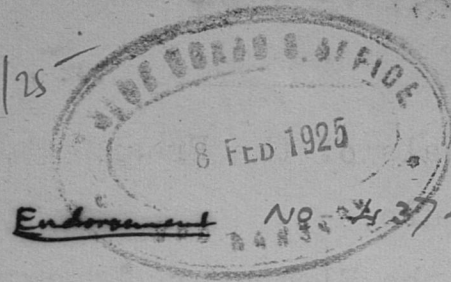

Item (ii):-- The present system of remitting by money order salaries of Local Fund servants who live at a distance from headquarters, is based on Executive Instruction 275 of the Local Boards Manual. The proposal to disburse them through the Co-operative Bank will accordingly require the sanction of Government. There is no objection to Government sanctioning it, if the Bank consents to undertake the work free, in consideration of the money being lodged with it. Adequate arrangements should be made for the prompt submission to the Taluk Board Office of the acquittances of the payees.

Law (Education) Department.

Sir,

The President, District Board, South Kanara.

Sir,

Adverting to Government Endorsement No. 4374 of 1924 Law (Education) Department dated 5.2.25, I have the honour to state as follows:-

2. There do not appear to be any restriction of the kind referred to in the endorsement of the --- Director of Public Instruction so far as the South Kanara Central Cooperative Bank is concerned with regard to withdrawal from the said Bank by the Taluk Board of the whole or of any portion of its funds

at any time and without notice.

3. With reference to the remark of the Examiner of Local Fund Accounts, it has to be said that the said Bank does not charge anything for the account that will be opened with it, if the proposal is approved by Government. On the other hand, interest at 3 per cent will be allowed by the Bank, and this will in its own way be an addition, however slight, to the income of the Taluk Board.

4. The said Bank has been recognised by the Registrar of Cooperative Societies in his Ref on C. No. 981/22 dated 16th March 1922, issued in consequence of G. O. No. 2316 L & M dated 25th November 1921.

5. There do not therefore seem to exist any objections to the proposal now made.

6. All the enclosures that accompanied the reference under reply are resubmitted.

I have the honour to be,

Sir,
