Examinations of the University of London.

Sir,

In reply to your letter No. 916/F, dated the 3rd April 1925, I am directed to say that the question of the establishment in India of centres for holding the examinations of the University of London was considered by the Inter-University Board which recorded the following resolution:-

"Resolved that the Government of India be informed that, in the opinion of the Board, it is not desirable to establish ~~havent~~ in India centres for holding the examinations of the University of London".

In view of this resolution, the Government of India have informed the High Commissioner for India that they are unable to afford any facilities to the University of London for holding its examinations in India other than those for degrees in Theology, or to encourage students from this country to proceed abroad to sit at the examinations of the University as "external" students.

I have, etc.,
