ENCLOSURES \_\_\_\_\_

SPARE COPIES \_\_\_\_\_

With reference to Proceedings R.C.2134 -D/24 dated 9-1-1925, I have the honour to state that the total number of miles travelled during the six months, July to December 1924, comes to approximately 994 miles. Of this total about 328 miles were covered in attending office. The remaining 666 miles were covered in connection with Inspection-work and attendance at Meetings of the various Councils etc. of which I am a member in virtue of my official position.

2. The total number of days during <sup>the</sup> 6 months is 184; but the number of working days was only 142.

3. If the total number of miles travelled be taken into account the average number of miles travelled daily comes to  $\frac{994}{184}$  or  $\frac{994}{142}$  i.e. 5.4 or 7 according as 184 or 142 days are reckoned.

4. If only the number of miles travelled in connection with Inspection-work etc. be taken into account ( i.e. 666 miles ) then the average number of miles travelled daily comes to  $\frac{666}{184}$  or  $\frac{666}{142}$  i.e. 3.6 or 4.7 according as 184 and 142 days are

are counted.

I have the honour to be,

Sir,

Your most obedient servant,

law (Education) Ser  
[No. 4044A] - From the D.D. I. M.C. 7  
no. 2134 of 24 of 29.10.24.

Subject - Conveyance allowance to  
Mr. Hart, District Educational Officer, Madras

The question of granting conveyance  
allowance to Mr. Hart was already  
considered and negatived vide  
S.O. no. 232 law (Education) of 18.2.24.

2. The ground now adduced by  
Mr. Hart is that certain other officers  
employed in the City have been granted  
conveyance allowances in addition  
to Presidency allowance.

3. The Assistant Inspector of  
Girls' Schools, Madras, who is one  
of the officers mentioned by Mr. Hart  
has to inspect 62 Elementary Schools  
~~in the City~~ in the City, while the District  
Officer, Madras, has to inspect 24  
Secondary Schools, 2 Training Schools and  
6 Special Schools besides ~~inspecting~~  
~~inspecting~~ ~~between~~ between 50 & 60 Elementary Schools in  
the City. He has in addition to  
attend several meetings such as

11  
those of the St. Educational Council,  
Secondary Education Board, Corporation  
Education Standing Committee, Corporation  
Council, Society for protection of  
Children and such others as are  
from time to time covered by  
public bodies working in the field  
of education in the city.

4. The Civil Assistant Surgeon, Royal  
Pettah Hospital is paid a conveyance  
allowance for visiting the Civil  
Male Orphan Asylum and the Lady  
Assistant Surgeon, Madras Hospital  
for visiting the clinics.

~~As compared with these duties~~  
~~he is to be considered as the D.D.~~  
~~under it much more.~~

5. The Exp. Engineers and the Asst  
Engineers of <sup>the two</sup> divisions of the city  
have to travel about only in their respective  
divisions, while the St. Educational  
Office has to travel throughout the  
city.

6. In view of the above  
circumstances the request of  
the D.E.O. ~~for~~ <sup>in</sup> for a convey-  
ance may be ~~accepted~~ <sup>approved</sup> and  
the file may be sent to Finance

The main reason for which  
the request of the St. Educational  
Office, Madras for the grant of a  
Conveyance allowance was negatived  
last time was that he would get  
a presidency allowance - Rs 150 p.m.  
The officer has now renewed the  
request on the ground that there are  
other officers in Madras who draw

presidency allowance as well as  
 conveyance allowance. Before the request  
 is further considered in this Dept,  
 it may be requested to ascertain  
 and state the average daily  
 mileage which the officer has to  
 cover for the discharge of his  
 official duties. This information may  
 be based on the travelling done by him

Item 4, 5, 9, 10, 30 & 31  
 on pp 11 & 12 of the  
 Report of the Ret.  
 Committee with  
 alterations

(I) 180 of the Report of the  
 Ret. Committee (not put up)

It does not find a place  
 in the list prepared  
 by the Committee

Of the seven items given in paragraph 3 of the  
 memorial at p. 3 C.F. item 7 relates to fixed T.A.  
 and not to conveyance allowance. All the other  
 items are those which were scrutinised by the  
 Retrenchment Committee at the time of the general  
 overhaul of allowances and which were retained by  
 Government on the recommendation of that Committee.  
 Item (3) is one of the additions made by Government  
 to the list of conveyance allowances recommended by  
 the Retrenchment Committee for retention and it seems  
 to be a new allowance sanctioned at the time of  
 overhaul.

2. The original of G.O. No. 199, Finance, dated  
 7-3-24 does not contain any particulars to show  
 the average daily mileage which the officers to whom  
 the aforesaid items 1 to 6 relate have to cover for  
 the discharge of their official duties.

rule 16 in the Allowance Manual

3. The existing general rule is that every  
 Government officer of a specified rank is expected  
 to maintain a conveyance suited to his rank and he  
 is bound to maintain without a special allowance  
 such means of conveyance as are requisite for his  
 ordinary duties, including touring and normal  
 inspection work attached to his office.

4. From p. 8 C.F. the memorialist may be said to  
 do about 4 miles a day. This amount of itineration  
 seems to be too little to justify the grant of a  
 conveyance allowance. Attention is invited to an  
 interesting note by H.E. Lord Pentland in p. 4 of

G.O. 716, Edn. dated 5th August 1913. Reading that  
 note with the present day rule 16 in the Allowance  
 Manual, one would be inclined to hold that Mr. Hart  
 should be doing 10 or 12 miles inspection work a day  
 before he can reasonably ask for a conveyance allow-  
 ance. Mr. Hart gets a Presidency allowance of Class

8776  
 28/1/25

15  
It is true that this is for high cost of living in Madras; but when he receives it there will not be much ground to give him a conveyance allowance in addition especially when he puts in only 4 miles a day (cf. Sir Charles Todhunter's note on p. 20 of G.O. 23245). The memorial may be rejected.

R.R.

hy

It is all a question of degree. In the present case. The daily average inspection touring is only 4 miles. I do not think that this justifies the grant of conveyance allowance.

2. If Govt. decide to grant an allowance, Rs 50/- p.m. would be adequate, a motor car to be maintained, & allowance to cover all journeys within jurisdiction.
3. If the case is pressed, C<sub>3</sub> should see.

allowance in addition to the Presidency allowance. Every officer is expected to keep a conveyance suited to his position & we expressly do not give anything to cover the cost of attendance at office.

The case of an officer whose inspection work carries him 4 or 5 miles on the days on which he does any inspection is a particularly weak one.
