To The Secretary to the Government of Madras,

Law (Education) Department.

Sir,

In enclosing herewith an application from the manager of the Kariyanchettipalayam Night School, for aid during the current year together with the remarks of Mr. Rajaratna Mudaliar a member of D.E.C., thereon, I have the honour to state as follows:-

The School is working from November 1923, and a Night School is sadly needed for this part. The inhabitants are all backward classes and if the school is to be denied grant this year, I fear the school will be closed. The school however, cannot be admitted during the current year. Since it does not come under special cases referred to in Rule 42 (2) of the Madras E. E. Act, and as none of the

four teachers is trained. The Council has recommended the case for supplemental aid as a special case. In the circumstances stated above, I have the honor to request you, that I may be permitted to admit the school to aid during the current year itself.

A copy of the Council's Resolution on the subject is, also herein enclosed.

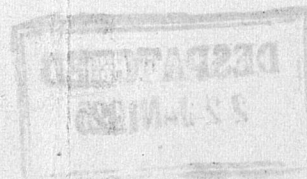

I have the honour to be,

Sir,

Your most obedient Servant,

To,

The President

Dt. Educational Council

Sir,

your kind order No. 248/24
dated 13th Oct. 1924 refusing to admit the
unaided school Kariyanchettipalayam
night, to aid for the year 1924-25 to hand.
I have to bring the following few lines
to reconsider the order quoted above in the
following circumstances. The school is
working from November 1923 and it is
66 strong. Four teachers are working
in the school. The major portion of the
pupils are of backward classes, the rest
other communities, and it is intended for
day labourers. The village lies in an
interior portion where education is
highly needed. I explained the people
about their illiteracy and I am managing
with great difficulty by employing 4
teachers partly from village Sangam
fund and the rest from my pocket.
The pay of the teachers lighting and other
expenses for a month comes to Rs. 15.
In case of the school is to be admitted only
for 1925-26 then I will get grant only -
during March 1926, that is after 17 months.
With such a heavy expenditure I do
not think that I can manage
to run the school for the 17 months and
I will be forced to close it. Further
I beg to bring to your kind notice one
more fact. Although the rule does not
permit to admit the school to supple-
mental aid for 1924-25 can it not be
admitted as a special case as you did
in the case of the school at Nanjamboundar
Puthur in the Pallachi Sq. for 1923-24.

8 13
While the Government have sanctioned a lakh and odd rupees for opening Board Schools by spending nearly Rs 500 for the each school, while the people and myself take so very keen interest in the education of the masses, is it not necessary that the Council to give the some help by admitting the school for 1924-25 and thus helping them by granting nearly Rs 150 for a year as grant. I bring to the Council's notice that I am a respectable mirasdar and the V.M. of the village as such I am not going to gain anything from this grant as the managers of the other schools do. On the other hand I am prepared to bear a portion of the expenditure from my pocket, in case of education of the people in case if the Council is to give me some encouragement by admitting the school to supplemental aid for 1924-25. What more can I represent to the Council. I request you finally to view the condition of the school as a special case without adhering to the general rule and to recognise the school for 1924-25 and to favour me with a favourable reply.

Forwarded to the President,
District Educational Council,
Coimbatore.

I inspected the Kariyanchettipalayam night school on 15-11-1924. No on R.O. 66. and present 35 on the same night. The school is working in a satisfactory condition with four teachers and the manager of the school. Is taking more interest to improve the school and spending monthly expenditure from village Sangam and his land.

I recommend the same school for recognition to supplemental aid during the year 1924-25 as was done in the case of the school in Nanya Goundanpudur in Nilgiris Range for 1923-24.

It is highly hopeful that the school will work satisfactorily only to the Superior Educational authorities.

I, therefore state that the Council may be encouraged the school for recognition during the year 1924-25 as did in the previous case in the last year.

2. The night school at Kariyanchettipalayam does not satisfy the conditions for supplemental admission to aid detailed in G.O.No. 6 Mis., Law (Education) dated 3rd January 1924 nor does it come under the special cases referred to in the second para of rule 3 under Chapter I of the rules framed under section 42(2) of the Madras Elementary Education Act. But in the circumstances reported by the President, I recommend that the school may be admitted to supplemental aid for 1924-25 as a special case subject to the condition that a qualified teacher is employed in the school as soon as possible and that it is not regarded as a precedent.

3. As regards the admission to aid for 1923-24 of the Elementary school at Nanjakavundanpudur referred to by the Manager of the night school, I submit that the action of the District Educational Council in having admitted the school to supplemental aid for 1923-24 was not in order. The President however, in his endorsement R.O.No. 248/24, dated 25th February 1925 (copy enclosed) explains the circumstances under which the school was admitted to supplemental aid during 1923-24 and solicits orders of Government thereon. I recommend that the action of the District Educational Council in this case also may be approved.
