A.S.

As regards the free admission of pupils of the depressed classes the Government have already issued, in G.O. No. 329 dated 17.3.19, instructions to local bodies to remove any existing impediments to such free admission, by the removal of schools located in inaccessible places to places accessible to all classes of pupils. Annual reports as to the action taken by local bodies in the matter are being received, and these reports show that the number of pupils of the depressed classes attending schools not specially intended for them is raising steadily year by year. Mr. Veerian has also brought to the notice of Government cases of some schools in which pupils of the depressed classes are not admitted freely, and suitable action has been taken in all those cases.
