Mr. G. V. Venkatraman Ayyangar:-

page 225. 226. To omit the allotment of Rs. 4000 for Indians ^{advisory} students ~~advisory~~ committee.

Law (Education) Department

The Students' Advisory Committee was formed in 1910 under the orders of the Govt. of India and the Secretary of State. The provision -- referred to above is for allowances to the Secretary to the committee, ~~and~~ for his establishment and for travelling allowance and contingencies. The Secretary renders assistance to students proceeding to England and other countries for ~~the purpose~~ continuing their studies. These students derive valuable information from the Secretary in regard to the courses of study in British Universities, the terms of admission and other particulars connected with their education in England. Many students avail themselves of the assistance rendered by the committee and it will be a great hardship if ~~the~~ the budget provision is omitted.

The Committee on Indian students in England which was presided over by Lord Lytton has recommended that the work now done by students' Advisory committees should be transferred to University Bureaus. Proposals are under consideration for the ~~transfer~~ transfer of the committee's work in this presidency to the Madras

University.
