LAW (EDUCATION) Department.

Sir, With reference to G.O.No. 2004, Law (Education) dated 23rd December 1924 and in continuation of my letter R.O.C.No. 735 A/24, dated 23rd December 1924 regarding the transfer of management of the Government High School, Tiruvalur, I have the honour to state that in connection with the request of the Municipal Council, Tiruvalur, to postpone such transfer to 1st July 1925, the Collector of Tanjore has observed that "the affairs of the Municipality are now such that the school should not be handed over to it. It has not shown itself able to look after its present business properly, without additional responsibilities being added." A number of representations have also been made against the transfer of the school

to the Municipality. The District Board, Tanjore, which some time ago was unwilling to assume the management of the school except as a net cost school, have, in deference to local public opinion^{and} fearing that the school might lose in efficiency under Municipal management, come forward^{with} an offer to undertake the control of the school. To this offer they attach no conditions whatsoever, financial or otherwise. A copy of their resolution on the subject is enclosed. Having regard to the fact that the Government High School, Tiruvalur, was a Board school before it came under departmental control, I consider that ~~the~~ it will be in the fitness of things that it should revert to the Board now that the Board is willing to take it over.

3. Further, the District Board, Tanjore, which manages a number of secondary schools is better fitted financially and administratively to manage the school than the Municipal Council, Tiruvalur. The fact that the majority of boys attending the school do not belong to Tiruvalur Town supports my view.

In these circumstances I recommend that the Government will be pleased to sanction the transfer of the management of the Tiruvalur High School to the District Board, Tanjore, with effect from 1st June 1925. I have suggested 1st June 1925 as the date of transfer so that the Board might assume the management without disturbing the work of the school, which will reopen in June after the summer vacation.

I note that the Government have already inserted the necessary provision in the Civil Budget Estimate for 1925-26 for the continuance of the school up to 1st July 1925.

I have the honour to be,

Sir,
Your most obedient servant,

Copy of letter R.C.No. 4683 D.B/24, dated 20th December 1924 of the President, District Board, Tanjore to the Director of Public Instruction, Madras.

Re: Taking over the management of the Government High School at Tiruvalur by the Tanjore District Board.

Adverting to the correspondence ending with your R.C.No. 1900 C/23, dated 9th May 1924, I have the honour to inform you that as it is understood that the Municipal^{Council} Tiruvalur, has declined to take up the management of the Government High School, Tiruvalur, from 1st January 1925 as ~~decided~~^{desired} by the Government and as this Board feels that it would be a great loss to the District if this model institution were allowed in any way to deteriorate from its present high level of efficiency and out of deference to public opinion, which, as may be gathered from the influentially backed up mahazars it has received, is strongly in favour of the District Board taking over the management, this board has at its meeting held today resolved unanimously to take over the management of the school with no conditions whatsoever, financial or otherwise. As this was originally a Board school, before the Government took it over, I would submit that this Board ought fairly speaking to be given the right of the first refusal.

A copy of the District Board Resolution No.V(2) dated 20th December 1924 is herein enclosed.

I would therefore request you to kindly move the Government to vest the management of this High school at Tiruvalur in this Board. Even if the Government ~~school~~^{should} decided to leave the school to the Board with effect from 1st January 1925 I am prepared to make the necessary arrangements.

I request early orders.

LOCAL SELF-GOVERNMENT Department.

M a d r a s.

Sir,

I forward herewith copies of a petition from a few citizens received by me, the Sub Collector's (Negapatam) remarks thereon, and the Council's Proceedings dated 22nd November 1924. The Government have decided, in their G.O.No.1527 (Law Education Deptt.) dated 30th September 1924 to accept the offer of the Municipal Council, Tiruvalur to take over the management of the High School, unconditionally and directed that the transfer should take effect from 1st January 1925.

2. I think the affairs of this Municipality are now

such that the school should not be handed over to it. It has not shown itself able to look after its present business properly, without additional responsibilities being added. Their final resolution on 22nd November 1924 (copy enclosed) also indicates that they are unable even to keep order at their own meetings. In view of the steady protest by the public and of the unwillingness of the Council to take it over, I recommend that the decision to hand it over on 1st January 1925 be rescinded and that the question may be raised again in an year's time.

3. I solicit orders.

T.G.B./16-12-24.

M. Channalige
for Collector.

Copy of a mahazar petition from the citizens of Tiruvalur to the District Collector, Tanjore through the Sub Collector and Joint Magistrate, N e g a p a t a m, dated 24th November 1924.

Respected Sir,

Humble petition submitting by the following citizens of Tiruvalur praying that the District Collector may be pleased to suspend the resolution of the Municipal Council dated 12th July 1924 to assume the management of the Government High School, Tiruvalur from 1st January 1925 in view of the overwhelming public feeling against the resolution:

1. For some time past the Government had been contemplating to hand over the management of the local high school to the Local Boards and they accordingly asked first the District Board and then the Municipality whether they will be prepared to assume the management of the high school. The District Board insisted on the net costs being borne by the Government which the latter refused.

2. The Municipal Council passed a resolution dated 23-12-23 that the Municipality will be willing to take up the management on condition that the total net costs of the institution are borne by Government for the first 5 years and then 2/3 of the same afterwards. The Government did not agree to this stipulation and the public were given to understand that negotiations between the Government and the Municipality had broken down.

3. On 12-7-24 the Municipal council without gauging public opinion and without bestowing proper consideration over the financial aspect of the question went back on their former resolution and expressed their unwillingness to assume the management of the High School unconditionally from January 1st 1925, and a G.O. was accordingly issued in the matter.

4. The public were not informed of this 2nd resolution to protest against it in time and they accordingly submitted memorials on the 25th and 26th September 1924 to His Excellency the Governor of Madras, the Minister for Education and the Director of Public Instruction praying that the Government may be pleased to reconsider their decision and have the management in their own

14/5
hands in view of the embarrassed state of Municipal finance and its general administrative experience, as a perusal of the memorial herewith attached will reveal. Subsequently the parents and guardians of pupils sent mahazars to both the Director of Public Instruction and the Minister for Education expressing their strong dis-appointment and disapproval of the proposed action of the Government as it will affect detrimentally the interests of the institution.

5. On 15-11-24 after the expiry of the three months' time a councillor sent in a resolution which ran as follows:- "That in view of the fact that the smooth working of the institution will be seriously interrupted by the transference of the management in the middle of the academic year, it is earnestly urged upon this council to postpone assuming the management to July 1st 1925 when the new academic year commences." For some mysterious reason this was not included in the agenda and some of the signatories to this humble petition annoyed at the attitude of the Chairman and some of the councillors waited on a deputation on the council and earnestly urged upon the council not to take up the management. Then the council was adjourned to 23-11-1924.

6. Even on 22nd November 1924 the Chairman did not choose to include this subject in the agenda in spite of the excited state of public feeling over it. The mover of the resolution pressed the Chairman to issue a supplementary agenda and have the matter discussed in the council on the same date. There was a heated debate over the resolution. A councillor brought in an amendment that the Municipality should not take up the management of the school in view of the public opinion and that the same may be communicated to the Government immediately. The Chairman interpreted this as a new proposition and ruled it as out of order. Many of the councillors thereupon demanded a poll on the original resolution as they were anxious to see that public feeling is allayed by a judicious yielding even at a late hour. But the Chairman and the minority of 4 who are in favour of taking up management with the sole object of making the meeting a fiasco abruptly dissolved the meeting of the council fearing a defeat over the motion.

7. In these circumstances, we, the undersigned, humbly pray that your honour may be pleased to suspend the resolution of the Municipal Council dated 12-7-24 mentioned supra as it is opposed

317 5 12
to the will of the public and against all public interests.

Negapatam Sub Collector's remarks dated the 30th Novr. 1924.

Submitted.

2. Some representations were made to me at Tiruvalur. It is contended that the educated section of the Tiruvalur public is opposed to the decision of the Municipal Council. I am inclined to think that there is some force in this contention.

3. It seems to me that it is quite possible that the school may work at a loss. The Collector knows the financial situation in this municipality. It is a question whether it is inadvisable for the council to assume management, on this ground, and also on administrative grounds. I submit that, at present, the Municipal council is not fit to take over the management of this important school.

 of it - named by one or two numbers.

It will be interesting
 to see how the
 the order is being
 carried out. I also find them a chance to state
 their views before a change is made.

A in M.2's note on page 4 ante.

In July 1924 the Municipal Council resolved "to
 take over the management of the ^(School) unconditionally".
 Orders were issued in G.O. No. 1527, dated 30-9-24,
 directing that the transfer of management of the
 school to the Municipal Council should take effect on
 the 1st January 1925. ~~Subsequently~~ the Council
 resolved to take over the school from July 1925. This
 was approved in G.O. No. 2004, dated 23-12-24. The
 Council has thus agreed to take over the school un-
 conditionally from July next. The D.P.I. considers
 that the District Board is in a better position to
 run the school and hence his present proposal.

A draft Memo to the C.M.C. is submitted as
 directed by the Hon'ble the Minister.

My own view is that
 the school may be handed
 over to the District Board
 on the ground that it was
 under the management of
 that body prior to the
 assumption of control
 by Govt. Educationally speaking,
 the District Board
 management would be
 decidedly better. The
 board has ample
 financial resources while
 the Municipal Council
 hardly pays its way,
 besides being split up
 into factions.

I think in the analogous case
 of Chittoor we handed over to
 the District Board. Any other
 precedents?

A above - Submitted that the transfer has not
 yet been given effect to. The D. Board,
 Chittoor, has been asked whether it
 agrees to the terms proposed by the Govt.

There are no other precedents.

In the case of Anantapur
 the school was taken over
 temporarily for 3 years
 was returned to the
 Council.

This is a case in which the
 already committed to hand over
 the school to the M.C. which
 promised to manage unconditionally.
 There is justification in going back
 to the D. Bd if the school was
 originally managed by them before it
 was taken over by Govt. The M.C.
 should have an opportunity to
 explain its position in the proposed
 and before Govt.
