Copy of letter No. R.O.C. 97/20 dated 23rd May 1920
from the Chairman Municipal Council, Tirupur to the Director
of Public Instruction, Madras, through the Inspector of
Schools, Ninth Circle, Salem.

With reference to your proceedings C.No. 4401 of 1920
dated 23--4--1920, calling for proposals for opening new
Secondary schools or for raising the status of a Middle
school to a High School, I have the honour to forward herewith
the necessary statement in the prescribed form and to state
as follows:--

2. Tirupur is situated in the centre of the District
in addition to its being a big commercial centre for 4 taluks
bordering the same. It is rapidly growing in all directions
and a High School is highly essential for relieving the
present difficulties of parents who wish to educate their
children in these hard days.

3. I may also state in this connection that the majority
of the boys in the school are non-brahmins and that a good
number of them are of the backward classes who all wish to have
the benefits of the completed Secondary Education. Out of 309
boys on the rolls this year, only 80 boys are brahmins (most of
them being the children of low paid Government clerks) and the
remaining 209 are non-brahmins. The institution was visited
by the Hon'ble P.Rajagopalachariar K.C.S.I., Member of Council
on 16--9--1918 and a copy of remarks made by the gentleman in
the Visitor's book is herewith attached. Hence a High School
is necessary at Tirupur for the benefit of these boys.

4. The present building in which the Middle School is loca-
-ted belongs to some donors, and the accommodation is inadequate
for a High School in addition to its being situated in a corner
of the town. A separate building (the first floor alone) at a
cost of 15,000/- Rs. may be built this year in the vacant site
behind the Chatram near the Tirupur Railway Station. A sum of

25/5/25

Rs. 5,000/- was provided in the Budget Estimate of this Municipality for 1919-20 for the purpose. As no orders were passed by Government on the matter the sum was not spent within the year. The work will be commenced at an early date on receipt of favourable orders from Government. Till a separate building is constructed for the High School, temporary arrangements will be made for accommodating the classes.

5. The sum of Rs. 1,445/- sanctioned by Government in their order No. 204 (Home) Education dated 11-2-1920 may be sufficient to equip the present Middle school necessities. A sum of Rs. 2,500/- may be required for the equipment of the laboratory etc., if the same is raised to a High school as shown below:--

For Science apparatus	Rs. 1,500-0-0
For library	500-0-0
For furniture.	500-0-0

I request that this initial charge may be recommended to be given from Provincial Funds as the Municipality is new.

6. The following staff may be necessary in the event of the Fourth form class is opened and the strength of the same may not exceed 12 in number in the first year as a good number could only be expected ^{as} time goes on and the stability of the High School is known to the public and places outside Tirupur.

1. Headmaster (100-8--180) biennial average pay. Rs.	139-0-0
2. Deduct the average pay of the present Headmaster	90-0-0
Balance required.	49-0-0

1st Assistant L.T., 80-4-100 biennial average pay	90-0-0
1 writer 30-2-40 biennial average pay.	35-0-0
1 additional peon for science section	10-0-0

Total	184-0-0

504-0-0

For 12 boys at Rs. 5-4-0 per mensem

Net charges.

2,344-0-0

or in round figures.

2,350-0-0

There may be a decrease in the net charges as the strength of the school goes on increasing in course of time. I may also state in this connection that there is a proposal already a foot to raise ~~to raise~~ the pay of all the Secondary grade teachers atleast to Rs. 30/- as the minimum salary of the qualified Government servants has been made to Rs. 30/- per mensem. This expenditure including the war allowance to be paid to 4 assistants who are drawing a salary of upwards of Rs. 30/- per mensem may involve an additional expenditure of Rs. 600/- per annum.

7. I have clearly explained in paras 1 and 2 supra regarding the necessity for opening the Fourth Form class in Tirupur. This taluk is very backward in education when compared with other taluks of the District as is evident from the large number of crimes annually committed. His Excellency the Governor of Madras when he travelled in Karachi as Governor of Bombay some years back has plainly stated that education is the only weapon for putting down crimes.

8. I therefore request that you will be pleased to accord your sanction for opening the same in June 1920 at any cost and for recommending to Government for helping the institution with the required grants from Provincial Funds for the new staff, and the initial charges for equipment of laboratory, furniture, library as resolved by the Council. A copy of the resolution passed by the Council on the subject is herewith forwarded.

31. Read Proceedings No.C.4461 of 20 dated 23-4-1920 of the
Director of Public Instruction Madras calling for proposals for
the opening of Secondary schools etc under the management of Local
Bodies and letter R.O.C.No.151/20 dated 1-5-1920 from the Inspector
of schools 9 th circle, requesting to forward proposals for raising
the status of the present Middle school to a High school together
with the report from the Headmaster thereon.

The Council resolves that it is highly necessary to raise
the status of the Middle school at Tirupur into a High school gra-
dually i.e. by opening the Fourth form at once and appointing the
following additional staff of two teachers, one clerk, one peon and
incurring an additional contingent expenditure of Rs.640/- a year.

Headmaster.....	100--8--180	biennial
1st assistant.....	80--4--100	-do-
clerk.....	30--2--40	-do-
Peon.....	10	

The Council further resolves that, as the school going
population at Tirupur come mostly from ryots and backward classes
and as the Municipality is an infant one, the Government will be
requested to be graciously pleased, to contribute the major portion
of the additional expenditure till the Municipality is able to
support the school without Government aid.

2. As stated in my letter to Government R.O.N o. 1990-B of 23, dated 24th March 1924, I do not consider that the Municipal Council, Tiruppur, is in need of more financial assistance from Government. [There is no evidence that the position has altered since I made the above remarks.] I, therefore, do not support the Chairman's request. The Municipal Council are competent to fix salaries if they bear the cost.
