Mr. K. Uppi Sahib.

1428. To reduce the allotment of Rs. 1,40,500
for Government Secondary schools for boys
by Rs. 100.

(To discuss the policy of collecting full fees for
~~for~~ Muhammadan ~~and~~ students.)

Law (Education) Deptt.

Under rule 92 of the Madras Educational
Rules full fees need be paid only by Muhammadan
pupils whose parents are in affluent circumstances.
In the case of pupils whose parents are poor the
rule requires that fees should be levied at half
the standard rates. It has not come to the notice
of Government that the practice in Govt. insti-
tutions is ~~what~~ other than what is contained in
the rules. It is not therefore correct to
say that all Muhammadan pupils have to pay fees
at full standard rates.
