Sir,

With reference to Government Memorandum No. 3681 A-1 Law (Education) Department dated 21-8-23, I have the honour to submit for the approval of Government a plan and an approximate estimate amounting to Rs. 48,600 for the construction of quarters for the District Educational Officer, Coimbatore at the Red Fields Site.

4. Attention is invited to the lay out plan returned
herewith, and the road separating sites 8 and 9 and running
from South to North. It will be seen that the sites to the
West of this road are assigned to the Deputy Inspector-General
of Police, Collector, District Judge and District Medical
Officer, while the sites to the East of the road are reserved
for the quarters of the officers not belonging to Imperial
Services. The one exception to this arrangement is that the
District Educational Officer has been given a site to the East
of the road. I submit that this is objectionable, and that
the quarters of the District Educational Officer should be on
the west of the road. Site 211 is shown in the plan as spare,
and I have ascertained from the Executive Engineer that it has
not yet been assigned to any officer. I beg to recommend that
the site be allocated to the District Educational Officer.

Government called for rough plans and estimates for the construction of quarters for the D.E.O. Coimbatore at the Red Fields Site. The D.E.O. has not yet obtained and submitted these plans and estimates. Some provision may be made.

Law of Expenditure.

The proposal for the construction of quarters for the D.E.O., Coimbatore, is a part of the general scheme for the provision of quarters for several officers in Coimbatore. In the absence of rough plans & estimates it is not possible to say what the cost of the quarters will be and what provision need be made in the next year's budget. Apparently the proposal should be considered along with the ^{construction} ~~provision~~ of quarters for the officers.

The pay out for official residences on the Red Fields site Coimbatore was approved in Govt. H.84 W.38.5.23 and this pay out includes, among others, provision for a residence for the Insp^r. of Schools, who is presumably the D.E.O. referred to by Law (Edn).

In their Dep^{ts} the note no. 1751 W.38.5.23, the L.S. & Law, Indl, Develop^t Dep^{ts} were asked to take steps to obtain the sanction of Govt. to the construction of quarters ^{for officers} under their control so that a complete scheme can be laid in advance & the S.E. Coimbatore can make proper arrangements to work out his funds systematically and economically. The L.S. & Law, (Genl & Regn) & Develop^t Dep^{ts} have taken

taken action to call for proposals for the construction of quarters for their officers similar in form to those called for in respect of quarters for the officers of this Dep^t, is awaited. The Indl Dep^t have stated, that quarters for the D.S.P. need not at present be considered & the preparation of rough plans & estimates herefor, may be deferred. The S.E. Coimbatore has also been so informed.

As regards the urgency for the quarters for the D.E.O. it is a matter for the administrative Dep^t to decide upon & ask for provision in the next year's budget, if possible. It is not necessary that this work should be considered along with other quarters proposed for construction at the Red Fields site. With these remarks the file may be returned to Law (Edn)

In the absence of rough plans and estimates for the construction of D.E.O.'s

quarters at Coimbatore, it seems premature to consider the question of provision of funds in the next year's budget. Moreover in the prevailing financial stringency this work cannot be considered as urgent. No provision need be made for 1924-25.

A design has been prepared by CA and approved by Finance, who have asked for information regarding the estimated cost of the building according to the design.

The S.E. Coimbatore Circle is being addressed again the matter. There is no provision

in the current year's budget for the D.E.O.'s quarters at Coimbatore.

The question may therefore lie over till the new design for All India Service Officers' residences is settled.

As regards the D.E.O.'s request for an alternative plot for the construction of his quarters, it is submitted that

there does not seem to be any objection to allocate Plot No. 211 to the D.E.O instead of Plot No. 207, as the former has not been assigned to any officer and is of less extent than plot No. 207.

In connection with the proposed residences at Vellore, after much discussion, Finance accepted CA. 154/24 as suitable for "district officers". When referring to the above discussions, the Finance Secretary described (in the file regarding proposed quarters for the College Principal at Coimbatore) the above design as one for officers of the All India Services.

It thus seems that the design CA. 154/24 settled as suitable for "district officers" is also considered suitable for ^{most} All India Service men who are "district officers".

Law (Edn) Dept ask for a copy of the design. This design was improved (at the instance of C₂) by providing a door between the dressing room and the back verandah, for the use of servants. The design thus improved was renumbered as CA. 183/24. [CA. 183/24 for the main building with N.A. 97/23 for out-houses was sanctioned for the D.F.O.'s quarters, Vellore].

As what Law (Edn) require is the design settled as suitable for D^r officers, CA. 183/24 for main building with N.A. 97/23 for out-houses may therefore

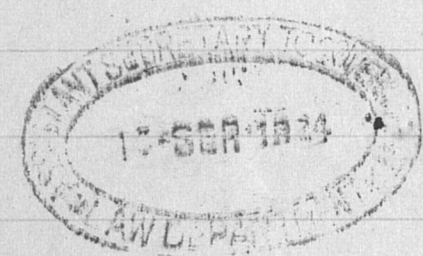

P.W.D. No 1283 sub 4/29. be furnished to that Dept.

The file relates to the construction of residential quarters on the Red-fields site, Coimbatore, to

- (i) the District Educational Officer, Coimbatore, and (ii) the Principal of the Government College, Coimbatore.

It has been agreed by the P.W.D. to allot plot no. 211 in the plan at slip (Q) to the District Educational Officer

and another plot (not specified with reference to the

plan) to the Principal. The question of the provision of

funds for the construction of the quarters was allowed

to wait till a type design of the quarters suitable to

district officers which the P.W.D. had under consideration

early this year was got out. The P.W.D. has now furnished

two designs (C.A.No. 183/24 for main building and N.A.No.

97/23 for outhouses). The cost of a residence with out-

houses based on these designs is estimated at Rs. 19,200.

The designs may first be forwarded u. o. to the D.P.I. for

remarks as to their suitability. If they are suitable

the Director may submit proposals for the construction of

a residence to either the D.E.O. or the Principal for con-

sideration as a Part II scheme for the budget of 1925-26.

It may not be possible to provide funds for residences to

both the officers in 1925-26.

Regarding the suitability of plan C.A.183/24 for main building and N.A.No.97/23 for outhouses I should merely remark as follows:-

- (1) The rooms are ^{on} the small side;
- (2) The ventilation of the bed rooms appears barely sufficient;

- (3) The outside windows of the dressing room and possibly of the store-room and kitchen might require some protection, for example, monkey tops.

I am prepared to submit proposals for the ^{for} ~~best~~ construction of a residence either ~~the D.E.O.~~ or both the D.E.O. and the Principal of the Coimbatore College for consideration as a Part II scheme for the budget of 1925-26.

construction of quarters for the D. E. Officer,
Korimbatur, or the Principal, Govt. College,
Korimbatur. The case of the D. E. Edu-

urgent than that of the College Principal.

The Govt. had ~~not~~ sometimes to
permit the D. E. Educational officer, Korimbatur,
to live in Coonor or Kotagiri as the
officer was unable to secure a
suitable residence in Korimbatur.

It is for consideration whether provision
may be made for the construction of

Neither the D. P. I. nor

appears to be to construct the quarters and
then to allot it to one of the two officers.

is not given. At K on p. 4 ante, it is
calculated at Rs. 1,068 $\frac{2}{3}$ for the D. E. O.
It is not clear whether it includes
Overseas pay. If it does, it should be
omitted as all D. E. Os of Korimbatur
may not be eligible for this pay.

For the past five years

Note for the Finance Committee.

Part II scheme 1925-26.

Subject:- Construction of quarters for the District Education Officer, Coimbatore.

Difficulty has been experienced in securing suitable residence at Coimbatore for the District Educational Officer of that place. At times Government have had to permit him to live in Coonoor or Kotagiri. The question, therefore, of constructing quarters for him at Coimbatore has been engaging the attention of Government for some time past. The proposal was included as a part of the general scheme for the provision of quarters in the Red Fields Site for officers stationed at Coimbatore, a suitable plot of land being assigned for the purpose.

Proposals of the Director of Public Instruction.

2. In August 1923, the D.P.I. was asked to submit plans and estimates for the construction of quarters for the District Educational Officer. In October 1923 he requested the Government to make some provision for the purpose in the budget for 1924-25, but as he did not then submit the necessary plans and estimates, no provision was made in that year's budget.

3. On 15-4-1924 the D.P.I. submitted plans and estimates for the work amounting to Rs. 48,600. At that time the Public Works Department was preparing a type design for quarters suitable to officers of All-India Services. The P.W.D. has since completed

33

the preparation and has furnished two type designs, one for the main building and another for the out-house. The cost of a residence with out-house based on these designs is estimated at Rs. 19,200. The D.P.I. to whom the plans were sent for remarks (has) suggested some minor alterations which will, ^{not} however, increase the cost of the building appreciably. (He has agreed to a provision of Rs. 19,200 being made in the next years budget.) To the cost of the building has to be added, for purposes of valuation, the cost of the site, which is estimated to be roughly Rs. 4,740. No provision for this is necessary as the site has already been acquired.

Remarks of the Administrative Department.

4. The permissible limit for quarters for the District Educational Officer based on his average pay (Rs. 1068²/₃ p.m.) is only Rs. 15,087 against the estimated cost of Rs. 23,940 including the site. But it has not been possible to restrict the cost to the permissible limit.

5. Considering the urgency of the matter it is proposed to proceed with the scheme next year. As, however, the work may, ^{not} be completed within a year it is considered sufficient to provide only Rs. 10,000 in the next year's budget.
