*554. Will the hon. the Minister for Education be pleased to state-

(a) whether it is not ~~a fact that it is~~ ~~is~~ ~~an~~ part of the duty of the Deputy Inspectors of Muhammadan ranges to suggest schemes for the opening of new Muhammadan schools within their jurisdiction; and

stating by whom they have been sent and what they are

will (b) if so, whether the council be furnished with a list of cases in which such proposals have been sent ~~and by whom and along with their proposals?~~

ASC

It does not appear to be the duty of Deputy Inspectors to suggest schemes for the opening of new Muhammadan schools. The duty is laid on local bodies and the District Educational Councils. The file may be forwarded u.o. to the P.P.I. for suggesting a suitable reply.

My 7/2/25
It is difficult to say that it is not the business of the Deputy Inspectors to make suggestions for opening new schools. Probably there is an incident behind the question. Perhaps some local body might have admonished a Deputy Inspector submitting a proposal in this regard as doing work beyond his province.
