Sir,

With reference to G.O.No.1943, Law (Education)
Department dated 12-12-24 sanctioning a subsidy of Rs.350/-
(Rs.450 - Rs.60 unspent subsidy of last year) being half the
recurring charges of the Manual Training Class in Weaving,
in the Board Sengunthar School, Ambasamudram which is itself
a wholly Government subsidised school, I have the honour to
submit the following for the favourable reconsideration and
Orders of Government.

2. When the proposal was first started through
the Educational Authorities the question of funds for the

the upkeep of the institution was a prominent one and the Taluk Board gave its consent to the proposal on the definite understanding that the entire cost is to be borne by Government. Accordingly the proposal was approved by Government in G.O.No.1189 (Law Education) dated 21st August 23 and the full grant towards the recurring and non-recurring charges for the year 1923-24 was sanctioned, of course with a condition that the continuance of the full grant towards the recurring charges in future years will be subject to reconsideration.

3. While framing the Budget Estimate of the Taluk Board for the year 1924-25 allotments were provided for under this head as per details noted in the margin

Budget allotment for 1924-25			and credit was taken for the
Pay of Weaving Instructor	Rs. 480		full amount from Government -

in grant as contemplated in the said G.O. The actual expenditure incurred by the Board on this account up to end of November 24 is also given in the margin.

Expenditure up to end of November 24			expenditure incurred under

lump purchase of yarn from the Tinnevelly Mills Company here.

4. The Weaving Class is at present working in one of the very important weaving centres in the District and the weavers caste pupils are mostly benefited by it and realise also the benefit. The progress of the Institution is also highly satisfactory as may be seen -

Sir.

In resubmitting herewith the letter of the
President, Taluk Board, Sermadevi No. 2463/24, dated 20th
December 1924 referred to me for remarks in Government
endorsement No. 135 B-1 dated 22nd January 1925, I have the
honour to invite your attention to the remarks contained in
para 4 of this office letter R.C.No. 1189 E/24 dated 7th
November 1924 and to state that the Board's contention that
its financial position is not quite satisfactory cannot be
accepted especially in view of the fact that the year 1923-24
closed with a balance of Rs. 19,277 to the credit of the
Board as will be seen from the annexure to G.O.No. 212 L & M
dated 21st January 1925. Further in para 15 of the above

Again the Taluk Board, it will be observed, has actually incurred during 1923-24 an expenditure of Rs.5764 only on account of Elementary Education out of ^{a.} ~~the~~ total revenue of Rs.45,775 i.e. 12.6 per cent and this percentage is very small when compared with other taluk Boards in the District.
