No. 2957 D/23

Station Madras, Dated the 11th March 25 192

From (Name) R.G. Grieve, Esq., M.A., F.R.G.S.,
(Designation) Ag. Director of Public Instruction

To The Secretary to the Government of Madras,

Law (Education)

Department.

Sir.

I have the honour to address Government requesting a reconsideration of the orders issued in G.O.No. 90 Law (Education) dated 22nd January 1925 declining to include in the list of approved works the construction of a swimming tank for the Pasumalai High and Training school, Madura.

2. During my recent visit to Madura, I personally inspected the swimming tank and I consider that for the washing and bathing of about 500 boarders in the hostel attached to the school, the tank is necessary. The

term 'swimming tank' has possibly led to a misconception.

It is primarily a washing place for the boarders but it is so arranged that after washing, boys can use it as a plunge bath.

3. I therefore request that Government will be pleased to reconsider the orders issued in G.O.No. 90 Law (Education), dated 22nd January 1925 and to include in the list of approved works the construction of a swimming tank for the school at a cost of Rs.3947.

4. The plans and estimate are herewith submitted.

I have the honour to be,

S i r,

Your most obedient servant,

Trancho

As.

Attention is invited to the notes connected with G.O. of 22.1.25. The Honble the Minister considered that ~~the provision of~~ a swimming tank for a school was not a necessary item, though it might be desirable to have it if it could be provided for by the management. The Govt. therefore negatived the payment of grant ^{for it} ~~in this case~~. ~~Therefore~~ orders are requested whether the matter will be reconsidered in ^(the light) ~~view~~ of the Director's present communication.

The tank proper is 40' x 20' and a tank of such large dimensions is not intended solely ^(as kept) for bathing purposes. From the D.P.I. letter it appears that the tank has been constructed. He speaks of having inspected the tank.
