(Designation) *AG. COMMISSIONER FOR GOVERNMENT EXAMINATIONS.*

To The Secretary to the Government of Madras,

LAW (EDUCATION) Department.

Sir,

portion marked A on p 4 in B

I have the honour to state that under Article 8 of the Notification regulating the government Technical Examination which was approved by government in their order No. 1769, Law (Education), dated the 20th December 1923, candidates for the lower grade Examination may answer the question papers in the vernaculars in the case of such subjects as admit of this. In connection with the Examinations held in November last, some of the candidates for the Higher grade Examination in the

following

portion marked A on page 4 in B

following subjects answered the question papers through the medium of a vernacular. -

(1) surveying and levelling

(2) cotton weaving

(3) lace-making

(4) tailoring

(5) Needle-work and Dress-making

and (6) Embroidery.

It appears to me that these subjects admit of answers in a vernacular and the concession allowed in the case of the Lower Grade in respect of such subjects, may be extended to the Higher grade.

I request that government may be pleased to authorize me to decide the question with reference to each subject as occasion arises, as otherwise it will be necessary for me to address government for orders every time there is a new subject answered in a vernacular.

I beg to add that the vernacular in which the candidate answered the paper will be mentioned in the pass-list and also in the certificate.

I have the honour to be,

Sir,

Your most obedient servant,

W. H. Hobdy
