R.O.C. No. 149-D/25.

Station Madras, Dated the 27th January, 1925.

From (Name) R. LITTLEHAILES, Esq., M.A.,

(Designation) DIRECTOR OF PUBLIC INSTRUCTION.

To The Secretary to the Government of Madras,

LAW (EDUCATION) Department.

Sir,

I have the honour to submit herewith for the approval of Government plans and estimates for the following works.-

<u>Name of work.</u>	<u>Amount of Estimate.</u>
	Rs.

1. Construction of a latrine of) 20 seats in the Engineering) College, Guindy.)	4,400/-
2. Supply of fire appliances for the Engineering College, Guindy.	1,330/-

2. The estimates for the above works were approved by me but the Superintending Engineer, Madras Circle, requests

(P.T.O.)

requests that the approval of Government be obtained for them as the total amount of the estimates administratively approved by me during the current year exceeds Rs.5,000/-.

3. The Superintending Engineer reports that there are funds for both the works during the current year.

I have the honour to be,

Sir,

Your most obedient servant,

Francis
for Director of Public Instruction.

Subject: Engineering college, Guindy - plans and estimates of two minor works.

A.S.

Administrative approval may be accorded to the estimates relating to the following two works and the file sent n.o. to P.W.D.:-

- | | <u>Amount</u> |
|--|---------------|
| (i) Construction of a latrine of 20 seats in the Engineering College compound, Guindy. | Rs 4,400 |
| (ii) Supply of fire appliances for the Engineering College, Guindy. | Rs. 1,330 |

P.W.D. n.o.

u.s.

Please see the Law (Edn) Deptt note above. The estimate amounting to Rs 4400 for Constructing a latrine of 20 seats is a minor work and is within the D.P.I.'s powers of Administrative approval but the approval of Govt to this estimate is applied for as the total

Rs 5000/-

sh

Amount of the estimates administratively approved by the D.O.D during the current year exceeds Rs 5000. All improvements to a single building in any one official year should be considered as one work (Vide G.O. No 560 W of 18.4.1912 and the notes at A ^{on p. 1 of the notes} printed into the G.O.) Also in G.O. No 1579 W of 6.8.1913, the S.E.'s suggestion, that the powers of administrative approval of the heads of departments should be for each separate year, was approved.

It therefore appears that, in view of the statement at A above, all the estimates approved by the D.O.D during the current year to the Engineering College together with the estimate of Rs 4400 in this file require the ^{administrative} approval of Govt. as the aggregate cost of the works exceeds Rs 5000. The S.E. Madras circle may therefore be asked to submit all the estimates approved by the D.O.D for the ^{formal} approval of Govt. (Vide G.O. No 560 W of 18.4.1912 for a precedent).

In the alternative, the Law (Edn) Dept may be asked to state whether the work of constructing latrines at a cost of Rs 4400/- cannot bear postponement till the next official year, when the D.O.D can administratively approve it and funds provided by the S.E. under the "Minor works".

2. As regards the supply of fire appliances,
