Sir,

Scholarship - Samuel Henry.

I am directed to address you on the question of the payment from the Silver Wedding Fund of a boarding grant of Rs. 10 a month to Samuel Henry, son of Mr. C. Henry.

2. Mr. Henry rendered military service as Sub-Assistant Surgeon in the Great War and was discharged from the army in the year 1919. One of his sons, Samuel Henry, is a pupil studying in the III Form in the St. Paul's High School, Vepery, and is a boarder in the hostel attached to the school. Under the scheme of educational concessions sanctioned by this Government for ex-army men, the boy is exempt from the liability to pay fees. It is said that the boy's father is not in affluent circumstances and that he finds it difficult to pay for his son's boarding. He has accordingly applied for a maintenance allowance on behalf of the boy. The D.P.I., Madras, supports the application and recommends that a maintenance scholarship of Rs. 10 a month may be sanctioned for the boy with effect from the 1st July 1924. I am to commend the application for favourable consideration of the committee of administrators of the

Scholarship to Samuel Henry.

Dear Sir,

pp 5.6 and

In reply to your letter no. 3393-C/24-2, dated the
11th March 1925, I am desired to say that the Adminis-
trators are pleased to sanction the award of a maintenance
scholarship of Rs. 10 a month from the Silver Wedding
Fund to Samuel Henry, a pupil in the St. Paul's High
School, Vepery, for a period of one year in the first
instance with effect from the 1st July 1924. The
scholarship will be subject to the usual condition
regarding regular attendance, good conduct and satisfactory
progress. A cheque for Rs. 120 is enclosed. Kindly
acknowledge receipt.

Yours faithfully,

S. Webb-Johnson

Honorary Secretary,

C.No. 2710 C - From Dr. C. Henry, ^{Ex-war sub-asst.} ~~Ex-service~~ surgeon,
No. 204 dated 8-10-1924.

Subject: -

Boarding grants to his children studying
in S.P.G. High School, Vepery.

The petitioner styles himself as ex-war sub-asst. surgeon. It is said that he was demobilised from the army in 1919. He says that two of his sons are studying in the S.P.G. Boarding High School, Vepery, and asks that an allowance of Rs. 20 a month may be granted towards the boarding expenses of the boys.

2 In the orders issued by Govt. from time to time granting educational concessions to the children of soldiers, no provision has been made for grants towards boarding charges. The concessions made available ^{take} ~~in~~ the form of fee-remissions and in some cases also of small grants for the purchase of books and slates.

3 The present is not a fit case to be considered by the Committee of the Silver Wedding Fund, as help from the fund is rendered only for higher education and ^{in question} the boys are evidently studying in lower classes. It seems that the application has to be rejected. The D.P.I. has already done this once. A draft memo is submitted.

D.P.I. may see the case before the Memo

Boarding grants to his children studying in ^{the} S.P.G. High School, Vepery.

Attention is solicited to Memo No.2710/C-21, dated 30-10-24 in which the previous application of Mr. C. Henry for boarding grants on behalf of two of his sons studying in the S.P.G. High School, Vepery, was rejected. The petitioner now calls attention to the footnote to paragraph (4) of the Government of India's ^{Scheme} ~~letter~~ relating to educational concessions to children of ex-soldiers, ~~printed~~ ^{referred} at page 2 of G.O. No. 663 (Education), dated 23rd May 1918 and asks that, as the scheme contemplated payment of grants towards hostel charges in cases where the ordinary scholarship allowance does not cover them, his two sons may be given the benefit of this provision ^{of} the scheme. The point is that the Local Government have not accepted the liability for payment of boarding expenses and as pointed out at page 7 of the Memo, the concessions so far authorised have been in the shape of fee-remissions and in some cases also of small grants for the provision of books and slates. The D.P.I. to whom the previous petition was sent returned it after perusal and did not presumably consider it necessary to go beyond the concessions admissible under the rules. For orders whether the application for extra help asked for in this case will be entertained. If so the D.P.I. may be asked u.o. to make enquiries as to classes in which the children are studying, the nature of the boarding arrangements in the school and to

U.O.Reply No. 14562/24825-2-25.

Cases in which boarding charges may have to be met are not many in number, and now the scope of the Silver Wedding Fund has been extended, vide G.O.No.250 L.E., dated 17th February 1925, and as the fund apparently is large enough to admit of extension to cases such as the one under consideration it is unnecessary to extend the concessions admissible under G.O.No.663 H.E. dated 23rd May 1918 so as to provide for boarding charges.

(X) Lau Edu 636C
26.2.25

This would involve an additional burden on provincial funds whereas the cases may quite well be dealt with under the Silver Wedding Fund. Of the two sons of the younger a pupil of class IV (a pupil of Form III) Dr. Henry one has left the hostel and the other is paying a boarding fee of Rs.10/- per mensem. A maintenance scholarship from the Silver Wedding Fund from 1st July 1924 may be paid to the son who is now in the hostel. The hostel is attached to St. Paul's High School, Vepery. If the other boy rejoins the hostel next school year his case may be considered when renewing the application for the elder brother.

A draft letter to the Hon. Secy., Silver Wedding Fund, is subd. There

is no authenticated statement in the file that Mr. Henry rendered military service. Presumably the D.P.D. has satisfied himself on the point.

This case was already considered at the board under the scheme concerning

unless it is considered desirable that exact particulars should be obtained from the collector, the draft to the Committee of the Silver Wedding Fund is for approval.
