dated 28-4-1925.

Budget - 1925-26 - Elementary Education Fund - Municipal Council, Coimbatore -

The contribution from municipal revenues calls for no remarks. Provision is entered in the budget for opening one additional school and employing seven additional teachers ~~in the current year~~. A draft order is submitted. It may be sent to L.S.G. for acceptance.

There is no objection so far as the Municipal Committee are concerned - vide figures on margin. Though the figures under 'ordinary' in 1924-25 & 1925-26 slightly differ the total amounts involved are the same.

2. Law (En) proposes to delete the credits for Genl. grants under 'Capital' in 1924-25 & 25-26 amounting in all to Rs 12,000 and to ask the Council to meet the deficit from its Genl. funds. Though the Genl. funds can permit this, the Council may not be willing to spend so much ^{of its money} on it, even this year. It may probably choose to reduce Capital exp^{re}. So a ^{an} slight addition may be made ^{at the end of} to para 3 of the draft this 'or by re-allocating ^{of} Capital exp^{re}.

~~It is proposed to transfer Rs 12,000 from the Genl. funds to the Capital account to meet the deficit.~~

to the Council for the maintenance of the weaving class in the municipal elementary school for *Devarigas*.
(2) The credit taken for Government contribution under "capital" in the revised estimate for 1924-25 and in the budget estimate for 1925-26 should be deleted.

(4) The total of the debits in the actuals for 1923-24 works to Rs.16,204 and not to Rs. 16,144.

② The deficits arising from the above alterations should be met by increased contribution from municipal revenues & by reducing expenditure under "Capital".
