Demand XVII.

Education - Transferred

Mr. B. Munuswami Nayudu.

P.209.

1371. To reduce the allotment of Rs 10,70,000 for Grants to Local Bodies for Secondary Education - by Rs 100.

(To urge upon the Government the need for larger subsidies to local bodies to enable them to open higher forms and additional forms).

Law (Education) Dept.

In Part II of his Budget Estimate for the next year the D.P.I. asked for a provision of about Rs 43,000 for the payment of subsidies to Local Bodies towards the cost of opening higher forms in secondary schools under their control and for the revision of ^{the} pay of staff in those schools. The Finance Committee, however, recommended a provision of ^{only} Rs 5,000 for this object. In the ~~budget~~ Cabinet, the provision was raised to Rs 15,000 and this amount has been ^{entered} ~~provided~~ in the next year's budget. It may be possible to ~~make~~ sanction subsidies from the above provision for the opening of higher forms in some of the secondary schools in the Presidency. But before doing so ^(which desire to open higher forms) local bodies should submit ~~proposals through the~~ ^{the necessary proposals through} the D.P.I., ~~for the opening of the higher forms~~. They will then ~~the~~ be examined and subsidies will be sanctioned if it is found that the local body concerned is not able to meet the expenditure from its own funds.
